October – December 2022

News & Community

October 2022

During the month of October, WRL 1450 supported Breast Awareness Month by having various speakers interviewed by the Monday-Friday hosts. Among those interviewees was a health provider affiliated with the University of Illinois Cancer Center. This interview was conducted in Spanish and a recording was shared with the University of Illinois Cancer Center.

In addition, Fernando Jaramillo interviewed Cook County President T. Preckwinkle on topics important to the residents of Cook County.

November 2022

Fernando Jaramillo interviewed Cook county T. Preckwinkle on topics important to the residents of Cook County.

December 2022

During the month of December, WRL 1450 supported World AIDS Day by providing information regarding the overall symptoms, care, and general health tips.

In addition, Fernando Jaramillo interviewed Cook County President T. Preckwinkle on topics important to the residents of the City of Chicago and Cook County.
