JANUARY 21ST 2008

9 am - The weather. Andrew Adams and Grant Weyman in on the first segment. The audience's complaints, adventures, and triumphs over the snow for the rest of the hour.

10 am - Saturday's results. Including a good chunk of McCain's victory speech. One of the best I have heard. Is McCain someone you can believe in? Is Romney still the frontrunner? Is Huck thankfully done?

11 am - Bin Laden's son. Including some audio of Umar on CNN. We want to know if we should welcome him with open arms here and make him a hero of sorts. What a blow that could be to his dad.

JANUARY 22ND

9 AM- The "crash". How will it affect Utah? Are we overreacting? With sound clips from "The Sopranos", "it's a Wonderful Life", "Cabaret", and a classic from Dubya. A sleepy sounding Jeff Thredgold joins us.

10 AM - Now that the economy is so important, do we need a businessman running the country? Mitt Romney is a businessman. With a nice Romney montage. And a Dem debate recap with highlights of the highlights.

11 AM- The Oscars. There Will Be Blood should sweep. (My opinion). I know you like Night at the Museum but I just don't think it has the depth of an Oscar winner. Clips from the nominees.

JANUARY 23RD

9 AM- State of the State with sound clips. The big issue in Utah is health care. 44% of employers offer it.

10 AM- Students paid to attend after school classes. It's a huge issue. Should we reward students for learning? Doug's passion on the issue was enough. Trying to find some relevant audio. Nothing yet.

11 AM- Polls and polling. John Zogby just flaked on me. Do polls affect your vote? We are going to weave it in with the focus each campaign is taking. With the economy again becoming the biggest issue, as it always does, Romney seems to be the go to guy. His commercials seem to really highlight his business experience. We have those commercials. Also we are going to replay the Romney economy montage.

JANUARY 24TH

9 AM - The stimulus package. What are you going to do with it? The story of the morning. With loads of audio, including reactions, effects, and news clips.

10 AM - Kids payed to improve school performance. With a news clip. Ties in nicely with the stimulus. Got a problem? Throw some money at it.\

11 AM - The Polls with someone from Zogby. The insanity of delegate counting. Three websites had three different totals for each candidate. Romney emerging as the economic candidate. Too much audio to mention. Commercials, Montages, sound drops a plenty.

ALSO, GIULIANI AUDIO FROM YESTERDAY AND HOW EACH CANDIDATE DEALT WITH THE “WOULD REAGAN ENDORSE YOU?” QUESTION. BOOMHAUER (FROM KING OF THE HILL) CLIPS NOW REPRESENT RON PAUL. WHO WON? ONLY 22% OF THOSE APPLYING FOR THESE EXTENDED BENEFITS ARE GAY, BUT THAT IS ENOUGH FOR CHRIS BUTTARS

FEBRUARY 12TH

9 AM – THE CLINTON MACHINE IS ROLLING ON. NOW HILLARY WANTS THE DELEGATES FROM FLORIDA AND MICHIGAN TO COUNT. THAT, COUPLED WITH THE SUPERDELEGATES, AND THE CLINTON BROS. MIGHT JUST STEAL THIS NOMINATION. IF THAT HAPPENS, THE DEMS ARE NO LONGER ALLOWED TO COMPLAIN ABOUT THE 2000 ELECTION.
