**Duration:** 25 Minutes

**Synopsis:** Topics Discussed on Today's Program:

**Topic:**

- Today on Insight, John and Josh Rosenstern explain Title 42 and what is going on with possible changes with our immigration policies. Some 19 Attorney Generals petitioned the Supreme Court to not let title 42 expire, as they are not prepared to appropriately accommodate the thousands coming in over the border. This will be a short term slowdown to the influx of immigrants, but it in no way eliminates the problem. It only allows a little more time to try and get the immigrants in legally with proper paperwork.

- **Crime and corruption along the border involving the cartels with drug and human trafficking is at a critical rate that is only finding the immigrants in predicaments that find them indebted into a life of compromise to pay back to the cartels for their assistance in getting them into America.**
