|                                                                                |                                                                                                                                                                                                                                   |
|--------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 10/3--Pontiac Police on the 6:45 Forum, sponsored by SOCU                      | Pontiac Police Chief Jim Woolford brings the department's newest officer to the studio to talk about police work in Pontiac.                                                                                                      |
| 10/3--OSF on the 7:45 Forum, sponsored by Marci Olson Rich                     | A new survey is complete, and OSF St. James-John W. Albrecht Medical Center Chief Financial Officer Paula Corrigan visits the studio to talk about the latest updates.                                                            |
| 10/4--United Way on the 6:45 Forum, sponsored by SOCU                          | Deb Howard talks with Cynthia Grau about the drive to get pennies from Livingston County residents (and everybody else, too, if they're willing to give.)                                                                         |
| 10/4--Pontiac City Government on the 7:45 Forum, sponsored by Marci Rich       | Pontiac Mayor Bob Russell talks with Todd Wineburner about new businesses moving into Pontiac. One bringing jewelry services to town just in time for the holidays.                                                               |
| 10/5--A contest for writers and artists on the 5:45 forum                      | Barbie Simmons, a student at Heartland Community College, talks with Todd Wineburner about a contest that offers young people a chance to show off their literary or artistic skills. The deadline to enter is coming up quickly. |
| 10/5--Voting on the 6:45 Forum, sponsored by SOCU                              | Kristy Masching talks with Cynthia Grau about voting procedures in place for the 2016 elections.                                                                                                                                  |
| 10/5--The Humane Society on the 7:45 Forum, sponsored by Marci Olson Rich      | Karen Gregory talks with Todd Wineburner about "The 3 Amigos" and about the Humane Society being out and about in Livingston County.                                                                                              |
| 10/6--Sammy Sartoris Fun Run and Walk, on the 5:45 Forum                       | Mary Ann Sartoris joins Cynthia Grau in the studio to talk about Saturday's special event in downtown Pontiac.                                                                                                                    |
| 10/6--Kristy Masching on Voting on the 6:45 Forum, sponsored by SOCU           | Livingston County Clerk Kristy Masching talks with Cynthia Grau about voting in part 2 of their conversation.                                                                                                                     |
| 10/6--The Chamber of Commerce on the 7:45 Forum, sponsored by Marci Olson Rich | Mindi Terrell from the Pontiac Area Chamber of Commerce talks with Todd Wineburner about upcoming events at the Chamber.                                                                                                          |

|                                                                                      |                                                                                                                                                                                                                     |
|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 10/7--The Chocolate Fall Fantasy on the 5:45 Community Forum                         | Jessica Finkenbinder of PROUD and Mindi Terrell of the Pontiac Area Chamber of Commerce talk about the annual Chocolate Fall Fantasy in downtown Pontiac October 7th and 8th.                                       |
| 10/7--Graymont History on the 6:45 Forum, sponsored by SOCU                          | Cynthia Grau talks with Rita Schafer about some of the history of the Graymont area.                                                                                                                                |
| 10/7--Livingston County State's Attorney on the 7:45 Forum, sponsored by Marci Rich  | Seth Uphoff talks about ongoing efforts to get judicial agencies on the same page when it comes to cannabis violations.                                                                                             |
| 10/10--Livingston County Farm Bureau on the 6:45 Forum, sponsored by SOCU            | Jody Hughes talks with Cynthia Grau about her intern and about about what's on the calendar at the Farm Bureau.                                                                                                     |
| 10/10--The Public Health Department on the 7:45 forum, sponsored by Marci Olson Rich | Linda Rhodes from the Livingston County Public Health Department visits the studio to talk about osteoporosis--how to identify it and how to deal with it.                                                          |
| 10/11--Hope Pregnancy Center on the 6:45 Forum, sponsored by SOCU                    | Cynthia Grau talks with two of the ladies in charge of the Hope Pregnancy Center, formerly the Caring Pregnancy Center, of Pontiac.                                                                                 |
| 10/11--Fire Safety on the 7:45 Forum, sponsored by Marci Olson Rich                  | Pontiac Fire Chief Scott Runyon talks with Cynthia Grau about keeping your home safe by focusing on things you might not think about otherwise.                                                                     |
| 10/12--Community Art Center on the 6:45 Forum, sponsored by SOCU                     | Cynthia Grau talks with Vickie Fitzgerald from the Pontiac Community Art Center about 5 weeks of celebration to mark 5 years in Pontiac.                                                                            |
| 10/12--IHR on the 7:45 Community Forum, sponsored by Marci Olson Rich                | Todd Wineburner talks with Tiffany Yoder, Lucy Hodgson, Sierra Granados, and Cheyenne Kreush about the upcoming Operation Snow Flurry--a self-esteem workshop for 4th and 5th graders that's coming up in November. |
| 10/13--Pontiac Tourism on the 6:45 Forum, sponsored by SOCU                          | Pontiac tourism director Ellie Alexander talks about what's on the calendar.                                                                                                                                        |
| 10/13--Pontiac District 90 on the 7:45 Forum, sponsored by Marci Olson Rich          | District 90 Superintendent Jon Kilgore talks with Todd Wineburner about the state of the school district.                                                                                                           |

|                                                                                      |                                                                                                                                                                                                         |
|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

| 12/9--The GLCEDC on the 7:45 Forum, sponsored by Marci Olson Rich                              | Adam Dontz, CEO of the Greater Livingston County Economic Development Council, talks about his organization and the work they've been doing in 2016.             |
| 12/12--County Finances on the 6:45 Forum, sponsored by SOCU                                    | John Clemmer takes care of financial matters for Livingston County. He talks about his position with Cynthia Grau.                                               |
| 12/12--The Pontiac Holiday Tournament Seeding on the 7:45 Forum, sponsored by Marci Olson Rich | Pontiac Holiday Tournament Director Jim Drengwitz talks with Todd Wineburner about this year's tournament and the return of some of the best teams in the state. |
| 12/13--The Chamber of Commerce on the 6:45 Forum, sponsored by SOCU                            | Mindi Terrell of the Pontiac Area Chamber of Commerce talks about activities and promotions going on through the chamber.                                        |
| 12/13--District 90 on the 7:45 Forum, sponsored by Marci Olson Rich                            | Pontiac District 90 Superintendent Jon Kilgore joins Todd Wineburner to talk about the latest board meeting and great holiday activities at PTHS.                |

|                                                                                                             |                                                                                                                                                                                         |
|-------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 12/14 Pontiac Christian School on the 6:45 Community Forum, sponsored by SOCU                               | Tim Dial stops by the studios to discuss upcoming events at Pontiac Christian School.                                                                                                   |
| 12/14 Livingston County Public Health Department on the 7:45 Community Forum, sponsored by Marci Olson Rich | Todd talks with Linda Rhodes and Jayme Bradshaw about senior services that are offered at their offices.                                                                                |
| 12/15--The County Engineer on the 6:45 Forum, sponsored by SOCU                                             | Livingston County Engineer Clay Metcalf talks with Cynthia Grau about keeping winter roads open and about staying safe.                                                                 |
| 12/15--Heartland Community College on the 7:45 Forum, sponsored by Marci Olson Rich                         | Becky Gropp and Lauren Bruggenthies-Lott from Heartland Community College talk about what's on campus--in Pontiac as well as Normal.                                                    |
| 12/16--Fairbury History on the 6:45 Forum, sponsored by SOCU                                                | Dale Maley talks with Cynthia Grau about some of his historic restoration efforts in Fairbury.                                                                                          |
| 12/16--The Livingston County Board on the 7:45 Forum, sponsored by Marci Olson Rich                         | Bob Young, newly elected chair of the Livingston County Board, talks with Todd Wineburner about the new position and action taken at the latest board meeting.                          |
| 12/19--Pontiac Police on the 6:45 Forum, sponsored by SOCU                                                  | Pontiac Police Chief Jim Woolford talks with Cynthia Grau about winter safety.                                                                                                          |
| 12/19--The Regional Superintendent on the 7:45 forum, sponsored by Marci Olson Rich                         | Regional Superintendent of Schools for Livingston, Mclean, DeWitt, and Logan counties, Mark Jontry, talks with Todd Wineburner about how school closure decisions are made and more.    |
| 12/20--Representative Tom Bennett on the 6:45 Forum, sponsored by SOCU                                      | State Representative Tom Bennett talks with Cynthia Grau about what is and isn't happening in Springfield.                                                                              |
| 12/20--The Boys and Girls Club on the 7:45 Forum, sponsored by Marci Olson Rich                             | The Executive Director of the Boys and Girls Club of Livingston County, Gary Beckman, talks about what's going on at the club, and about what goes on while the kids are out of school. |
| 12/21--Livingston County War Museum on the 6:45 Forum, sponsored by SOCU                                    | A young Australian was executed by the Japanese during WWII and he had connections to Pontiac. The veterans at the war museum are trying to complete his story. Cynthia Grau has more.  |

|                                                                                              |                                                                                                                                                                                    |
|----------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 12/21--The Livingston County Humane Society on the 7:45 Forum, sponsored by Marci Olson Rich | Karen Gregory talks with Todd Wineburner and reports that there have been some weather setbacks, but they're positive and moving forward into 2017 at the shelter.                 |
| 12/22--Eating Right on the 6:45 Forum, sponsored by SOCU                                     | There are ways to watch what you eat during the holidays. Cynthia Grau talks with Carly Francis from OSF about strategies that work.                                               |
| 12/22--Pontiac District 429 on the 7:45 Forum, sponsored by Marci Olson Rich                 | Superintendent Brian Dukes talks about some unexpected cancellations, holding the line on the district's tax levy, and about new technology available to students in District 429. |
| 12/23--Area history on the 6:45 Forum, sponsored by SOCU                                     | The Livingston County Public Health Department is celebrating 50 years of service. Cynthia Grau has more.                                                                          |
| 12/23--WJEZ on the 7:45 Forum, sponsored by Marci Olson Rich                                 | The holidays are leading to some changes at WJEZ. Cynthia and Cat have more.                                                                                                       |
| 12/27--The Livingston County Sheriff on the 6:45 Forum, sponsored by SOCU                    | Sheriff Tony Childress talks with Cynthia Grau about 2016 and how things went at his department.                                                                                   |
| 12/27--Social Security on the 7:45 Forum, sponsored by Marci Olson Rich                      | Kevin Rice pinch hits for Jack Myers, but he's still helping keep people informed about their Social Security benefits.                                                            |
| 12/28--Fairbury Police on the 6:45 Forum, sponsored by SOCU                                  | Fairbury Police Chief Mark Travis brings two new officers to the studio to talk with Cynthia Grau about the Fairbury law enforcement community.                                    |
| 12/28--The Child Protection Network on the 7:45 Forum, sponsored by Marci Olson Rich         | Executive Director Judy Brucker from the Child Protection Network talks with Todd about the Blue Kid Trees campaign and about some of the things that are in the works for 2017.   |
| 12/29--WJEZ on the 5:45 Forum                                                                | Cat and Cynthia chat about the New Year coming up - VERY soon!                                                                                                                     |
| 12/30--Health Department History on the 6:45 Forum, sponsored by SOCU                        | Cynthia Grau talks with Melinda Hillman, Donnie Simmons, and Linda Rhodes--all from the Livingston County Public Health Department--about the 50 year history of the agency.       |
