Sheri, ok, we now have the confirmation back from the FCC that KTAJ-TV is also relieved from having to respond to the EEO Audit letter. Please follow the same steps as with WWTO-TV and have the station put a copy of this exemption in its Public File and post the exemption on the FCC's Public File database. God bless.

Dear Mr. May,

Due to the grant of the license renewal application for KTAJ-TV, it will not need to respond to the audit and we will dismiss the audit and close out the file. On a personal note, in April 2011, I visited Trinity Christian Center in Santa Ana, California, and went through it with a local minister and my son and granddaughter. It is an impressive facility.

Dear Mr. Pulley, an additional station licensed to my client, Trinity Christian Center of Santa Ana, Inc., d/b/a Trinity Broadcasting Network, KTAJ-TV, Saint Joseph, MO (FID #999), which has received an EEO Audit Letter was just recently granted its 2013 renewal (BRCDT-20130926AZQ) on January 28, 2014 (attached). Can you please advise as to whether KTAJ-TV should complete the audit and submit a response by the March 31, 2014 deadline? I assume it is the same circumstance as WWTO-TV, the station we communicated on earlier this week.

Thanks again. Kind regards,

Colby May
