Program:

NewsNet

Length 24/7 Oct 1-December 31, 2023

NEWSnet is a 24/7 national news channel with a focus on the headlines, delivering national and international news, weather, and sports every half hour. When news breaks, NEWSnet provides the latest details without speculation or analysis, just the facts in a concise format, with an update each half-hour as a story unfolds.

NEWSnet covers the latest headlines, breaking news, weather, and sports from across the nation and the world. Whether your viewers are looking for breaking news, crucial weather information, the day's top sports highlights, or the latest in health, technology, or entertainment, we have them covered.
