FILED/ACCEPTED  
FEB 18 2009  
Federal Communications Commission  
Office of the Secretary

Dear Ms. Dortch:

On behalf of KDFW License, Inc., licensee of KDFW-DT, Dallas, TX, I wish to inform the Commission pursuant to 47 CFR § 73.1560(d) that due to a technical problem with one of the tubes in the station's main digital transmitter, the station has been operating at reduced power since February 8, 2009. KDFW-DT is working to resolve this problem. However, this situation may last in excess of 10 days. If this situation cannot be corrected within 30 days, we will seek an STA. In any event, we shall notify the Commission at such time as KDFW-DT resumes full-power operation.

Respectfully submitted,

Dianne Smith
