## Toy Drive part 2 – 1000 Islands River Santa

Doug Tulloch is the 1000 Islands River Santa (501c3) . HE Joined us for multiple on air interviews to promote a special Holiday Event in Alexandria Bay NY.

**Every child deserves to believe in Santa and to have a real Christmas. Our goal this year is to reach out to every child in need from anywhere in Northern New York. When Santa arrives at the village dock in Alexandria Bay by boat with a United States Coast Guard escort he will be bringing gifts This committee is 100% volunteers and every dollar raised will go directly toward the purchase of gifts and the Backpack Program. WBDR helped with on air promotion and even went live during this event in A-Bay.**
