Al Punto	1/7/2024	10:00 AM	6:31	José González, Economist provides a comprehensive analysis of what lies ahead for the U.S. economy in 2024, addressing the probabilities of a recession this year and discussing potential financial relief for consumers.
Noticiero Univision Nuevo Mexico	1/17/2024	5 & 10 PM	2:44	In the first month of the year we are given the task of talking with an economist who shares with us predictions for New Mexico in 2024. The economist comments that some of the challenges could possibly be related to the country's partners like China. Before this perspective we go out to the street to ask people how they take care of their finances at home and what their savings habits are.
Noticiero Univision	1/29/2024	10:30 PM	:23	There's good news for everyone. The Department of Commerce announced today that the country's gross domestic product increased 3.3 percent in the last three months of 2023. This is a figure above what the experts predicted and according to the Federal Bureau of Economics Analysis, "The increase in the fourth quarter primarily reflected increases in consumer spending and exports and imports".
Noticiero Univision	2/2/2024	5:30 PM	1:52	The labor market continues to surprise analysts and experts. According to official reports, 353,000 jobs were created in January in the country, double what was expected.

Noticiero Univision	3/18/2024	10:30 PM	1:46	Gasoline prices have also risen and are already the highest this year. Experts say the increase is due to drone attacks on refineries in Russia and an extreme winter. They also warned that demand generally increases in the summer.

Health				
Program/Segment	Date	Time	Duration	Description
Edicion Digital	1/2/2024	11:00 AM	:25	This year 2024 could become the best ally for millions of people with diabetes. This year, more patients will have a discount on their insulin costs because manufacturers could offer price caps or savings programs that reduce the cost to about \$35. It is estimated that more than 8 million Americans depend on insulin to survive, and as many as 1 in 4 patients have been unable to afford their medications.
Primer Impacto	1/8/2024	4:00 PM	:24	The American Red Cross is facing an emergency blood shortage as it experiences the lowest number of people giving blood in the last 20 years. Blood and platelet donations are needed now to help alleviate the shortage and ensure lifesaving medical procedures proceed without delay.
Edicion Digital	1/23/2024	11:00 AM	:18	A simple blood test could detect Alzheimer's some 20 years before its symptoms begin to manifest. They also reveal that the test is effective in 97 percent of the cases. The cost of this test would be between 300 and 500 dollars. We are joined today by the neurologist, Dr. Carlos Ramirez, welcome.
Noticias Univision Nuevo Mexico	1/31/2024	5 & 10 PM	2:20	In addition to carrying oxygen and nutrients, our blood also helps us detect certain conditions. In the following report we present to you five data that your blood can reveal about your health. It is not unusual to have a blood test in the doctor's office. In fact, it's crucial to make sure you are healthy.
Edicion Digital	3/20/2024	11:00 AM	:13	The increase in the number of Alzheimer's disease cases in the country is worrying. The rates show that approximately one out of every nine people aged 65 or older suffers from it, or almost 7 million, and some 200,000 have it at an early age.
