

WRL 1450 AM
Chicago. IL.
January 2021
News / Community

During the first month of the year, the hosts of WRL 1450 AM, were joined by a variety of guests to introduce the conversation of COVID 19 vaccinations. The Latino community needs information regarding the need to get vaccinations and where to get them. The guests included representatives of healthcare, City of Chicago and Cook County governments. The message has been made clear of the importance of improving the health status of the Latino community.
