KEOS-FM Broadcast License Renewal Post-Filing Announcement

On July 12, 2005 KEOS was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until August 31, 2013. Our license will expire on August 31, 2013. We filed an application for license renewal with the FCC on March 29, 2013. A copy of this application is available for inspection during our regular business hours. It contains information concerning the station's performance over the last 8 years. Individuals who wish to advise the FCC of facts relating to our renewal application, and to whether this station has operated in the public interest, should file comments and petitions with the FCC by July 1, 2013. Further information concerning the FCC's broadcast license renewal process is available at 202 East Carson Street in Bryan, Texas, or may be obtained from the FCC, Washington, D.C. 20554, www.fcc.gov.
