During the period listed above, the CBS Television Network ("CBS"), a unit of CBS Corporation, disseminated to its owned and affiliated stations the following weekly programs originally produced and broadcast primarily for an audience of children 13 to 16 years old:

All of these programs were disseminated for weekend broadcast by CBS affiliates and owned stations.

I hereby certify that the children's programming disseminated by CBS during the period July 1, 2015 through September 30, 2015 was not required to conform to the commercial time limits prescribed in the Communications Act, as amended, 47 U.S.C. §303a, and 47 C.F.R. §73.670(a)-(d) because the programming was all originally produced and broadcast primarily for an audience of children older than 12.
