Dear Ms. Goldman,

We have completed our review of the response of your client, University of Massachusetts (“University of Massachusetts”), licensee of the above-noted stations, to the February 6, 2020 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission’s Equal Employment Opportunity (EEO) rules. As a result of our review, we find no further action is required. In accordance with Section 73.3527(e)(10), if commercial, or Section 73.3527 (e)(11), if non-commercial, of the Commission’s rules, University of Massachusetts must place a copy of this letter, our February 6, 2020 audit letter, and its audit response in its stations’ public inspection files. It must maintain these materials in the files until granted, by final order, of the next renewal application of its license for the station to which the file relates. Additionally, pursuant to Section 73.3526(e)(10) of the Commission’s rules for commercial station or Section 73.3526(e)(11) for non-commercial stations University of Massachusetts must upload a copy of this letter, our February 6, 2020 audit letter, and its audit response in the stations’ online public inspection files. The materials must remain in the online public files until the next grant of the renewal application of its license for the station to which the file relates.

Should you have any questions regarding this matter, please contact the EEO Staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,

Lewis C. Pulley
