We covered these issues and concerns in the following ways:

-Locally produced newscasts, including weather and sports, are broadcast each Monday through Friday (except New Year's Day and President's day) at 5a, 5:30a, 6a, 6:30a, 7a, 7:30a, 8a, and 8:30a.

-Employment;

Weekly, a representative from The Sutter County One-Stop (a government-funded employment and career center) comes in to record a 60 second feature called "Job Hotline". This airs, at no charge to the One-Stop, throughout all day-parts Monday through

Thursday for a total of 24 plays. (Audio available through the calendar year on the KKCX newsroom computer desktop in the folder labeled, "Job Hotline".)

Local non-profit fundraiser and awareness events:

These are covered in several formats;

- 1) Occasionally in news casts (particularly health events such as blood drives).

- 2) Public Service Announcements recorded by someone involved with the group or event in question. There are generally no fewer than 4 and no more than 10 of these 30 to 60 second free spots running in equal rotation throughout all dayparts for a total of 147 plays a week. (Audio of all PSA's is available through the calendar year on the KUBA newsroom computer desktop in the folder labeled, "psa's").

- 3) Weekend Updates ("W's") are recorded by local announcers and air Thursday through Sunday, a total of 65 plays. (Audio is available through the week following their recording on the KKCX computer cartwall in #'s 26033-26036)

- 2) Special Broadcast events. KUBA once again this year was part of the Children's Miracle Network, raising money for nearby UC Davis Children's Hospital. This marks the third successive year KUBA broadcast live at the Yuba City IHOP – Home of 'Free Pancake Day' as that facility served as ground-zero for donations to the above mentioned charity. KUBA Morning Host and Program Director, Willie B, along with his daughter Lilly-Bud (part of the KUBA Promotions department) did the entire morning show from the Yuba City IHOP on Tuesday March 12th, 2019 – And once again this

year, that location raised more money for the CMN than any other IHOP across the entire United States. KUBA is honored to have such an opportunity to help raise much needed funds for this organization!

Weather: We receive our forecasts from the National Weather Service, and deliver it in summarized form with station announcers at least twice an hour, every day including holidays and weekends.

Traffic: We provide in-house-produced updates prior to each newscast through reports from local law enforcement, and from listeners verified through local law enforcement.

Animal Welfare;

Weekly, a representative from Sutter Buttes Canine Rescue (a local non-profit, no-kill animal shelter) comes in to record a 60 second feature called "Pet of the Week". This airs, at no cost to the shelter, throughout all day-parts Monday through Thursday for a total of 26 plays. (Audio available through the calendar year on the KUBA newsroom computer desktop in the folder labeled, "Pet of the Week".)

Sports;

A local sports report follows each bottom of the hour newscast. Additionally, every other Monday, KUBA designates a local Team of the week culled from listener nominations. A recorded feature (30-60 seconds) airs honoring the team throughout the 2 week period for a total of 15 plays per week. (Audio available through the calendar year on the KUBA newsroom computer desktop in the folder labeled, "teamsoweeek".)

Community Involvement;

Program Log for *Viewpoints*

Every other Tuesday, KUBA designates a local Community Hero culled from listener nominations. A recorded feature (60 seconds) airs honoring the hero for a total of 23 plays per week. (Audio available through the calendar year on the KUBA newsroom computer desktop in the folder labeled, "Community Hero".)

General:

We broadcast 2, 30 minute programs from Media Tracks Communications of Des Plaines, Illinois; "Viewpoints", which airs every Sunday Morning at 6, and "Radio Health Journal" which follows at 6:30.

14:00	SEGMENT 2: Using the ‘Voices in Your Head’
8:40	

Synopsis: Hearing voices in your head comes with an unfortunate stereotype that you must be mentally ill. However, experts tell us the “voices in your head” can be used to talk to, and about, yourself in a healthy, productive way. In fact, most people hear voices in their head and already use inner speech on a daily basis. We discuss tips and techniques to use “self-talk” as a way to get yourself through tough decisions and lower stress.

Host: Marty Peterson. Guests: Dr. Charles Fernyhough, author, *The Voices Within: The history and science of how we talk to ourselves*; Dr. Ethan Kross, Professor of Psychology at the University of Michigan
