

## NOTICE

On October 1, 2014, K45CT/K45CT License Subsidiary, LLC, filed with the Federal Communications Commission an application for renewal of the license of TV Translator station K45CT, which serves Hilo, HI, on Channel 45 with 91.8 kilowatts effective radiated power (ERP). K45CT re-broadcasts KGMB, Channel 23, Honolulu, HI. Individuals who wish to advise the FCC of facts relating to our renewal application, and to whether the station has operated in the public interest, should contact the FCC, Washington, DC 20554, [www.fcc.gov](http://www.fcc.gov), by January 2, 2015.
