

Quarterly Issues Report WPTZ-TV/WNNE-TV

Based upon our stations' involvement in the community and input from community leaders and various organizations, we have determined that the following issues are the concerns of the community:

- **Crime/Safety** – Crime, violence, justice and how to protect yourself. There are concerns about increasing levels of crime in our communities. Also, there is a rising concern about how to keep yourself safe from this crime.
- **Environment** – Our region is geographically focused around Lake Champlain, as well as the Adirondack, Green, and White Mountains. The people of our region care deeply about anything that impacts the environment.
- **Health and Medical** – Information about COVID-19, changes in Medicare, the high cost of prescription medication, and the changes in medical technology health and medical continue to be important issues in our region. We have two major teaching hospitals (UVM Medical Center and Dartmouth Hitchcock) as well as (Champlain Valley Physicians Hospital) in our market.
- **Consumer/Economy** – Saving money and avoiding scams is important to our viewers.
- **Issues Affecting Children/Families** – The challenges faced by children, teens, and their parents in dealing with family/school/societal issues.
- **Commitment (2022/Political/Election)** – As elections happen we provide coverage to help viewers make informed decisions.
- **State of Addiction** – Efforts to combat the opioid addiction problem are highlighted in a special series focused on the State of Addiction.
