Title: Springfield Difference Makers

Issues covered: Prevention of drug & alcohol use among teens and young adults

Date/Time: April 20, 2013 / 7:04 AM

Duration: 11 minutes

Description: Kurt Larson, along with his firm Larson Law, contributes a significant amount of time and resources to the mission of Missouri Safe and Sober. They work to inform junior high and high school students the dangers of drugs and alcohol. They also educate parents about dealing with these issues concerning their children.

Title: Springfield Difference Makers

Issues covered: Developing leadership in women, community service

Date/Time: May 18, 2013 / 7:04 AM

Duration: 14 minutes

Description: LeadHer founder Christie Love shares how her passion to reveal the leader in every woman and connect them together while impacting the world for Christ has grown into a worldwide ministry. The local chapter meets regularly to support each other while finding ways to make a positive impact in the community. LeadHer continues to unite women of all ages, church affiliations, and professions together by their faith in God and to help them discover their passion in life and community for Him.

Title: Springfield Difference Makers

Issues covered: Public health & recreation

Date/Time: June 15, 2013 / 7:04 AM

Duration: 12 minutes

Description: Jenny Filmer-Edwards shares about the facilities and programs provided by the Springfield Greene County Park Board. The history begins when our area only had two park and now has numerous facilities, including pools, greenway trails, a zoo, and parks available to the public. The Park board turned 100 this year and had a birthday bash.
