Section I. Issues

The station has identified the following topics as significant issues facing our community in this quarter:

- A. **Motorcycle Awareness/Safety:** With the warmer months come more motorcycles on the roads – with the chance of more wrecks..
- B. **Mental Illness Among Homeless & Veterans:** There's a growing population of homeless in the area and many of those are Veterans – many of which are mentally ill and aren't aware of the resources available locally
- C. **Hunger Within the West Texas Region:** Low-Income individuals and families are constantly in need of assistance with food. West Texas Food Bank assists over 150 food pantries, in over 20 counties, in our area to help subsidize those in need.
- D. **Local Children Removed from Abusive and Criminal Homes:** There are many local children that are displaced because they come from broken, criminal, and unhealthy conditions. New Horizons is a local organization that assists these children in counseling, adoption, and foster services. Most of these children were taken from their families, by CPS, because they're parents are now in prison.
- E. **Wildfire Prevention:** What we can do locally to help raise awareness for wildfire prevention during our extremely hot spring and summer months.
