RE: Middle School Scholarship Challenge

Back for the first time since COVID, as well as the first time airing live, was the Middle School Scholarship Challenge. Middle School Scholarship Challenge is our companion event to the Senior High Scholarship Challenge and is a relaxed, fun event for 7th and 8th grade students. The program was established to “whet the students appetites” for the high school event. At this age level, Challengers participate for a plaque for their school.

We had 10 teams participating, necessitating 2 sessions – one in the morning and one in the afternoon, including the finals. The morning session saw Northeast Bradford go against Athens with Athens advancing. Wyalusing then went against Montrose with Wyalusing advancing. Sayre then went up against Sullivan County and Sayre advanced. Athens went up against Wyalusing and Athens won. Athens and Sayre faced off in the final match of the morning with Sayre securing a berth in the finals match that would be played later that afternoon.
