Program: Autism

Writers/Producers: Reed Pence

Air Week:  
 7/5/2020  
 Vaccination  
 Violence & Threats  
 Youth at Risk

Studio Production: Jason Dickey

SEGMENT 1: AUTISM AND SUBSTANCE ABUSE

Time Duration

<b>Synopsis:</b>	Studies show that people with autism are twice as likely as others to engage in substance abuse, contrary to previous belief that they are extremely unlikely to use drugs or alcohol. An expert and an author who has used alcohol to cope with his autism discuss the developments and their impact.	1:50	12:20
<b>Host &amp; Producer:</b>	Reed Pence Elizabeth Kunreuther, Clinical Instructor, Univ. of North Carolina Wakebrook Addiction Treatment Center and co-author, Drinking, Drug		
<b>Guests:</b>	Use and Addiction in the Autism Community; Matthew Tinsley, Asperger syndrome patient and co-author, Asperger Syndrome and Alcohol: Drinking to Cope		
<b>Compliance Issues:</b>	autism; disabilities; alcohol and substance abuse and treatment; education		
<b>Links:</b>	<a href="https://www.med.unc.edu/psych/directories/faculty/elizabeth-kunreuther">https://www.med.unc.edu/psych/directories/faculty/elizabeth-kunreuther</a> <a href="http://www.asperger-training.com/matthew-tinsley/">http://www.asperger-training.com/matthew-tinsley/</a>		
<b>SEGMENT 2: CONTACT TRACING AND QUARANTINE: HOW FAR CAN WE GO?</b>			
<b>Synopsis:</b>	The next step in beating the COVID-19 pandemic may be stepped up <b>contact tracing and quarantine of people who've had contact with Covid-positive individuals.</b> However, many people see that as too expensive and intrusive to be practical. An expert discusses how it might work, and how it might not.	15:12	7:45
<b>Host:</b>	Nancy Benson		
<b>Guests:</b>	Dr. Lauren Childs, Asst. Prof. of Mathematics, Virginia Tech Univ.		
<b>Compliance Issues:</b>	public health; consumerism; economics; individual rights; infectious disease		
<b>Links:</b>	<a href="https://sinews.siam.org/Details-Page/choosing-intervention-strategies-during-an-emerging-e">https://sinews.siam.org/Details-Page/choosing-intervention-strategies-during-an-emerging-e</a>		

<b>Program 20-28</b>	<b>Writers/Producers:</b>	<b>Reed Pence</b>
<b>Air Week:</b> 7/12/2020	<b>Studio Production:</b>	<b>Jason Dickey</b>

<b>SEGMENT 1: ORTHOREXIA: OVERDOING A GOOD THING</b>	<b>Time</b>	<b>Duration</b>
<b>Synopsis:</b>		
Therapists report an increase in orthorexia, a not-yet recognized eating disorder where people become fixated on eating only healthy things <b>and/or exercising hours per day. It can take over an afflicted person's life</b> and result in physical symptoms much like anorexia. Experts discuss diagnosis and treatment.	1:50	12:50
<b>Host &amp; Producer:</b>		
Reed Pence Claire Mysko, Chief Executive Officer, National Eating Disorders Assn.; Dr. Jennifer Carter, Clinical Assoc. Prof. of Psychiatry and Behavioral		
<b>Guests:</b>		
Health, Ohio State Univ. Wexner Medical Center; Dawn White, Registered, Licensed Dietician, Timberline Knolls Residential Treatment Center, Lemont, IL		

Compliance Issues: eating disorders; mental health issues; health care; consumerism; youth at risk

National Eating Disorders Assn. Hotline 800-931-2237

## SEGMENT 2: TICK PARALYSIS: WHEN A TICK BITE CAN BE FATAL

Time Duration

Synopsis: Summer is tick season, and tick bites are common. However, bites from a couple of types of ticks can produce paralysis and even death if the tick is not removed quickly. An expert discusses. 15:42 7:15

Host: Nancy Benson

Guests: Dr. Mark Dworkin, Infectious disease specialist, Univ. of Illinois at Chicago School of public health

Compliance Issues: health care; public health; youth at risk; outdoors and environment

Links: <http://publichealth.uic.edu/global-health-program/mark-s-dworkin>

## Program 20-29

Writers/Producers:

Reed Pence

Air Week:  
7/19/2020

Studio Production:

Jason Dickey

## SEGMENT 1: DEALING WITH THE RISE IN OSTEOPOROSIS

Time Duration

Synopsis: Osteoporosis is increasing as America ages. However, fewer people are being tested for bone density and are agreeing to treatment because of side effects of osteoporosis medications. Experts discuss the devastating effects of increased broken bones and what can now be done to prevent them. 1:49 12:33

Host & Producer: Reed Pence

Guests: Dr. Sundeep Khosla, Prof. of Medicine, Mayo Clinic College of Medicine;  
Dr. Ether Siris, Director, Toni Stabile Osteoporosis Center, New York Presbyterian Hospital and Columbia Univ. Medical Center

Compliance Issues: health care; public health; aging; elderly and senior citizens; consumerism

Links: <https://www.mayo.edu/research/faculty/khosla-sundeep-m-d/bio-00078126>  
<https://www.nyp.org/physician/essiris/>

SEGMENT 2: DOCTOR BURNOUT: IT STARTS EARLY		Time	Duration
Synopsis:	Doctors already say they're burned out, but the COVID-19 pandemic is making it worse. A noted physician educator discusses how burnout starts with the way future doctors are taught.	15:24	7:19
Host:	Nancy Benson		
Producer:	Reed Pence		
Guests:	Dr. Saul Weiner, Prof. of Medicine, Pediatrics and Medical Education, Univ. of Illinois at Chicago; Director, Center of Innovation for Complex Chronic Health Care, US Dept of Veterans Affairs and author, On Becoming A Healer: The Journey From Patient Care to Caring About Your Patients		
Compliance Issues:	health care; public health; education; infectious disease		
Links:	<a href="https://chicago.medicine.uic.edu/departments/academic-departments/medicine/academic-internal-medicine-and-geriatrics/people/name/saul-weiner/">https://chicago.medicine.uic.edu/departments/academic-departments/medicine/academic-internal-medicine-and-geriatrics/people/name/saul-weiner/</a>		

<b>Program 20-30</b>	<b>Writers/Producers:</b>	<b>Reed Pence</b>
<b>Air Week:</b> 7/26/2020	<b>Studio Production:</b>	<b>Jason Dickey</b>

SEGMENT 1: PUBLIC HEALTH OFFICIALS RESIGNING UNDER PRESSURE		Time	Duration
Synopsis:	State and local public health officials have been under pressure like never before in the COVID-19 pandemic, as citizens and elected officials push back against tough restrictions designed to curb the virus. Some officials have even been threatened. Feeling their bosses don't have their backs, a higher proportion of officials are quitting than normal, and these essential jobs will be hard to fill with qualified health experts.	1:46	12:31
Host & Producer:	Reed Pence		
Guests:	Dr. Marcus Plescia, Chief Medical Officer, Association of State and Territorial Health Officials; Lori Freeman, CEO, National Association of County and City Health Officials; Theresa Anselmo, Executive Director, Colorado Association of Local Public Health Officials		
Compliance Issues:	health care; public health; public safety; violence and threats; elected officials; infectious disease		
Links:	<a href="https://www.astho.org/StatePublicHealth/ASTHOs-New-CMO-Brings-Clinical-Perspective-to-Public-Health/01-04-18/">https://www.astho.org/StatePublicHealth/ASTHOs-New-CMO-Brings-Clinical-Perspective-to-Public-Health/01-04-18/</a> <a href="https://www.naccho.org/about/chief-executive-officer-lori-tremmel-freeman-mba">https://www.naccho.org/about/chief-executive-officer-lori-tremmel-freeman-mba</a> <a href="http://www.calpho.org/about-us.html">http://www.calpho.org/about-us.html</a>		

SEGMENT 2: PTSD IN CHILDREN		Time	Duration
Synopsis:	Mental health experts once believed that children were too young to remember traumas well enough to suffer much from post-traumatic stress disorder. Now they know that children as young as 2 or 3 can be affected, often for the rest of their lives. An expert discusses PTSD in children and its treatment.	15:19	7:09
Host:	Nancy Benson		
Producer:	Ariana Kraft		
Guests:	Dr. Michael Scheeringa, Prof. of Child Psychiatry and Assoc. Prof. of Clinical Pediatrics, Tulane Univ. School of Medicine		
Compliance Issues:	youth at risk; mental health; family and parenting issues		
Links:	<a href="http://www.infant institute.org/faculty-member/michael-s-scheeringa/">http://www.infant institute.org/faculty-member/michael-s-scheeringa/</a>		

<b>Program 20-31</b>	<b>Writers/Producers:</b>	<b>Reed Pence</b>
<b>Air Week:</b>	<b>Studio Production:</b>	<b>Jason Dickey</b>
8/2/2020		

SEGMENT 1: ELECTROSHOCK THERAPY: I NOT WHAT YOU SEE IN THE MOVIES		Time	Duration
Synopsis:	Electroconvulsive therapy still has a stigma, with the reputation of being a painful, disturbing procedure that wipes out memories and, if movies are to be believed, even creates zombies. Experts explain the reality that ECT is a quiet procedure that provokes a short brain seizure, releasing huge amounts of neurotransmitters to reset the brain in what is the quickest and most dependable treatment for severe and often suicidal depression.	1:47	12:07
Host:	Reed Pence		
Producer:	Ariana Kraft		
Guests:	Dr. Sarah Lisanby, Director, Translation Research, National Institute of Mental Health and Director, NIMH Non-Invasive Neuro-Modulation Unit; Dr. Dan MAixner, Assoc. Prof. of Psychiatry, Univ. of Michigan		
Compliance Issues:	mental illness; health care; public health; technology		
Links:	<a href="https://www.nimh.nih.gov/news/science-news/2015/lisanby-chosen-to-lead-nimh-division-of-translational-research.shtml">https://www.nimh.nih.gov/news/science-news/2015/lisanby-chosen-to-lead-nimh-division-of-translational-research.shtml</a> <a href="https://www.mlive.com/news/ann-arbor/index.ssf/2016/07/u-m-hospital-finds-new-home-fo.html">https://www.mlive.com/news/ann-arbor/index.ssf/2016/07/u-m-hospital-finds-new-home-fo.html</a>		

SEGMENT 2: LUNG TRANSPLANTS: THE LEAST-TRANSPLANTED MAJOR ORGAN		Time	Duration
---	--	------	----------

**Synopsis:** Lung transplants are the least done of all major organ transplants because the lungs are so easily damaged in the death process. A lung transplant surgeon explains, using one particularly difficult case as an example. 14:56 8:03

**Host:** Nancy Benson

**Producer:** Reed Pence

**Guests:** Dr. Abbas Ardehali, Prof. of Surgery and Medicine and Director, Heart, Lung, and Heart and Lung Transplantation, UCLA David Geffen School of Medicine

**Compliance Issues:** organ donors; health care; public health

**Links:** <https://www.uclahealth.org/abbas-ardehali>

Program 20-32		Writers/Producers:	Reed Pence
<b>Air Week:</b>		<b>Studio Production:</b>	<b>Jason Dickey</b>
8/9/2020			

SEGMENT 1: BACK TO SCHOOL 2020: CAN KIDS ATTEND, OR WILL REMOTE LEARNING RULE?		Time	Duration
<b>Synopsis:</b>	Many school districts are delaying decisions on whether students will attend in person or will be taught remotely once again to reduce the risk of COVID-19 to children and staff. Experts discuss the methods under consideration to lower risks and whether that will be enough to open for classes.	1:47	13:03
<b>Host &amp; Producer</b>	Reed Pence		
<b>Guests:</b>	Dr. Nathaniel Beers, President HSC Health Care System and pediatrician, Children's National Hospital; Keith Gambill, President, Indiana State Teachers Association		
<b>Compliance Issues:</b>	public health; children & youth at risk; education; labor issues; parenting issues; education		
<b>Links:</b>	<a href="https://hschealth.org/about/leadership/board/nathaniel-beers">https://hschealth.org/about/leadership/board/nathaniel-beers</a> <a href="https://www.ista-in.org/get-to-know-keith-gambill-ista-president">https://www.ista-in.org/get-to-know-keith-gambill-ista-president</a>		

SEGMENT 2: WORK-AT-HOME BURNOUT AND "ZOOM FATIGUE"		Time	Duration
<b>Synopsis:</b>	People working at home may have no commute and can work in their pajamas, but they may find themselves more exhausted than when they worked at the office. Two experts discuss reasons for this fatigue patterns of working at home and the surprising stress of virtual meetings.	15:52	6:59
<b>Host:</b>	Nancy Benson		
<b>Producer:</b>	Reed Pence		
<b>Guests:</b>	Dr. Greg Hammer, Prof. of Pediatrics and Anesthesiology, Stanford Univ. Medical School and author, Gain Without Pain: The Happiness Handbook for Healthcare Professionals; Dr. Priti Shah, Prof. of Psychology, Univ. of Michigan		

Compliance Issues: employment; workplace issues

Links: <https://profiles.stanford.edu/gregory-hammer>

<https://sites.lsa.umich.edu/shah-lab/people/>

Program 20-33	Writers/Producers:	Reed Pence
<b>Air Week:</b> 8/16/2020	<b>Studio Production:</b>	<b>Jason Dickey</b>

SEGMENT 1: WHO GETS A VACCINE?	Time	Duration
<b>Synopsis:</b> Development of a Coronavirus vaccine is proceeding at a breakneck pace. What needs to happen to make sure it's safe and effective? And if a vaccine is successfully made, who should get it first? Will enough people opt in to get back to normal life, or will COVID-19 be with us for years? Experts discuss.	1:50	13:08
<b>Host &amp; Producer:</b> Reed Pence		
<b>Guests:</b> Lawrence Gostin, University Prof. of Health Law and Director, O'Neill Institute of National and Global Health Law, Georgetown Univ.; Dr. Jacob Appel, Director of Ethics Education in Psychiatry, Icahn School of Medicine, Mt. Sinai, New York		
<b>Compliance Issues:</b> public health; public safety; federal government; economics; first responders; minority issues; ethics; vaccination; infectious disease		
<b>Links:</b> <a href="https://oneill.law.georgetown.edu/faculty/Lawrence-Gostin/">https://oneill.law.georgetown.edu/faculty/Lawrence-Gostin/</a> <a href="https://www.mountsinai.org/profiles/jacob-m-appel">https://www.mountsinai.org/profiles/jacob-m-appel</a>		

SEGMENT 2: STRESS AND TYPE 2 DIABETES	Time	Duration
<b>Synopsis:</b> A new study shows that people who have type 2 diabetes and are under chronic stress are more likely to have high blood sugar. The study's lead author and a patient discuss how stress can make diabetes worse and what people can do to counteract it.	16:00	6:55
<b>Host:</b> Nancy Benson		
<b>Producer:</b> Reed Pence		
<b>Guests:</b> Janice Harris, diabetes patient; Dr. Joshua Joseph, Asst. Prof. of Medicine, The Ohio State Univ. Wexner Medical Center		
<b>Compliance Issues:</b> health care; public health		
<b>Links:</b> <a href="https://medicine.osu.edu/find-faculty/clinical/internal-medicine/joshua-joseph-md">https://medicine.osu.edu/find-faculty/clinical/internal-medicine/joshua-joseph-md</a>		

Program 20-34	Writers/Producers:	Reed Pence
<b>Air Week:</b> 8/23/2020	<b>Studio Production:</b>	<b>Jason Dickey</b>

SEGMENT 1: READING OUR MASKED FACES		Time	Duration
Synopsis:	With faces hidden behind masks for COVID-19, we are losing some of the visual information we depend on for smooth communication. Experts discuss the awkward encounters and specific looks we're likely to misinterpret when we can't see other people's mouths.	1:50	12:52
Host & Producer	Reed Pence		
Guests:	Dr. David Matsumoto, Prof. of Psychology, San Francisco State Univ. and Director, Humintell; Dr. Rebecca Brewer, Senior Lecturer in Psychology, Royal Holloway Univ. of London		
Compliance Issues:	interpersonal relations; communications; infectious disease		
Links:	<a href="https://www.humintell.com/dr-david-matsumoto/">https://www.humintell.com/dr-david-matsumoto/</a> <a href="https://pure.royalholloway.ac.uk/portal/en/persons/rebecca-brewer(65862865-a25e-49c0-8b14-1ad2c4d39aef).html">https://pure.royalholloway.ac.uk/portal/en/persons/rebecca-brewer(65862865-a25e-49c0-8b14-1ad2c4d39aef).html</a>		
SEGMENT 2: LISFRANC INJURIES: NOT JUST A SPRAINED FOOT OR ANKLE		Time	Duration
Synopsis:	People who injure their foot often think they have a mere sprained foot or ankle when they actually have an injury that is potentially much more severe and disabling if not treated. Experts explain the Lisfranc joint and injuries that can hurt it.	15:42	7:19
Host:	Nancy Benson		
Producer:	Ariana Kraft		
Guests:	Dr. Mark Hardy, Balance Foot and Ankle Wellness Center, Lakewood, OH; Dr. Bryan Waxman, orthopaedic surgeon, Illinois Bone and Joint Institute		
Compliance Issues:	health care; sports and recreation; disabilities		
Links:	<a href="http://www.balancecle.com/balance-foot-and-ankle/staff/dr-mark-hardy-dpm-facfas/">http://www.balancecle.com/balance-foot-and-ankle/staff/dr-mark-hardy-dpm-facfas/</a> <a href="https://www.ibji.com/doctors/waxman-bryan-md/">https://www.ibji.com/doctors/waxman-bryan-md/</a>		

<b>Program 20-35</b>	<b>Writers/Producers:</b>	<b>Reed Pence</b>
<b>Air Week:</b> 8/30/2020	<b>Studio Production:</b>	<b>Jason Dickey</b>

SEGMENT 1: PLANNING FOR THE NEXT PANDEMIC		Time	Duration
Synopsis:	The next pandemic is only a matter of when and what, according to health security experts, who here discuss what's needed to be ready for a variety of possible pandemics and infectious threats, both natural and terror.	1:47	13:03
Host & Producer	Reed Pence		
Guests:	Dr. Dennis Hruby, Chief Scientific Officer, SIGA Technologies; Dr. Phil Gomez, CEO, SIRI Technologies		
Compliance Issues:	public health; public safety; federal government; disasters and preparedness; health care; terrorism; national defense; infectious disease		
Links:	<a href="https://www.siga.com/about-siga/">https://www.siga.com/about-siga/</a>		

SEGMENT 2:	THIRD WORLD MEDICINE	Time	Duration
Synopsis:	Medicine in the Third World is vastly different than in the US, and American doctors sometimes run into unexpected hurdles when they try to bring modern medicine to impoverished nations. One such doctor describes his efforts.	15:52	6:54
Host:	Nancy Benson		
Producer:	Polly Hansen		
Guests:	Dr. Aaron Berkowitz, Director of Global Health, Kaiser Permanente School of Medicine and author, <i>One By One By One: Making a Small Difference Amid a Billion Problems</i>		
Compliance Issues:	health care; public health; poverty		
Links:	<a href="https://naturemicrobiologycommunity.nature.com/posts/changing-lives-one-by-one-by-one">https://naturemicrobiologycommunity.nature.com/posts/changing-lives-one-by-one-by-one</a>		

<b>Program 20-36</b>	<b>Writers/Producers:</b>	<b>Reed Pence</b>
<b>Air Week:</b> 9/6/2020	<b>Studio Production:</b>	<b>Jason Dickey</b>

SEGMENT 1:	THE LOOMING "HOTHOUSE EARTH"	Time	Duration
Synopsis:	Rising global temperatures have produced extreme weather and a rising sea level. Climate scientists fear we may soon reach the point of no return, resulting in a hothouse with large portions of the planet uninhabitable. Authors of a major report on this phenomenon explain.	1:47	12:48
Host & Producer	Reed Pence		
Guests:	Dr. Diana Liverman, Prof. of Geography and Development, Univ. of Arizona; Dr. Katherine Richardson, Prof. of Biological Oceanography and leader, Sustainability Science Center, Univ. of Copenhagen; Dr. Kristina Dahl, Senior Climate Scientists, Union of Concerned Scientists		
Compliance Issues:	environment; pollution; climate change; flooding; federal government; economics		
Links:	<a href="https://www.environment.arizona.edu/diana-liverman">https://www.environment.arizona.edu/diana-liverman</a> <a href="https://www.ecsj2017.com/profile/katherine-richardson">https://www.ecsj2017.com/profile/katherine-richardson</a> <a href="https://www.ucsusa.org/bio/kristina-dahl#.W5Khv1KZPOY">https://www.ucsusa.org/bio/kristina-dahl#.W5Khv1KZPOY</a>		

SEGMENT 2:	IMPOSTER SYNDROME	Time	Duration
Synopsis:	Many people who are smart, talented and successful still believe they are incompetent on the inside and that others will eventually find out. This <b>imposter syndrome</b> can undermine careers and lead to psychological distress. Two noted experts in the field discuss origins and how to deal with the phenomenon.	15:37	7:05
Host:	Nancy Benson		
Producer:	Ariana Kraft		

**Guests:** Dr. Valerie Young, founder, impostersyndrome.com and author, The Secret Thoughts of Successful Women: Why Capable People Suffer from the Imposter Syndrome and How to Thrive In Spite of It; Dr. Pauline Rose Clance, Prof. Emeritus, Georgia State Univ.

**Compliance Issues:** mental health; business and industry; education; parenting issues

**Links:** <https://impostorsyndrome.com/valerie-young/>

<b>Program 20-37</b>	<b>Writers/Producers:</b>	<b>Reed Pence</b>
<b>Air Week:</b> 9/13/2020	<b>Studio Production:</b>	<b>Jason Dickey</b>

SEGMENT 1:	OVERWORKED PHARMACISTS: MISTAKES WAITING TO HAPPEN?	Time	Duration
<b>Synopsis:</b>	Pharmacists are often asked to do more work in less time than they need, and some experts worry it's causing medication mistakes. A pharmacist specializing in medication safety discusses pressures on pharmacists and what consumers can do to protect themselves.	1:43	11:15
<b>Host &amp; Producer</b>	Reed Pence		
<b>Guests:</b>	Michael Gaunt, Medication Safety Analyst and Editor, Institute for Safe Medication Practices		
<b>Compliance Issues:</b>	consumer safety and consumerism; health care; economics; business and industry		
<b>Links:</b>	<a href="https://www.ismp.org/staff/michael-j-gaunt-pharmd">https://www.ismp.org/staff/michael-j-gaunt-pharmd</a>		

SEGMENT 2:	THE ANGER EPIDEMIC	Time	Duration
<b>Synopsis:</b>	Psychologists say there's more anger in our society than ever. But they say that should be no surprise, since anger is often a reaction to uncertainty and fear. Two experts discuss the genesis of anger, how it serves a purpose, and how it can be controlled.	14:00	7:54
<b>Host:</b>	Nancy Benson		
<b>Producer:</b>	Reed Pence		
<b>Guests:</b>	Dr. Jean Kim, Asst. Prof. of Psychiatry, George Washington Univ.; Dr. Ray Novaco, Prof. of Psychological Sciences, Univ. of California at Irvine		
<b>Compliance Issues:</b>	mental health; interpersonal relations		
<b>Links:</b>	<a href="https://www.psychologytoday.com/us/experts/jean-kim-md">https://www.psychologytoday.com/us/experts/jean-kim-md</a> <a href="https://faculty.sites.uci.edu/novaco/">https://faculty.sites.uci.edu/novaco/</a>		

<b>Program 20-38</b>	<b>Writers/Producers:</b>	<b>Reed Pence</b>
----------------------	---------------------------	-------------------

**Air Week:**  
9/20/2020

**Studio Production:** **Jason Dickey**

SEGMENT 1: MORE PETS IN THE PANDEMIC		Time	Duration
<b>Synopsis:</b>	Pets are a comfort in difficult times, and the pandemic is no exception. Animal shelters report a surge in pet adoptions, especially puppies, in the last six months, and veterinarians are having to adopt procedures such as telemedicine to deal with the increase while still staying safe. Experts explain how adopting and training a new pet has changed in the pandemic.	1:48	12:36
<b>Host &amp; Producer</b>	Reed Pence		
<b>Guests:</b>	Christina Morrison, Director of Development, West Suburban Humane Society, Downers Grove, IL; Dr. Katie Stover, veterinarian and owner, Red Barn Animal Hospital, Hampshire and Gilberts, IL; Dr. Douglas Kratt, veterinarian, LaCrosse, WI, and President, American Veterinary Medical Assn		
<b>Compliance Issues:</b>	consumerism; pets and people; animal health; public health; infectious disease		
<b>Links:</b>	<a href="https://wshs-dg.org/about-us/who-we-are">https://wshs-dg.org/about-us/who-we-are</a> <a href="https://redbarnpetvet.com/">https://redbarnpetvet.com/</a> <a href="https://www.avma.org/about/avma-staff-leadership/douglas-kratt-dvm">https://www.avma.org/about/avma-staff-leadership/douglas-kratt-dvm</a>		

SEGMENT 2: KIDS' QUESTIONS ABOUT COVID-19		Time	Duration
<b>Synopsis:</b>	Children are living through a scary time right now and often have little understanding of why their world has been turned upside down. A noted <b>public health expert explains what he's found about children's concerns</b> of the pandemic and how parents can answer their questions.	15:26	7:01
<b>Host:</b>	Nancy Benson		
<b>Producer:</b>	Reed Pence		
<b>Guests:</b>	Dr. William Haseltine, Chairman and President, Access Health International and author, A Family Guide to Covid: Questions and Answers for Parents, Grandparents and Children and A Covid Guide to Back to School: Questions and Answers for Parents and Students		
<b>Compliance Issues:</b>	children and youth at risk; education; family issues; infectious disease; parenting

9/27/2020

SEGMENT 1: OBESITY BIAS IN MEDICINE		Time	Duration
<b>Synopsis:</b>	Studies show that medical professionals are as biased as the rest of us against people who are overweight, resulting in lectures, misdiagnoses, and patients who start avoiding the doctor. Experts explain the problem, results, and what might be done about it.	1:49	13:15
<b>Host &amp; Producer</b>	Reed Pence		
<b>Guests:</b>	Dr. Rebecca Puhl, Prof. of Human Development and Family Studies, Univ. of Connecticut and Deputy Director, Rudd Center for Food Policy and Obesity; Dr. David Katz, Director, Yale-Griffin Prevention Research Center, Yale Univ. and Founder, True Health Initiative; Kathy Kater, psychotherapist specializing in body image, eating and weight issues		
<b>Compliance Issues:</b>	health care; public health; discrimination; obesity; education		
<b>Links:</b>	<a href="http://www.uconnruddcenter.org/faulty-and-staff-rebecca-puhl">http://www.uconnruddcenter.org/faulty-and-staff-rebecca-puhl</a> <a href="https://davidkatzmd.com">https://davidkatzmd.com</a> <a href="http://bodyimagehealth.org/about-the-author">http://bodyimagehealth.org/about-the-author</a>		
SEGMENT 2: RHEUMATOID DISEASES		Time	Duration
<b>Synopsis:</b>	Rheumatoid diseases number around 100, though arthritis is the most well known. They can be crippling and sometimes even fatal, but good treatments exist. The key is early detection, as an expert explains.	16:06	6:52
<b>Host:</b>	Nancy Benson		
<b>Producer:</b>	Reed Pence		
<b>Guests:</b>	Dr. Kanika Monga, rheumatologist, Univ. of Texas-Health Science Center, Houston		
<b>Compliance Issues:</b>	health care; public health		
<b>Links:</b>	<a href="https://www.doximity.com/pub/kanika-monga-md">https://www.doximity.com/pub/kanika-monga-md</a>
