Dear Licensee:

This refers to your request for special temporary authority (STA) to operate at variance. You indicate the purpose of this STA application is to allow the KNWA-TV facility to temporarily operate with alternate parameters on its post-transition channel (33) while the new post-transition main antenna is installed. You mentioned that the proposed KNWA-TV STA operation will completely encompass its community of license.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **October 8, 2019**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
