NATS - PODIUM Charles Busby - State
Representative
" I further ask the board of supervisors to consider
Mr. Guice's assignment complete."

REPRESENTATIVE CHARLES BUSBY MADE
HIS OPINION OF THE COUNTY'S LAWYER
BILLY GUICE CLEAR TODAY AT THE
JACKSON COUNTY BOARD OF SUPERVISORS
MEETING.

ADDRESSED THE BOARD STATING HE
ALREADY ASKED THEM, "NOT TO GO HIRING
ATTORNEYS AND FORENSIC AUDITORS AND
MAKING DEFENDANTS OF YOURSELF."
ALSO POINTING OUT THEY HAVE SPENT
MORE THAN \$340,000 ON ATTORNEYS FEES
WITH GUICE.

Troy Ross - Supervisor District 4

" When it comes to price tag, I don't think we can put a price on how important it is to fix our hospital. We've engaged several experts with Billy, we've engaged Billy Guice and there's lots of people involved and who the money is actually going to and they've developed plans, and they've developed formulas to help make that decision."

RECENTLY, GUICE SPOKE OUT AGAINST A NEW-OPEN HOSPITAL MEETINGS LAW THAT BUSBY HELPED WRITE -- CALLING IT INEFFECTIVE.

Barry Cumbest - Supervisor District 1

" They work hard on these bills and I realize that, but I think we have some good points too. That

the bill does need more work. There's some things in the bill that need to be clarified."

SOME RETIREES TELL NEWS 25, THE OPEN MEETINGS LAW SHOULD BE THE FIRST OF A SERIES OF LEGISLATION PUT IN PLACE FOR FUTURE PROTECTION --LAST FRIDAY A GRAND JURY FOUND NO EVIDENCE OF CRIMINAL WRONGDOING BY THE HEALTH SYSTEM.

Gail Smith - Retiree

" It was disappointing that our CEO was able to fenagle the funds to where he covered himself, and miss-managed our funds so now our state legislators should pass laws now to protect us and these other companies should protect their employees.. It should be an eye opener for them."

THE BOARD ALSO ANNOUNCED TODAY THEY ARE MOVING FORWARD WITH A LAWSUIT AGAINST KPMG SINGING RIVER HEALTH SYSTEM'S FORMER AUDIT FIRM.

Troy Ross - Supervisor District 4

" I'd like to see us win and then we would be able to find a way to recover some of the money that could go into the retirement pension and to the hospital operational funds."

SUPERVISOR MELTON HARRIS INVITED STATE SENATOR BRICE WIGGINS TO DISCUSS THE OPEN MEETINGS BILL BUT WIGGINS DECLINED THE INVITATION.)

(BILLY GUICE - Attorney

"i've had somebody use the analogy of the bad child who goes out and accidentally breaks a window, but fails to tell their mother. He gets in trouble not for breaking the window, which could be fixed. He gets in trouble for failing to tell anybody."

BETWEEN JUNE 10TH AND JUNE 15TH A GRAND JURY IN JACKSON COUNTY HEARD FROM CURRENT AND FORMER SINGING RIVER HEALTH SYSTEM OFFICIALS, AN ATTORNEY, A FORENSIC ACCOUNTANT, AND THE FBI. AFTER HOURS OF TESTIMONY, THE GRAND JURY DECIDED SINGING RIVER HEALTH SYSTEM MADE NO CRIMINAL ACTION BY TERMINATING THE PENSION PLAN....INSTEAD DECIDED WHAT HAPPENED

AT SINGING RIVER WERE BUSINESS
MANAGEMENT DECISIONS.

TONY LAWRENCE - Jackson County District
Attorney

"a lot of those business and management
decisions can be good, bad and they can hurt a
lot of people and in this case some of them did
hurt a lot of people....but that doesn't make it a
crime."

AN 88-MILLION DOLLAR AUDIT ADJUSTMENT
REPORTED IN 2014 CAUSED A LOT OF
SPECULATION ABOUT WHERE THAT MONEY
WENT AND WHAT IT WAS USED FOR, BUT
THE GRAND JURY FOUND NO EVIDENCE OF
EMBEZZLEMENT OR THEFT. AS FOR
TERMINATING THE PENSION PLAN....SINGING

RIVER HELD THE RIGHT TO STOP CONTRIBUTING.

BILLY GUICE - Attorney

"no question but under the terms of the pension trust and the pension plan...they could have terminated in 09...nothing anyone could have done about it. It's in there, in writing."

BUT A MORAL WRONGDOING IS STILL IN QUESTION. THE GRAND JURY EXPRESSED THAT WHILE THE HOSPITAL'S ACTIONS WERE NOT CRIMINAL, RETIREES SHOULD HAVE BEEN INFORMED ABOUT THE STATUS OF THE PENSION PLAN. DISTRICT ATTORNEY TONY LAWRENCE TELLS NEWS 25 HE BELIEVES THE EMPLOYEES AND RETIREES SHOULD GET WHAT THEY WERE

PROMISED AND HOPES WE CAN NOW MOVE
TOWARD A SOLUTION.

TONY LAWRENCE - Jackson County District
Attorney

"the grand jury remarked and I agree with them
that I hope the parties come to a table and solve
this for the employees and retirees."

STARTING JULY 7TH, DRIVERS ALONG
HIGHWAY 90 IN GULFPORT WILL BEGIN
SEEING THE INTSTALLATION OF 15 LARGE
NEW SILO'S ADDED TO THE PORT OF
GULFPORT.
THE SILOS WILL ALLOW FOR MORE
STORAGE AND PROPER SEPARATION OF
THE ILMENITE ORE AND OTHER BULK
MATERIALS.

Jonathan Daniels - Port of Gulfport CEO

" It will be something that really allows us the
opportunity to point to the vertical construction
and the actual facility construction of this bulk
handling facility, so It's something that the public
will be able to see. They will go up very quickly."

STANDUP

" And another milestone for the port, McDermott's pipe production project will begin shortly creating new jobs within this calendar year."

Jonathan Daniels - Port of Gulfport CEO

" That's what we've been pointing to and that's where the jobs really start to occur. We'll still be working with them on what the job figures look like, and also when the hiring would occur, but ultimately you have to put the production facility in first before you can hire the jobs."

THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT GAVE THE PORT THREE YEARS AFTER COMPLETION OF THE RESTORATION PROJECT, OR POSSIBLY LONGER, TO MEET THE JOB REQUIREMENT.

THIS MEANS THE PORT WILL HAVE AT LEAST UNTIL THE END OF 2019 TO CREATE 1300 PERMANENT JOBS.. SOMETHING THE STEPS COALITION HAS BEEN PUSHING FOR QUITE SOME TIME NOW.

Howard Page - STEPS Coalition

" We've always said that every job matters. Every job feeds a family, every job puts someone to work and these are good jobs, so McDermott is very promising for the jobs that they will bring... but the overall job numbers and the overall reason that all of this money is being spent, there still is a concern that all of these job numbers are not being met."

MCDERMOTT WILL ROLL IT'S FIRST PIPE OFF THE LINE SOMETIME LATE DECEMBER OR

EARLY JANUARY.

RECOMMENDATIONS, PROJECTS, AND
PROGRAMS TO REACH A GOAL OF ONE
MILLION OYSTER SACKS A YEAR BY 2025.
EXECUTIVE DIRECTOR OF THE D-M-R,
JAMIE MILLER SAYS IT'S TIME MISSISSIPPI
GETS MORE AGGRESSIVE.

(DID YOU KNOW THE EQUATE NAMEBRAND ANTACIDS YOU BUY AT WALMART ARE MADE RIGHT HERE IN SOUTH MISSISSIPPI? GERI-CARE, THE LARGEST MANUFACTURER OF LIQUID ANTACIDS, PRODUCES THE MAJORITY OF THEIR GOODS IN GULFPORT AND TODAY THE COMPANY BROKE GROUND ON A NEW 178,000 FOOT EXPANSION.

ELI SHINDLER - CEO, Geri-Care
Pharmaceuticals

"we hope to grow it into the best pharmaceutical factory in the county."

GERI-CARE PRODUCTS LINE THE SHELVES IN MANY MAJOR PHARMACIES ACROSS THE COUNTRY AND PART OF THEIR APPEAL IS THAT ALL THEIR PRODUCTS ARE MADE

DOMESTICALLY...EITHER RIGHT HERE IN GULFPORT, OR AT THEIR MAIN FACILITY IN NEW YORK.

MICHELLE GLOECKLER - Executive Vice President, Walmart

"for walmart, american made products have always been part of our heritage and any time you can make something closer to where the customer is, it's really a good thing for business."

KATARINA LUKETICH - News 25

"not only does this expansion mean more products made here locally, Geri-Care also expects it to bring between 100 and 200 more jobs to south mississippians."

GERI-CARE FIRST CAME TO THE COAST IN

2010, WHEN THEY ACQUIRED A DEFUNCT PLANT, WHICH SAVED ALMOST 100 LOCAL JOBS. EXECUTIVES TELL NEWS 25 THEY FELL IN LOVE WITH THE PEOPLE OF THE COAST AND HAVE NO DOUBT THIS IS THE PLACE THEY WANT THEIR COMPANY TO GROW.

ELI SHINDLER - CEO, Geri-Care
Pharmaceuticals

"we were so amazed. We go around the country, but the people here, the work ethic, their dignity is just unparalleled around the country."

CONSTRUCTION ON THE FACILITY EXPANSION WILL BEGIN SHORTLY AND GERI-CARE EXECUTIVES ARE EXCITED TO MAKE THE COAST A MORE PERMANENT HOME FOR

THEIR BUSINESS.

IN GULFPORT, KATARINA LUKETICH NEWS

(DONNA BROWN IS NO STRANGER TO THE TOURISM INDUSTRY, SHE'S BEEN THE GENERAL MANAGER OF GULF HILLS RESORT FOR 14 YEARS.

FOR MONTHS, SHE AND THE ONE COAST FOR JACKSON COUNTY COMMITTEE HAVE BEEN POUNDING THE PAVEMENT...TELLING JACKSON COUNTY RESIDENTS THAT VOTING IN FAVOR OF THE 2% TOURISM TAX IS A VOTE IN *FAVOR* OF THE COMMUNITY.

*DONNA BROWN, CHAIRMAN OF ONE COAST FOR JACKSON COUNTY COMMITTEE
What it means to the coast is Jackson County is now part of the larger picture. The one coast, Mississippi Gulf Coast, which we have been trying to be for so many years, for so long.

A TAX THAT BROWN BELIEVES CAN BOOST
ECONOMIC GROWTH THROUGHOUT THE
COUNTY.

*DONNA BROWN, CHAIRMAN OF ONE COAST
FOR JACKSON COUNTY COMMITTEE
And the regional CVB can promote us, sell us,
bring business in and it's going to be an economic
boom for Jackson County.

NEWS 25 CAUGHT UP WITH SEVERAL
VOTERS TODAY....MOST OF WHOM WERE IN
FAVOR OF THE TOURISM TAX.

*SHEILA GRIECO, JACKSON COUNTY
RESIDENT
I think it's good. We traveled a lot when my

husband was alive and we always paid a tax on all the rooms that we rented and everything and our business. So, it's a good thing for the county.

WHILE ECONOMIC AND TOURISM LEADERS TOUT THE TAX AS A "WIN-WIN" FOR EVERYONE -- SOME VOTERS STILL HAD QUESTIONS.

*QUINN CHASTANT, JACKSON COUNTY RESIDENT

I would like to see if they overcollect the funds needed for the tourism. That was never spelled out.

*BRYAN KENNEDY, NEWS 25

Hotels like Gulf Hills have nothing but positive things to say when it comes to the 2% tax. They

know they'll see increased revenue, but more importantly the tax will increase tourism on the coast and more importantly in Jackson County.

*DONNA BROWN, CHAIRMAN OF ONE COAST FOR JACKSON COUNTY COMMITTEE
It's for the future of Jackson County. We've got so much offer, so much to sell. And to be a part of it is great.

FROM JACKSON COUNTY, I'M BRYAN KENNEDY, NEWS 25.)

GOVERNOR CANDIDATE VICKI SLATER SAYS SHE KNOWS THE FRUSTRATION SINGING RIVER RETIREES ARE FEELING...BECUASE SHE WENT THROUGH IT HERSELF -- AFTER HER HUSBAND'S PENSION DROPPED FROM 33-HUNDRED TO JUST 750 DOLLARS A MONTH

Vicki Slater - Governor Candidate

" I have my own personal experience where my husbands pension disappeared when he worked for Delphi Packard so I'm understanding what these people are going through. They deserve and explanation why and the people responsible should answer for that."

OTHER RESIDENTS SHOWED THEIR SUPPORT FOR RETIREES TODAY, HONKING

THEIR HORNS ALONG HIGHWAY 90 IN OCEAN SPRINGS...WHERE RETIREES WERE PICKETING IN FRONT OF THE HOSPITAL.

(NAT SOUND)

THAT'S WHERE SLATER WALKED UP TO PERSONALLY SPEAK WITH RETIREES.

Irby Tillman - SRHS Retiree

" It means a lot, as a lot of our elected officials haven't been out on this line. They haven't asked us anything other than the board of supervisors which, you know where that goes.. we don't have a voice there."

SLATER SAYS THE PENSION CRISIS IS A BETRAYAL OF PUBLIC TRUST, AND HAS HER

OWN PLANS TO CLEAN UP THE SITUATION --
IF ELECTED.

Vicki Slater - Governor Candidate

" I would first of all set up a legislation so that it would be a criminal offense to not account for public pensions like this and I would get an accounting even if I had to go through some sort of receivership petition for everyone to know exactly what happened and who is responsible."

STANDUP

" After months of coming out here and picketing twice a week, the retirees say that anyone who comes out here and shows support, has got their vote."

Irby Tillman - SRHS Retiree

" All the others, they've not been supportive. I'll vote for anybody that will support what's going on and get to the bottom of this saga."

June Drury - Wife of SRHS Retiree

" She knows first hand what we're facing so I feel that she's sincere and she's going to back us all the way."

THE RETIREES PICKET OUTSIDE OF OCEAN SPRINGS HOSPITAL EVERY TUESDAY AT 2 O'CLOCK. IN OCEAN SPRINGS, KRISTEN DURAND, NEWS 25.

" You're back in the event business."

MATT MC DONNELL IS A BUSY MAN...AND HIS SCHEDULE IS GOING TO GET EVEN MORE CHAOTIC AS HE TASKES OVER THE WHEEL AS THE NEXT COAST COLISEUM DIRECTOR...A ROLE HE'S PRIMED FOR AFTER WORKING NEARLY 30 YEARS ALONG SIDE LONG TIME COLISEUM DIRECTOR BILL HOLMES WHO IS RETIRING.

Matt McDonnell, New Coast Coliseum Director: " I've been fortunate enough to work with Bill for almost 30 years. We've had so many success stories, so many highs, not too many lows, but the few lows we've had we learned from them and came back bigger and stronger."

AS EVIDENCED BY THE MILLIONS OF
DOLLARS IN COLISEUM REPAIRS AFTER
KATRINA...
BUT STILL...

Matt McDonnell, New Coast Coliseum Director:
there have been other challenges. There have
been downturns in the economy. You've had
increased competition from outlying markets, with
bigger, nicer facilities.

Toni Miles: " Mc Donnell officially takes over as
Coliseum Director on July 1st. There are already
big things on the horizon, including building a new
hotel on Coliseum property."

Matt McDonnell, New Coast Coliseum Director: "We really need a 500 room hotel (splice). That's a critical component to grow the business in the convention center. When I tell you we're going to focus more into the sales end of it. "

UNTIL THEN, THE COLISEUM CONTINUES TO SET THE STAGE FOR MAJOR EVENTS LIKE SCRAPIN' THE COAST--AND IN TURN, PUMPING MONEY INTO OUR LOCAL ECONOMY.

Matt McDonnell, New Coast Coliseum Director: "They're eating at our restaurants. They're filling their gas tanks up. They're having a good time, staying at the hotels. That's the economy, and that's what we are here to do, stimulate the economy."

MC DONNELL ACKNOWLEDGES THERE WILL
BE ROAD BLOCKS ALONG THE WAY, BUT AT
THE END OF THE DAY...

" I love my job."

IN BILOXI, TONI MILES, NEWS 25.

ENOUGH IS ENOUGH..THAT'S WHAT THE CITY OF BILOXI IS SAYING TO CONSTANT RATE HIKES FROM MISSISSIPPI POWER -- TO PAY FOR THE SEVERELY OVER-BUDGET KEMPER POWER PLANT.

VINCENT CREEL-BILOXI PUBLIC AFFAIRS.
"what the city wants to do is preserve our right and our ability to be able to be heard. To have a voice on behalf of the city itself, the businesses in Biloxi and the residents in Biloxi."

YESTERDAY BILOXI CITY ATTORNEY, GERALD BLESSEY FILED A REQUEST WITH THE STATE PUBLIC SERVICE COMMISSION TO HAVE A SEAT AT THE TABLE WHEN MISSISSIPPI POWER ASKS FOR ITS NEXT ROUND OF RATE INCREASES.

VINCENT CREEL-BILOXI PUBLIC AFFAIRS

"to be able to ask questions, to be able to offer testimony and cross examine witnesses when this issue moves forward so we're hoping that the Public Service Commission will look favorably upon that."

IN ADDITION TO THE CITY..MOTIONS TO INTERVENE HAVE ALSO BEEN FILED BY SEVEN OTHER BUSINESSES IN SOUTH MISSISSIPPI...INCLUDING WALMART, SAMS CLUB, ISLAND VIEW CASINO RESORT, OMEGA PROTEIN, THE BILOXI FIRM GULF COAST PRODUCE, MOSS POINT FISH PROCESSING PLANT, AND THE AMERICAN SEAFOOD PROCESSORS ASSOCIATION.

*MARK MAVAR-PRESIDENT OF BILOXI
FREEZING AND PROCESSING AND M&M
PROCESSING*

"all of this is a ground swell of support that is just
in its infancy and I think eventually we're going to
see the power company and the public service
commission and our elected officials have to
come to the table and explain this whole situation."

MARK MAVAR, IS PRESIDENT OF TWO
PROCESSING BUSINESSES AND IN THE PAST
TWO YEARS...WHO SAYS HE'S PAID A TOTAL
OF \$117 THOUSAND DOLLARS IN RATE HIKE
TOWARDS THE KEMPER POWER PLANT.

*MARK MAVAR-PRESIDENT OF BILOXI
FREEZING AND PROCESSING AND M&M

PROCESSING*

"I said to myself..this is just not right. That a small business like mine has to pay an additional \$117 dollars in power when we didn't do anything wrong and the rest of the public shouldn't have to pay for a mistake that they didn't make."

BOTH MAVAR AND THE CITY OF BILOXI SAY THIS IS NOT A PERSONAL ATTACK ON MISSISSIPPI POWER, IT'S ABOUT LOOKING OUT FOR THEIR BUSINESSES...THE COAST ECONOMY, AND THE LIVELIHOOD OF ITS CITIZENS.

BESIDES THE SHUCKERS ANTICIPATED HOME OPENER, MANY OTHER FAMILY FUN ACTIVITIES ARE GOING ON THROUGHOUT THE CITY...AND THAT MEANS LIMITED PARKING.

BUT VINCENT CREEL WITH CITY PUBLIC AFFAIRS SAYS IT'S UNDER CONTROL.

PEOPLE GOING TO THE GAME CAN PARK IN THE EAST BILOXI CASINOS AND COAST TRANSIT AUTHORITY BUSES WILL SHUTTLE THEM TO THE STADIUM AND BACK.

AND WHILE SOME BUSINESSES COULD BE WORRIED ABOUT THEIR PARKING LOTS FILLED WITH PEOPLE WHO AREN'T CUSTOMERS...JOHN GRAHAM, GENERAL

MANAGER OF HALF SHELL OYSTER HOUSE-
SAYS HE WELCOMES THE CROWD.

(
WHILE SOME BOATS LINE THE HORIZON-
STILL TRAWLING THE WATERS-OTHERS
RETURNED TO THE DOCKS TODAY TO SELL
THEIR SHRIMP FRESH OFF THE BOAT.

Nats: " Ok. Three dollars. Thank you."

*JESSE FIKUART, ELECTRICIAN FROM
SOUTHERN ILLINOIS*

" We'll probably boil them up tonight, we had a
fishing trip last night and got some fresh fish filets
we're going to cook up also, so we'll have a good
seafood supper"

MANY TOURISTS SAMPLE COASTAL CUISINE
DURING THEIR VISIT, WHILE OTHERS SIMPLY
TAKE THE EXPERIENCE HOME

*TERRY CANNADAY, RETIRED INGALLS
SHIPBUILDER, BROUGHT FAMILY TO VISIT*
" They are going to take it back with them to
columbus, OH, we bought about twenty pounds.
Gorgeous shrimp, they pretty good here, they
caught a lot of them. Gave us plenty of ice, shrimp
look perfect, boy I tell you we gonna really eat
some...well...they going to eat them when they get
back."

LIVING ON THE COAST, IT'S NEVER A
STRUGGLE TO FIND YOUR FAVORITE CATCH,
BUT MANY AROUND THE COUNTRY COME
HERE TO SATISFY THEIR SEAFOOD
CRAVINGS

*DEBORAH TAYLOR, REAL ESTATE AGENT

FROM COLUMBUS, OH*

"real seafood, that's what I'm excited about, and I can't wait to get it home and cook and do everything with it. We're just enjoying it"

RYAN MAHAN

"while locals and tourists are just happy to get their hands on some fresh seafood, many shrimpers feel the high gas prices and smaller shrimp stock will ultimately lead to lower profits this season"

HOAT BUI, SHRIMPER FOR OVER 20 YEARS

"some times it's better, this year I hoped to see more shrimp. Fuel was two \$2.19, shrimp we sell for \$0.50...not good"

WHILE THANKFUL FOR THE EARLY START,

SOME SHRIMPERS TELL NEWS 25 THEY BELIEVE THE SHRIMP WOULD HAVE BEEN BIGGER HAD THE SEASON OPENED A FEW WEEKS LATER...

BUT BIG OR SMALL-THIS FAMILY IS JUST HAPPY TO GET A TASTE OF SOUTH MISSISSIPPI.

TERRY CANNADAY, RETIRED INGALLS SHIPBUILDER, BROUGHT FAMILY TO VISIT
"everything is just lovely down here, so that's why I brought them down here to see how we do it, and they're going to come back!"

IN BILOXI, RYAN MAHAN, NEWS 25.)

(OVER 300 BOATS HIT THE GULF COAST WATERS TODAY....FILLED WITH SHRIMPERS. ONE OF THEM, CHUCK WOLFE WHOSE BEEN IN BUSINESS FOR OVER 30 YEARS.

*CHUCK WOLFE, GULF SHRIMPER

What kind of preparation goes into shrimp season? I've been doing it all my life so I stay prepared.

BUT, SHRIMPERS WEREN'T THE ONLY ONES WORKING THE WATERS. THE DEPARTMENT OF MARINE RESOURCES WAS ALSO OUT TODAY -- THEIR GOAL?? SAFETY.

*CHIEF KEITH DAVIS, DEPT. OF MARINE RESOURCES

We want to keep the fishermen working, but we

want to keep them working in a safe environment. So we make sure that we have a plan in place so that we can go out and insure they have all of the safety gear on board.

BUT, THIS YEAR DMR MAY HAVE FEWER SHRIMPERS TO KEEP AN EYE ON....ISSUING JUST OVER 600 LICENSES LAST WEEK. A HUNDRED LESS THAN LAST YEAR. AND THOSE ON THE WATER TODAY, TOLD NEWS 25 THEY'VE SEEN A SIGNIFICANT DECLINE IN THE SIZE OF THE SHRIMP AND IN THEIR CATCHES. THERE'S ALSO BEEN A DECLINE IN REVENUE DUE TO THE IMPORTING OF SHRIMP FROM OVERSEAS.

*HORRACE CRUTHIRDS, COAST SHRIMPER
I was raised out here. I was raised on a boat.

You can't make a living out here, so I go back over the hill to make a living, but I got to come back and play.

*BRYAN KENNEDY, NEWS 25

Shrimpers have seen a decline over the years in their catch, but there's no doubt there's still one thing that keeps them out here, the love of shrimping.

*CHUCK WOLFE, GULF SHRIMPER

I love it, I love it. I've got three boys that love it, too.

FROM GULFPORT, I'M BRYAN KENNEDY,
NEWS 25.)

20 YEAR OLD BRANDON MCLAURIN WANTS
TO GIVE BACK TO THE COAST BY
RESTORING THE GULF.

HIS FIRST STEP -- JOINING THE
CONSERVATION CORPS.

*BRANDON MCLAURIN, CLIMB CDC
CONSERVATION CORPS

This is actually one way I'm giving back to the
community. You know, even though when money
is absent you can still give effort and it'll go a long
way.

CONSERVATION CORPS MEMBERS ARE
WORKING FOR THE NATURE CONSERVANCY
DURING THIS SUMMER'S SIX WEEK

PROGRAM.

CORPS MEMBERS GET HANDS ON
EXPERIENCE TESTING WATER SAMPLES
AND GATHERING FISH SAMPLES.

*MIKE MURPHY, NATURE CONSERVANCY
One of the limitations at the moment is a lack of trained personnel. So that's what we're doing with these guys. They will come out of here with more skills in this than most other people. And we're hoping, if we had our way, these guys would be conservation professionals in their future.

*BRYAN KENNEDY, NEWS 25
Through CLIMB CDC's Conservation Corps program, students gain hands on experience to become the next gulf restoration experts, but it's

easy to easy to see what's their favorite part.

*BRANDON MCLAURIN, CLIMB CDC
CONSERVATION CORPS

The kayaking, you know getting in the water. You know there's nothing really bad about it. It's really relaxing. Wish I had a fishing pole and go fishing, but I gotta work.

TRAINED WORKERS THROUGH THE
CONSERVATION CORPS COULD BE ONE
STEP TOWARD CREATING A RESTORATION
ECONOMY.

*MIKE MURPHY, NATURE CONSERVANCY
We think that we have the potential to develop a restoration economy here on the Mississippi coast. With oil spill money, I think there's more

potential than there's ever been.

FROM GULFPORT, I'M BRYAN KENNEDY,

THE COMMISSION VOTED EXECUTIVE DIRECTOR JAMIE MILLER THE AUTHORITY TO SET THE START DATE OF THIS YEAR'S SEASON.

MILLER TELLS NEWS IT TAKES MORE THAN JUST PICKING A DAY ON THE CALENDAR.

(
WATCH OUT KRISPY KREME AND DUNKIN'
DONUTS -- AFTER AN 8 WEEK HIATUS
TATONUT IS BACK IN THE RING.

Phelecia Purnell - Tato-Nut Customer

" I've been watching the facebook page like just stalking it, and then last night I came home from class and I saw that they were going to be open today at 7, so I'm like, ' I'm going to be there as soon as they open!'"

THE LINE FOR TATO-NUT IN OCEAN SPRINGS
WAS OUT THE DOOR THIS MORNING WITH
SOME PEOPLE WAITING FOR HOURS JUST
TO GET THEIR HANDS ON THE TASTY TREAT.

Kaleb Williams - Tato-Nut Customer

" I've been wating a long time for these donuts, and they're my favorite food in the whole world right next to pizza."

Jack Pickich - Tato-Nut Customer

" I called every day.. These donuts are going to the gulfport hospital to some angels up there.. Some nurses I told them I'd get them and they're open so I said well I better get them now."

STANDUP

" A back injury left owner David Mohler and the Tato-Nut out of commission for a few weeks, but they're back with new plans and the same favorite donut the community has enjoyed for over 50 years."

David Mohler - Owner

" We've been up here the last four or five days trying to train other people to help us do a lot of the lifting and stuff, moving stuff around and trying to let me let go of some stuff that i've been doing for 33 years."

TATO NUT NOW OPENS AT 7 A.M. INSTEAD OF 5 A.M AND STAYS OPEN UNTIL....WELL.... THEY RUN OUT OF DONUTS. AND MOHLER SAYS WHILE THERE MAY BE CHANGES, NOT TO WORRY, TATO NUT ISN'T GOING ANYWHERE.

David Mohler - Owner

" I'm not leaving the kitchen one way or the other but if I have to show somebody and have to get more help doing it, we're going to make more donuts."

Phelecia Purnell - Tato-Nut Customer

" I don't even know what makes them so good, they're just fluffy, they're good.. I mean you can go to a Krispy Kreme or a Dunkin Donuts and nothing compares. Tato-Nut is just the best."

LIKE OTHER CHARTER FISHERMEN, BOBBY WILLIAMS MAKES HIS LIVING OFF THE WATER, AND HE'S WELL AWARE OF HOW SHORTER FISHING SEASONS BITE INTO HIS PROFITS AND LIVELIHOOD.

BOBBY WILLIAMS, THREE SONS IV CHARTER FISHING

"it hurts us very much because we only had nine days last year, we're trying to get it set up where the charter boat industry has it's own segment for snapper fishing"

WILLIAMS FEELS CHARTER FISHERMEN WOULD BRING IN HUNDREDS OF THOUSANDS OF DOLLARS IN ADDITIONAL

REVENUE IF ALLOWED TO FISH FOR
SNAPPER LONGER, AND WOULD ADHERE TO
CATCH LIMITS BETTER THAN RECREATIONAL
FISHERMEN

*STEVE BOSARGE, COMMISSIONER WITH
DMR*

"there's no enforcement, if you put speed limit
signs up and there are no policemen, nobody is
going to abide by them, and that's what's
happening off shore"

MISSISSIPPI HAS SHALLOW COASTAL
WATERS SO ONE SIZE FITS ALL FEDERAL
POLICIES ON FISHING SEEM UNFAIR TO
ANGLERS. OFFICIALS WITH MARINE
RESOURCES TELL NEWS 25 FEDERAL
REGULATIONS HAVE WORKED SO FAR

JAMIE MILLER, EXECUTIVE DIRECTOR OF MDMR

"generally we think they've done a good job. We need to continue to work on how the science is collected and how that is disseminated."

RYAN MAHAN

"confusing and sometimes contradictory, state and federal regulations regarding red snapper have fueled the debate with local anglers for years, and while many feel that a longer recreational snapper season will benefit south mississippi, some feel more research needs to be done"

STEVE BOSARGE, COMMISSIONER WITH DMR

"i love to catch red snapper, and I hope at some point and time we can finally reign in this sector and put in a managing strategy, what ever it is, whatever it takes to where we know what they are catching."

WHILE THE DEBATE CONTINUES, FISHERMEN WILL KEEP DOING WHATEVER THEY CAN TO MAKE A LIVING OUT ON THE WATER

BOBBY WILLIAMS, THREE SONS IV CHARTER FISHING

"i just hope it all gets worked out and we get back to catching some snapper and bring more customers to the gulf coast"

THE CASINO IS STARTING CONSTRUCTION

DISCOVERS WHAT THEIR GUESTS NEED

HOOKUPS AND SHOWERS.

(CONSTRUCTION IS STILL ON GOING, AND TICKETS ARE SELLING FAST AS WE MOVE CLOSER TO OPENING DAY AT MGM PARK.

Allan Lusk - Box Office Manager

" For opening day, we have about 90% of the tickets gone, we have some down the line, there's been a lot of excitement. We're definitely going very fast, and we'll definitely be a sellout here before long."

OPENING DAY IS STILL SET FOR SATURDAY, JUNE 6TH, BUT TODAY CITY OFFICIALS TELL NEWS 25 IT'S NOT LIKELY THAT JUNE 6TH WILL BE THE DATE FOR THE HOME OPENER.

Vincent Creel - City of Biloxi

" June 6th is apparently out as the opening game because there's just questions about whether or not it can be finished then, and when you do that, you're going to be adding costs to the project because the contractor is going to have to stop work for the baseball games, then he's going to have to start work again..."

CONSTRUCTION FOR THE PARKING GARAGE CONTINUES, BUT THE 350-SPACE STRUCTURE WILL PRIMARILY BE FOR BEAU RIVAGE EMPLOYEES.. SO WHERE ARE BASEBALL FANS SUPPOSED TO PARK?

Vincent Creel - City of Biloxi

" Since day one the organizers of this have said that they could park throughout downtown. There's the Beau Rivage parking garage south of

the Highway, they've also mentioned the Hard Rock parking garage, and the surface parking that we have throughout downtown Biloxi."

MEANWHILE, TALKS OF AN OVERHEAD WALKWAY THAT WOULD CONNECT THE STADIUM GARAGE TO THE BEAU RIVAGE IS STILL IN THE WORKS. THE 2-MILLION DOLLAR PROJECT WILL BE FUNDED COMPLETELY WITH PUBLIC MONEY, BUT NO START DATE HAS BEEN SET FOR IT'S CONSTRUCTION.

Vincent Creel - City of Biloxi

There were a number of things that have taken a long time. If you recall, it was going to be X-amount of dollars, and then all of a sudden the price was higher, and it went past what the city was able to pay. That's why the pedestrian

walkway is being built with state money."

WITH NO OVERHEAD WALKWAY IN PLACE
THOUSANDS OF FANS WILL HAVE TO WALK
ACROSS HIGHWAY 90 TO GET TO THE
BASEBALL STADIUM THIS SUMMER.

(FOR CENTURIES THE AREA THAT WOULD BECOME D'IBERVILLE WAS UNDER FRENCH, BRITISH, AND EVEN SPANISH CONTROL. THEN, IN 1988 D'IBERVILLE OFFICIALY BECAME A CITY AND HAS SEEN STEADY GROWTH EVER SINCE.

BOBBY ELUTERIUS

"ten years ago this city had 51 employees now we have 131. Our budget was 6.6 million, today it's 11.8, and we're continually wanting to grow"

SINCE 2005, D'IBERVILLES SALES TAX REVENUE HAS INCREASED BY 61.7 PERCENT, OR JUST UNDER TWO MILLION DOLLARS, WHERE NEARBY BILOXI ACTUALLY LOST 4.6 PERCENT SINCE 2005. THIS GROWTH IS GOOD FOR D'IBERVILLE

BUSINESS, BUT CAN MAKE POLICING
DIFFICULT

WAYNE PAYNE

"certainly it adds individuals to come into our city,
which we're happy about that, but we need to be
diligent in our effort to protect our citizens and
give them a safe environment to shop and live"

PART OF THE CITIES PLAN IS TO BUILD A
NEWER, MORE CENTRALLY LOCATED
POLICE STATION NEAR THE FIRE STATION
ON LAMEY BRIDGE, CREATING TEN ACRE
PUBLIC SAFETY COMPLEX . AS THE CITY
CONTINUES TO GROW, IT CONTINUES TO
AMAZE THOSE WHO HAD A HAND IN IT'S
DEVELOPMENT

WAYNE PAYNE

"it's very exciting to me to be able to create a police department, build it from the ground up, and be where we are today"

RYAN MAHAN

"this stone on the town green marks the site of the first french settlement established by Pierre Lemoyne d'Iberville in 1699. The area has seen countless leadership changes and devastating natural disasters, but has continued to grow, and as the city adds it's first casino it seems poised to make its mark on the gulf coast"

BOBBY ELUTERIUS

"there's going to be a lot of change in d'iberville coming in the near future, and we want to be a part of that. But we want to manage that change,

we don't want that change to manage us"

ELUTERIUS EXPECTS TOURISM TO BECOME A MAIN INDUSTRY FOR D'IBERVILLE IN THE COMING YEARS. EXPECT TO SEE AN AMUSEMENT PARK, INDOOR SKATING, CART RACING, PROFESSIONAL MINI GOLF, A FIVE MILLION DOLLARS SPORTS COMPLEX AND FORTY THOUSAND DOLLARS WORTH OF BEAUTIFICATION ACROSS THE CITY.

What we have in Gautier is the fact that the community and the government are working together now.

" We have the capacity and we're poised for growth. Sometimes you have to stop and actually celebrate your successes, evaluate your successes so that you can replicate them and that's really what today was about.

MILLENNIALS BORN BETWEEN 1980 AND 2004
ARE NOW THE LARGEST LIVING
GENERATION OF CONSUMERS. AND
CASINOS ARE UPPING THEIR OWN GAME --
TO ATTRACT THIS TECHNOLOGICALLY
ADVANCED GROUP.

Kim Pieper - CEO Digital Brinq

" Millennials engage in a very different way,
they're seeking different experiences, they're
really the first people to have grown up using
computers every day so they experience the world
differently."

SOME HAVE DESCRIBED SLOT MACHINES AS
BORING, ANTI-SOCIAL, AND CONFUSING...
PREFERRING INSTEAD SOCIAL MEDIA BASED

GAMES SUCH AS CANDY CRUSH AND FARMVILLE. CASINO OFFICIALS ARE NOW TAKING NOTICE -- AND GETTING IDEAS.

Gregg Giuffria - CEO G2 Gaming

" They pay money to play the games with no chance to win any money. The future could be those games inside the casino.."

STANDUP

" Millennials spend of average 12 hours a week gaming and that's not in casinos, and officials say bringing in more strategy based games, like Halo and Call of Duty will help get millennials off their couches and on the casino floor."

Gregg Giuffria - CEO G2 Gaming

" Say three or four people come in together, they see the machine's, they sit down, they log in, and

they play the games, with this new technology they will be able to play those games in the casino in a social situation."

AND TO REALLY ATTRACT MORE MILLENNIALS, CASINOS WILL NEED MORE THAN NEW GAMES.

Kim Pieper - CEO Digital Bring

" They're going to go to go to different concerts than baby boomers and seniors want to attend. They are also looking for different types of food as well. About 12 percent of millennials are vegetarians, where baby boomers are just one, so they have to have those different offerings."

NO LONGER DO GAMBLERS HAVE TO
TRAVEL FAR TO PLAY THE ODDS....CASINOS
ARE NOW POPPING UP ALL OVER THE
COUNTY...THE ADDED COMPETITION IS A
GAME CHANGER FOR MANY ESTABLISHED
INDUSTRIES.

HOLLY GAGNON - President & CEO, Pearl River
Resort

"I think it's going through a lot of changes. I know
the northern region is suffering some decline. So
it's an interesting time to be in gaming with new
competition and it keeps us on our toes."

BUT THE ADDED COMPETITION IS NOT
CAUSING US TO LOSE HERE. IN FACT
COAST REVENUES HAVE INCREASED 2.4

PERCENT FROM LAST YEAR....SOMETHING
INDUSTRY EXPERTS ATTRIBUTE TO THE
UPKEEP OF OUR CASINOS.

HOLLY GAGNON - President & CEO, Pearl River
Resort

"there's a lot of renovations going on here on the
coast, some new product. And I think our
customers require some reason to come back and
visit and we can't take that for granted."

KATARINA LUKETICH - News 25

"one thing las vegas executives say makes our
industry so successful is that our coast casinos
here manage to give their floors a sin city feel."

MELISSA PRICE - Senior Vice President of
Gaming, Caesars Entertainment

" One of the things that we hear from customers all the time is that even when they go to a local market, they're looking for that glitz and glamour of the Vegas experience because they might only be able to get there once a year...the properties here have done a really nice job capturing that."

AND WHILE THE GAMING INDUSTRY IS THRIVING HERE ON THE COAST, EXPERTS SAY WE HAVE TO MAKE SURE WE DO NOT BECOME COMPLACENT....AND MAKE THE THREAT OF NEARBY COMPETITION THE DRIVING FORCE BEHIND KEEPING THE ODDS IN OUR FAVOR. IN BILOXI, KATARINA LUKETICH, NEWS 25.)

WELCOME NEWS TODAY AS THE PORT
ANNOUNCED THE RETURN OF A CHICKEN
PROCESSING BUSINESS DESTROYED BY
KATRINA.

-Howard Page - Steps Coalition

" The Steps Coalition has been pushing for this since the port project began. They're going to be exporting Mississippi products, chicken, and it's a business that's created jobs here in Gulfport for many many years so we're really glad to hear that director Daniels has decided to return the chicken business."

Jonathan Daniels - Port of Gulfport Executive
Director

" It's under construction right now. Piles are being

driven in order to be able to support the foundation.. So we're looking at probably the second quarter of 2016, that facility becoming available."

ANOTHER NEW TENANT - TOPSHIP - IS ALSO COMING TO THE PORT AND BRINGING NEW JOBS AND RECENT DREDGING HAS MADE WAY FOR MORE PORT BUSINESS.

Jonathan Daniels - Port of Gulfport Executive Director

" Deeper draft vessels can carry more cargo, more cargo means more time at the dock and ultimately that translates more time for the long shoremen and ultimately more jobs created."

STANDUP

" While an exact number of jobs isn't determined yet, that number is increasing, and a new project that USM is conducting on the port will help determine that number, and the economic impact the port has on the community."

Jack Norris - MS Port Authority Chairman

" From a job standpoint, revenue standpoint, indirect and direct impact so it's really important information for us to gather so that we can.. One, share it with the community so that they know it's a publicly known asset.. They know the value to the community in revenue and jobs."

BEEN DAVID MOHLERS PASSION

David Mohler - Tato- Nut Owner

" I literally do make the donuts and I literally do start the mixer everyday, every batch, and I do more or less get involved in every donut that comes out of the shop."

MOHLER SAYS EVERY DONUT THAT LEAVES
TATO-NUT IS A PART OF HIM, AND HE JUST
DOESN'T FEEL COMFORTABLE WITH THE
BUSINESS RUNNING WHILE HE'S NOT
AROUND, AND THAT'S WHY HE'S DECIDED TO
CLOSE SHOP FOR A WHILE.. DUE TO A
RECENT BACK INJURY.. BUT THE

COMMUNITY IS MAKING IT KNOWN THAT HE IS MISSED...

David Mohler - Tato- Nut Owner

" It's really the passion of other people's stories that drives us to make the donuts that's what it's really always been about, everything else just follows that."

PEOPLE WE SPOKE WITH TODAY IN OCEAN SPRINGS TOLD US, TATO-NUT IS MORE THAN JUST A DONUT SHOP....

Melisa Entrekin - Ocean Springs Resident

" it's one of those places that really just makes our community, and brings us together."

J. B. Morgan - Ocean Springs Resident

" yeah It's very very popular, and not just in Ocean Springs, all around the Gulf Coast. Everybody knows Tato-Nut, everybody."

standup

" Well it's pretty obvious that Ocean Springs residents love their Tato-Nut and for Melisa Entrekin, It's become a family tradition."

Melisa Entrekin - Ocean Springs Resident

"We'll get them unglazed and use them as bread and make them as breakfast sandwiches the next day at my house so it's a family tradition for us and I know for a lot of people as well."

AND HER FAMILY TRADITION DOESN'T HAVE TO STOP.. IT WILL JUST BE PUT ON HOLD.
DAVID MOHLER SAYS THAT DESPITE THE

RUMORS SPREADING.. THE DATE OF THE RETURN IS UP IN THE AIR.. BUT THEY'RE SURE THEY AREN'T GOING ANYWHERE.

David Mohler - Tato- Nut Owner

" We're definitely not moving out of town, we're not closing and we're not for sale basically at this point because I don't know what else I can do but make donuts."

THE HARRISON COUNTY DEVELOPMENT
COMMISSION MET THIS MORNING AND
OFFICIALLY DECLARED THE BILOXI
INDUSTRIAL SEAWAY LANDSLIDE AN
EMERGENCY.

[TAKE VO]

{***VO***}

THIS DECLARATION ALLOWS THE
DEVELOPMENT COMMISSION TO TAKE
IMMEDIATE ACTION TO CREATE A
TEMPORARY FIX FOR THE CANAL.

THE ARMY CORPS OF ENGINEERS IS IN
CHARGE OF THE CANAL AND ESTIMATES IT

SHOULD TAKE 2 TO 3 WEEKS TO REMOVE
THE BLOCKAGE.

THE POSSIBILITY OF THIS PROCESS TAKING
LONGER THAN THE ESTIMATED TIME IS
WHAT CAUSED THE DEVELOPMENT
COMMISSION TO TAKE ACTION.

(A QUARTER OF A MILLION DOLLARS....AS IT STANDS, THAT'S HOW MUCH THE CITY OF BILOXI WILL HAVE TO COUGH UP FOR THE DEFINITE 25 HOME GAMES THE SHUCKERS WILL NOT BE ABLE TO PLAY AT M-G-M PARK.

DAVID NICHOLS - Chief Administrative Officer
"we're hoping that sometime in june we'll be able to get the stadium open, no promises but the fines build up until then."

FOR EVERY HOME GAME THE SHUCKERS CANNOT HOST IN BILOXI THE CITY MUST PAY 10,000 DOLLARS TO THE TEAM. WHILE THE FINES KICK IN STARTING TODAY, SHUCKERS CO-OWNER TIM BENNET TELLS NEWS 25, A DECISION HAS YET TO BE MADE AS TO WHEN THE CITY WILL HAVE TO FORK OVER

THE FINES.

DAVID NICHOLS - Chief Administrative Officer
"it's not budgeted at this point. We'll just have to take it out of what is called the ending fund balance."

KATARINA LUKETICH - News 25
"Right now opening day is set for June 6, but with all of last week's rain, that date may need to be pushed back."

JASON WOLD - Project Executive, Yates Construction
"it's always a possibility. The field obviously is affected by the weather and we have no crystal ball to determine if it's going to keep raining or not."

THIS LEAVES THE POTENTIAL FOR MORE HOME GAMES TO BE MISSED, WHICH COULD ADD UP TO THOUSANDS MORE IN FINES FOR BILOXI.....SOMETHING CITY LEADERS ARE NOT OVERLY CONCERNED ABOUT

ROBERT DEMING - Acting Mayor

"right now what we're seeing in biloxi is an increase in economic activity. Our revenues are up in every angle. i think that the city is going to easily be able to satisfy those financial bourdons.

BUT TODAY, THE SUN IS OUT AND CONSTRUCTION CREWS ARE WORKING TO MEET THE TENTATIVE COMPLETION DATE OF JUNE 6. MEANWHILE, BILOXI OFFICIALS, YATES CONSTRUCTION, AND THE

SHUCKERS WILL MEET NEXT MONTH IN A TEAM EFFORT TO GET THE STADIUM UP AND KEEP THE FINES DOWN. AIMING TO BRING THE SHUCKERS HOME -- TO PLAY ON THEIR OWN FIELD.

IN BILOXI, KATARINA LUKETICH)

FISHERMEN LIKE TAM HYUNH, WHOSE LANGUAGE BARRIERS HAVE MADE IT TOUGHER TO MAKE A COMEBACK AFTER THE BP OIL SPILL, ARE FINDING HELP FROM THE MISSISSIPPI COALITION FOR VIETNAMESE FISHER FOLK AND FAMILIES.

*THAO VU, MS COALITION FOR VIETNAMESE FISHER FOLK AND FAMILIES

One of the ways we help is through direct services or some emergency assistance funds. When we do get a small amount of funding or donations we'll use it perhaps to help impact the fisherman that have faced economic hardships.

HUYNH AND OTHER FISHERMEN CANT AFFORD DECKHANDS, THEREFORE THEY'LL TAKE ANY HELP THEY CAN GET.

SINCE THE SUPPLY IS LOW, COAST SEAFOOD PROCESSORS ARE ABLE TO GIVE FISHERMEN MORE PER CRAB THAN EVER BEFORE.

*KENDALL MARQUAR, PINCHER'S SEAFOOD
We ship most of them out, out of the state. And they're paying a lot more up there because they can't get a supply of them. The supply is way way down so they're paying more so we're handing it over to the fishermen. Try to help them out because the catch is so far down.

*BRYAN KENNEDY, NEWS 25
Before the BP Oil Spill, fishermen used to bring in over 600 pounds of crab a day. Today we weren't out for very long, but we only brought in a little

over 53. To help with the losses, the Mississippi Coalition for Vietnamese-American Fisherfolk and Families helps families compensate for the losses they are now seeing.

THE COALITION FIGHTS TO BRING EVERYONE TO THE TABLE--BP, SCIENTISTS AND FISHERMEN--TO HELP FIND A SOLUTION.

*THAO VU, MS COALITION FOR VIETNAMESE FISHER FOLK AND FAMILIES

Finding ways through things like cooperative research to work with these communities they could definitely greatly contribute to really helping to restore what needs to be done.

FROM BAY ST. LOUIS, I'M BRYAN KENNEDY, NEWS 25

FOR MONTHS NOW, CONFUSED AND FRUSTRATED SINGING RIVER RETIRESS HAVE BEEN TURNING TO THE JACKSON COUNTY BOARD OF SUPERVISORS FOR ANSWERS TO THEIR EMBATTLED PENSIONS. UNTIL TODAY -- WHEN THE BOARD CRACKED DOWN ON RULES FOR PUBLIC COMMENT.

Cynthia Almond - SRHS Retiree

" In the past, we've been able to ask questions, we've been able to banter things back and forth with them, and kind of get some of our frustration out and it's not necessarily that we're taking it out

on them, it's just that they're the only ones that we have to talk to."

AT TODAY'S SUPERVISORS MEETING, BOARD PRESIDENT BARRY CUMBEST ANNOUNCED THEY WILL NO LONGER TAKE QUESTIONS FROM THE PUBLIC -- OR GIVE ANSWERS. ANYONE WHO WISHES TO ADDRESS THE BOARD, WILL BE STRICTLY LIMITED TO THREE MINUTES.

Barry Cumbest - Supervisor District 1

" It's kind of gotten out of hand lately, kind of gotten way outside the bounds where they should be. We've had people asking a lot fo questions. A lot of them are legal questions that don't need to be discussed in there with all the litigation coming up."

STANDUP

" The board of supervisors is not legally obligated to answer any questions, but the retirees feel that that was their only chance of getting any answers."

THE SUPERVISORS SAY THEY ARE WILLING TO ADDRESS QUESTIONS OUTSIDE OF THE BOARD MEETINGS.

Troy Ross - Supervisor District 4

"i'm personally willing to meet with them if they need to meet with someone and voice concerns if they have valid evidence that they think may impact this whole issue.

TODAY'S ANNOUNCEMENT WAS UNPOPULAR WITH BOTH RETIREES, AND GENERALLY

CONCERNED RESIDENTS AT THE MEETING.

THE DEEP SEA IS THE WORLDS LARGEST
NATURAL MUSEUM.
ACCORDING TO MARINEBIO.ORG THERE
COULD BE AS MANY AS 50-MILLION MARINE
SPECIES THAT ARE YET TO BE IDENTIFIED.
THAT'S WHY THE NAUTILUS WILL SOON BE
SAILING OUT OF GULFPORT -- ON A 6-MONTH
JOURNEY TAKING A DEEPER LOOK INTO
WHAT LIES BENEATH THE WATER.

Megan Cook - Leader of Scientific Operations
" We are an exploration vessel whose mission is
to explore parts of the seafloor that humans have
never seen before so we're going to brand new
parts of the world exploring them..There aren't
maps of these places we have better maps of the
moon that we do of our own oceans.."

AND...WITH NEW TECHNOLOGY....YOU GET TO COME ALONG FOR THE RIDE. NEW TECHNOLOGY, LIKE THEIR REMOTELY OPERATED VEHICLES -- HERCULES, AND ARGUS -- WILL HELP THE SCIENTISTS MAKE NEW DISCOVERIES AND AND GIVE CLOSER LOOKS AT AREAS AFFECTED BY THE BP OIL SPILL OF 2010.

STANDUP

" Everyone can be a part of this voyage of discovery as real-time video will be streaming online.. And scientists and the public can virtually step aboard the ship as they share findings, and help direct minute by minute operations."

Megan Cook - Leader of Scientific Operations

" So viewers can tune in anywhere in the world if you have a laptop, a tablet, a smartphone, you can be an armchair explorer and see something that humans have never seen before."

SO YOU CAN VIRTUALLY GET YOUR FEET WET RIGHT THERE WITH THE SCIENTISTS AND RESEARCHERS AS THEY EXPLORE THE DEPTHS OF THE GULF, AND EVEN A POSSIBLE SHIP-WRECK.

Dwight Coleman - Expedition Leader

" There's a couple of different ship-wrecks that we call targets. One has been identified by oil and gas surveys, and it's really just a sonar target. We have no idea what it is. We're hoping to get the permit so that we can go investigate it."
