

11-4-16

OPENING INTRO: Hey, welcome to the first ever YCN Sports Wrap where we take a look at highlights from the week of local high school sports. I'm your host Andrew Zurheide thanks for tuning in.

1st PKG - GIRLS SOCCER: Fall Mountain vs. Hillsboro-Deering, Semifinals 11-1-16

Intro: Well on Tuesday afternoon, the Fall Mountain wildcats and the Hillsboro-Deering Hillcats faced off in Laconia for the division two girls soccer semi-finals. Fall Mountain held the number one seed while Hillsboro came in with the fourth seed. The wildcats had beaten Hillsboro twice already this season so the Hillcats were hoping for some revenge. Let's see who was able to get the win and advance into the finals.

PKG 4:23

Outro: Fall Mountain remains undefeated on the season at 17, 0 and 1 and have outscored opponents 68 to 22 on the year. They advance into the finals where they'll take on 6th seed Belmont on Sunday at 4pm back in Laconia.

After the break, we'll check out some exciting John Stark and Hanover football action from last week. Stay with us.

2nd PKG - FOOTBALL: John Stark @ Hanover, 10-28-16

Intro: Welcome back. Well last Friday night, the Hanover Marauders football team hosted the John Stark Generals in a battle for the number 1 seed in division two going into the playoffs. Let's see how this game went and who came out victorious.

PKG 3:03

Outro: Hanover and John Stark both finish the regular season with records of 8 and 1. Be sure to check out their quarterfinal final games this weekend.

When YCN Sports Wrap returns, we'll hear what the John Stark football head coach had to say after his teams big win as part of our coach's corner segment. We'll be right back.

3rd PKG - COACH'S CORNER: John Stark head football coach Rod McQuarrie

Intro: Thanks for staying with us. Welcome to this week's installment of Coach's Corner, brought to you by Bubba's Bar & Grille. Well after the John Stark Generals football team beat the Hanover Marauders last Friday night, the Generals head coach Rod McQuarrie gave YCN his thoughts about the big win and what his team has to do to go far into the playoffs.

PKG 1:55

Outro: John Stark currently holds the two seed and they'll take on seventh ranked bow tomorrow for the division two quarterfinals.

When we come back, we'll take a look at the Stevens boys soccer team as they take on Belmont for the division three semifinals. Stick with us.

4th PKG - BOYS SOCCER: Stevens vs. Belmont, Semifinals 11-2-16

Intro: Welcome back. Last Wednesday night, the Stevens Cardinals faced off in Laconia against the Belmont Red Raiders for the division two boys soccer semifinals. Stevens came in with the two seed while Belmont held the sixth seed. Some would say that Stevens regular season schedule was weaker than most so their number two seed was inflated. The Cardinals were out to prove themselves so now let's check out how the game went and who's moving on to the finals.

PKG 5:22

Outro: The Cardinals are now 17 and 2 on the season but one of those losses came against Hopkinton who they'll face in the finals. Stevens hasn't been to the finals in 27 years so this could be a historic game if the Cardinals come out on top.

We're going to take a quick break but when YCN Sports Wrap returns we'll have another exciting semifinal soccer game for you, this time it's the female Lakers of Sunapee taking on the Patriots of Profile School. You won't want to miss it.

5th PKG - GIRLS SOCCER: Sunapee vs. Profile School, Semifinals 11-3-16

Intro: Thanks for staying with us. Well last night, the number 1 seed undefeated Sunapee girls soccer team took on the Profile School Patriots who held the 4th seed during the division four semifinals in Laconia. The Lakers have a very strong offense but even stronger is their defense as Sunapee has only allowed a total of 5 goals over the course of 17 games so far. Let's see if the Patriots were able to hand the Lakers their first loss of the year.

PKG 4:45

Outro: The Lakers have outscored opponents 94 to 6 on the season, a ridiculous margin. They advance to take on sixth seed, Colebrook on Sunday, back at Laconia high school. Sunapee beat Colebrook during the season opener 7 to 1 so look for the Lakers to have a similar outcome on Sunday.

CLOSING OUTRO: Well thanks so much for tuning in to YCN Sports Wrap. Join us again next Friday at 7pm.

11-11-16

1st PKG - BOYS SOCCER: Stevens vs. Hopkinton, D3 Championship @ SNHU

Intro: We'll start of tonight by taking a look at the NHIAA division three boys soccer championship matchup between the Hawks of Hopkinton and the Cardinals of Stevens.

PKG 6:47

When we come back on YCN Sports Talk we'll take a look across state lines at the Vermont VPA division 1 football semifinals featuring Hartford and Middlebury. Stick with us.

2nd PKG - FOOTBALL: Middlebury @ Hartford, D1 Semifinals

Hartford came in with the number one seed with a record of 8 and 1 while Middlebury held the 5th seed with a record of 6 and 3. Let's see who was able to get the victory and move on to the championship.

PKG 3:25

Outro: Either Hartford or Middlebury has played in the division one finals 9 out of the last ten years and this obviously will continue once again with the Hurricanes taking on Champlain Valley in the championship.

We're going to take a quick break but when YCN Sports Wrap returns we'll be taking a look at what Hartford's head football coach had to say about his team's semifinal victory in this week coach's corner. Don't go anywhere.

3rd PKG - COACH'S CORNER: Hartford football head coach, Matt Trombley

Intro: Thanks for sticking with YCN sports wrap, I'm your host Andrew Zurheide. Welcome to another installment of Coach's Corner brought you by Bubba's Bar and Grille. This week we'll be taking a look at what Hartford's head football coach, Matt Trombley had to say about his team's big semifinal victory over Middlebury.

PKG 1:42

Outro: The Hurricanes will take on Champlain Valley in the VPA division 1 championship in Rutland, Vermont.

When we come back on YCN Sports Wrap, we'll be taking a look at the division two boys soccer championship game between the Goffstown Grizzlies and the Lebanon Raiders. We'll be right back.

4th PKG - BOYS SOCCER: Lebanon vs. Goffstown, D2 Championships @ SNHU

Intro: Hey welcome back to YCN sports wrap thanks for staying with us, I'm your host Andrew Zurheide. Well last Saturday, the top ranked Lebanon Raiders took on the 6th ranked Goffstown Grizzlies for the division two boys soccer state championship in Manchester.

PKG 5:35

Outro: Goffstown ended their long drought but Lebanon is on a drought of their own, they haven't won a boys soccer title in 25 years.

CLOSING OUTRO: Well that's going to do it for this sports wrap. Tune in next Friday for some more exciting playoff football action as we'll be featuring the Hanover Bow division two semifinals matchup. I'm your host Andrew Zurheide, have a great night everyone. Welcome to another installment of YCN Sports Wrap, I'm your host Andrew Zurheide. This week we'll be taking a look at some boys soccer championship games as well as some Vermont football playoff action. We'll start of tonight with the NHIAA division three boys soccer finals matchup between the Hawks of Hopkinton and the Cardinals of Stevens.

11-18-16

Welcome to another episode of YCN Sports Wrap. I'm your host Andrew Zurheide. This week we'll be taking a look at some high school football playoff action.

Well last Saturday afternoon, the Marauders of Hanover hosted the Falcons of Bow for the NHIAA division two football semifinals. Hanover held the third seed while Bow came in with the 7th seed. This Bow team is new to division two, moving up from D3, which many thought would hurt the program at least for a few season. But this Falcon team loves being the underdog as they've been overlooked by opponents all season long. Let's check out the game and see who's moving on to the finals.

Hanover finished the season with an overall record of 9 and 2 which is a huge improvement from last year's 2 and 6 team. They'll lose some key seniors including, Enneper, Monahan, Winter, Stafford, Cyrus and Chambers but Mosenthal, Putnam and Staiger will be returning so keep an eye on this Marauder team come the fall of 2017. We're going to take a short break but when YCN Sports Wrap returns we'll have our weekly coach's corner segment featuring Bow's head coach Paul Cohen. We'll be right back.

Welcome back to YCN Sports Wrap, thanks for staying with us and welcome to another edition of Coach's Corner brought to you by Bubba's Bar & Grille. This week we'll be taking a look at what Bow's head football coach Paul Cohen had to say after his team's recent semifinal victory over Hanover.

Bow will take on Plymouth, a team they lost to earlier in the year, in the NHIAA division two championship at UNH this weekend. When we come back on YCN Sports Wrap we'll take a look at some Vermont division three championship football action between Windsor and Otter Valley. Stay with us.

Hey welcome back thanks for staying with us. Well last weekend the undefeated Windsor Yellow Jackets football team faced off against the Otter Valley Otters in the Vermont Principals Association division three championship. The game was played in Rutland, Vermont at Rutland High School on a very nice Saturday afternoon. Let's see who came out on top and was crowned champion.

Red zone turnovers, interceptions and penalties were costly for Otter Valley but Windsor played a nearly flawless game like they have all season. It comes as no surprise to most that the Yellow Jackets are the VPA division three champions and didn't lose all season. The Jacks will lose Patenaude and other key seniors to graduation but expect this Windsor team to be right back in the mix come 2017. We're going to take a quick break but when YCN Sports Wrap returns we'll check out some more Vermont championship football but this time it'll be division two featuring Bellows Falls and Burr & Burton Academy. We'll be right back.

Welcome back thanks for sticking with us. After the division three championship game wrapped up in Rutland, Vermont last Saturday the division two teams, Bellows Falls and Burr & Burton, took the field. Bellows falls came in as the underdog with the two seed while Burr and Burton came in undefeated with the top seed. This was a repeat from

last year's finals when the bulldogs beat the Terriers. Let's see who was able to get the win and come out on top of division two.

This was Bellows Falls 11th title overall and first since 2010. And as was said, the Terriers lost to the Bulldogs in last year's final and during the regular season so after losing two straight games to the top seed, the Terriers sure were glad they didn't lose the third. We're going to take a short break but when YCN Sports Wrap returns we'll have another Vermont championship game but this time its division 1 with Hartford taking on St. Johnsbury. We'll be right back.

Hey thanks for staying with us. Well after the VPA division 2 and 3 football champions were crowned, the teams playing for the division one title took the field. This game was between the top ranked Hartford Hurricanes and the second ranked St. Johnsbury Hilltoppers. Let's check out some of the action.

Unfortunately for the Hurricanes, they'll lose 16 seniors to graduation but Kody Rhodes, Tyler Hamilton and Hunter Perkins will all be returning so expect the Hurricanes to be right back in the playoff mix come 2017. Well that's going to do it for this week's sports wrap. Tune in next week for an entire show featuring the Stevens Cardinals football team as we'll be featuring coverage of their division three championship game against Inter Lakes-Moultonborough. And don't forget to tune in for Sunday's football game of the week replay between Bow and Hanover which will air at 1:30 and 7:30. As always, I'm your host Andrew Zurheide, have a great week everybody.

11-23-16

Welcome to another episode of YCN Sports Wrap, I'm your host Andrew Zurheide. This week we'll be focusing heavily on the NHIAA division three football champions, the Cardinals of Stevens. This Cardinal team beat the Inter Lakes Moultonborough Lakers in the D3 finals at UNH 46 to 20 which ended a 48 year football title drought for Stevens High School and the town of Claremont. The win also ended the school's 27 year title drought as no other Stevens athletic teams had won a

championship since 1989. This 2016 Cardinal team began their journey back in June when they held workouts, practices and tryouts right up until the start of the season. Let's take a look at how Stevens head coach and some players felt back in August about this year's team compared to last years. And we'll hear what they had to say about their chances to win it all going into what would turn out to be a very memorable championship season.

As was just said, this year's team compared to last years, has more seniors but also more freshmen which has turned out to be an interesting and successful combination. When we come back on YCN Sports Talk, we'll take a look at the Cardinals during their first full contact scrimmage against the Lebanon Raiders which was played back in August. We'll be right back.

Hey welcome back thanks for sticking with us. Well we just heard and saw what the Stevens Cardinals football team looked like before going up against any real competition over the summer. But on August 23rd, the Cardinals traveled up to Lebanon, New Hampshire where they took on the Raiders in a full contact out of division friendly scrimmage. Let's see how the Cardinals did and we'll hear from both head coaches as well as a number of Stevens players.

Clearly the Cardinals had a lot to work on before the season started. When YCN Sports Wrap returns, we'll be showing how Stevens improved during the regular season when they won a close game against the Kearsarge Cougars. Stay with us.

Hey thanks for staying with us. So we've now seen a Cardinals preseason practice, and a preseason scrimmage. Now let's check out a regular season game against the Cougars from Kearsarge which was played back on September 30th.

So now let's give a short recap. After the Cardinals beat Kearsarge, they traveled away to take on Inter-Lakes Moultonborough as was just said.

But Stevens would end up losing that game 57 to 12 for their first loss of the year. If you saw the division three championship game between these Cardinals and Inter-Lakes, Stevens clearly had figured out how the Lakers operate as the Cardinals would take some serious revenge. We're going to take a short break but when YCN Sports Wrap returns, we'll break down the playoff picture and the opening drives during the Cardinals exciting championship victory. Stay with us.

Intro: Welcome back to YCN Sports Wrap, thanks for staying with us. Now let's check out how this Stevens Cardinals football team was able to advance through the playoffs and all the way to the championship round.

If you've been watching the show so far, you know who won the championship but for the sake of drama, were going to pretend like the division three champion hasn't been decided. And so now the moment you've all been waiting for, some actual division three finals action. Let's see how the opening drives went for both the Cardinals and the Lakers.

We're going to take a short break but when YCN Sports Wrap returns, we'll be bringing you the rest of the 1st quarter during this exciting division three championship matchup. Don't go anywhere, we'll be right back.

Welcome back thanks for sticking with us. Well we had just left the NHIAA division three championship game with both teams, the Cardinals and the Lakers, scoring touchdowns on their opening drives. But Stevens successfully went for two which gave them a slight 8 to 7 lead. Let's jump right back into the action with the Lakers receiving the Cardinals kickoff.

Just a reminder, the score was still 8 to 7 at the beginning of the second quarter with Stevens holding a 1 point lead. Well that's going to do it for this week's sports wrap. Be sure to tune in next Friday for the second,

third and fourth quarters of this exciting NHIAA division 3 football championship. We'll also be featuring multiple player interviews along with Stevens head coach. And don't forget to tune in on Wednesday at 7:30pm for another episode of YCN Sports Talk where Jeremy Stout and Dave Collins will discuss the week's upcoming games. Thanks for tuning in have a great week everyone.

12-02-16

Welcome to another episode of YCN Sports Wrap. I'm your host Andrew Zurheide. This week we'll be continuing on with our Stevens High School football special as we cover the second, third and fourth quarters of the Cardinals exciting division three NHIAA championship matchup against the Inter Lakes-Moultonborough Lakers. We'll also be hearing from Stevens head coach as well a number of key players after the game. We left off last week with the end of the 1st quarter when the Cardinals held a tight 8 to 7 lead over the Lakers. Let's catch you up to speed and check out who held the lead going into halftime.

We're going to take a short break but when YCN Sports Wrap returns we'll be showing some third quarter action and we'll see who was able to lead going into the final quarter of play. That's all when we come back, stay with us.

Hey welcome back to YCN Sports Wrap. So we just took a look at the second quarter of this exciting NHIAA division three football championship. Stevens held a slight 2 point lead over Inter Lakes Moultonborough going into halftime. Now let's check out the third quarter and we'll see how both teams were able to respond coming out of the break.

We're going to take a short break but when YCN Sports Wrap returns we'll have all the fourth quarter excitement and we'll see if this Cardinals team was able to hold on to the lead. That's when we come back. Don't go anywhere.

Hey welcome back to YCN Sports Wrap thanks for staying with us. So at this point in this division three football championship between the Cardinals of Stevens and the Lakers of Inter Lakes Moultonborough, Stevens held a strong 32 to 14 lead going into the fourth quarter. Let's

now see if the Lakers were able to make a comeback to get right back into the game.

It truly was a very exciting game with both teams playing their hearts out. This is now Inter Lakes Moultonborough's second straight year losing in the championship as they fell to the Newport Tigers in 2015. Don't go anywhere we're going to take a short break but when YCN Sport Wrap returns we'll have a post game interview with Stevens head coach Paul Silva to see how he felt after his team's memorable championship victory. We'll be right back.

Welcome back to YCN Sports Wrap thanks for sticking around. So the Stevens Cardinals came out on top of InterLakes Moultonborough 46 to 20 to win their first football state title since 1968 nearly 50 years ago. After this very exciting victory YCN spoke to Cardinals head coach Paul Silva to get his thoughts about his team's championship victory and to get his thoughts on this 2016 team.

Clearly the Cardinals were underestimated by most of division three which gave them extra motivation. We're going to take a short break but when YCN sports wrap returns we'll be bringing you interviews with eight different Cardinal players who made a big impact in the win. We'll be right back.

Hey welcome back to YCN Sports Wrap. So after Stevens became the division three football champions, we caught up with a number of star players to hear how they felt about the victory and we'll learn what it feels like to be D three champions.

Congratulations to the 2016 NHIAA division three champions, the Cardinals of Stevens. They'll lose many key seniors to graduation but Bourque and Cahill will be returning along with a number of upperclassmen who now have championship experience. Expect the Cardinals to be right back in the playoff mix come the fall of 2017. Well that's going to do it for this week's YCN Sports Wrap. Be sure to tune in

next week when we'll be covering some championship teams over in Vermont which will include Hartford, Windsor and Bellows Falls. As always I'm your host Andrew Zurheide have a wonderful evening everyone.

12-16-16

Welcome to another episode of YCN Sports Wrap. I'm your host Andrew Zurheide thanks for tuning in. Well this week we're finally moving away from fall to winter sports mainly focusing on basketball and hockey. Today we'll be covering a variety of schools basketball teams including Hillsboro-Deering, Fall Mountain, Sunapee, Kearsarge and Stevens. But first to wrap up our football coverage were going to start off today's show with an interview featuring the Windsor Yellow Jackets head football coach Greg Balch as part of our Coaches Corner Segment brought to you by Bubba's Bar & Grill. We sat down with coach Balch recently to hear what he had to say about his team's memorable undefeated division 3 state championship season.

PKG 3:17

Thanks for sitting down with us Coach Balch and congrats to you and your team on a very memorable historic season. We're going to take a short break but when YCN Sports Wrap returns we'll be checking out the Hillsboro Deering and Fall Mountain girls basketball teams as they took on one another last week.

Intro: Hey thanks for sticking with us. Well last week on Tuesday the Hillsboro Deering Hillcats and the Fall Mountain Wildcats squared off on Fall Mountain's home court in a battle of girls basketball. Fall Mountain was the favorite to win as they had a strong season last year with a number of key players returning. Let's now check out some of the action and we'll see who won this early season matchup.

PKG 4:00

Outro: Congrats to the Wildcats on their win. Many expect this Fall Mountain team to be a top seed come playoff time. Well we're going to take a short break but when YCN Sports Wrap returns we'll be check out the Sunapee boys basketball team as they faced off in a thriller against Lisbon last Friday. We'll be right back.

Hey thanks for staying with us. Let's now take a look at the Sunapee boys basketball team. Last Friday the male Lakers hosted the Lisbon Panthers during their season opener. Let's see who was able to get the victory and start the season off on the right foot.

PKG 3:50

Outro: It was a tough and disappointing way to start the season for the Lakers but I'm sure they'll bounce back soon with the talented players they have on their roster. We're going to take a short break but when YCN Sports Wrap returns we'll bringing you highlights of the Sunapee girls game again against Lisbon. That's when we come back.

Welcome back thanks for not changing the channel. Well after the Sunapee boys barely lost to a strong Lisbon team, the female Sunapee Lakers took the court. This Lakers team literally hasn't lost a game in more than 2 seasons so they were clearly the favorites. Let's now see how the Lakers managed against the Panthers.

PKG 3:59

Outro: Sunapee is expected to be the clear cut number 1 seed come playoff time. We'll be keeping a close on the lady Lakers all season and will keep you posted about their effort to win a third straight division four state championship. We're going to take a quick break but when we return we'll be featuring the Kearsarge cougars boys basketball team taking on the strong Stevens Cardinals in Claremont. We'll be right back.

Intro: Hey welcome back thanks for sticking with us. Well last Tuesday night, the Kearsarge Cougars boys basketball team traveled to take on the Stevens Cardinals right here in Claremont. This was the much anticipated season opener for both teams. So without further ado let's check out who was able start the season off with a win.

PKG 4:17

Outro: Noah Spaulding led the scoring for the Cardinals with 25 points while Zach O'Brien scored 13 and Parker Smith put in another 11. These two teams will face off again on February 14th but this time it will be on the Cougars home court. You won't want to miss it.

CLOSING OUTRO: Well that's going to do it for this week's YCN Sports Wrap. Be sure to tune in next week when we'll be featuring the girls from Stevens and Kearsarge as well as the lady's from Lebanon and Hanover. As always I'm your host Andrew Zurheide. Be sure to stay warm and have a great week everyone.

12-23-16

Welcome to another episode of YCN Sports Wrap. I'm your host Andrew Zurheide thanks for tuning in. This week we'll be mainly focusing on boys and girls basketball featuring a variety of schools in our region including Kearsarge, Stevens, Newport, Hanover and Lebanon. First up, let's check out the Kearsarge Cougars girls basketball team as they traveled to take on the Stevens Cardinals right here in Claremont, New Hampshire. Both teams came in with early undefeated records at 3 and 0 so this was expected to be a competitive matchup. Let's now check out who was able to stay perfect and improve to 4 and 0.

PKG 4:02

Kearsarge currently sits undefeated on top of division three. Look for the lady cougars to a top seed come playoff time. We're going to take a short break but when YCN Sports Wrap returns, we'll be checking out the male Cougars as they faced off against the Newport Tigers last Friday. We'll be right back.

Hey welcome back to YCN Sports Wrap. Well last Friday the Kearsarge Cougars boys basketball team traveled to Newport, New Hampshire to take on the Tigers. Newport struggled last year with a lot of young players while Kearsarge lost in the division three championship. The Cougars were clearly the favorites so let's see if the Tigers were able to stop Kearsarge high powered offense.

PKG 2:37

The Cougars definitely did not want to start off the year with two losses but the teams that beat them, Stevens and Hopkinton, are expected to be ranked in the top five toward the middle of the season. So this early 1 and 2 record could be considered misleading. Well we're going to take a short break but when YCN Sports Wrap returns we'll be hearing from the Kearsarge cougars head basketball coach Nate Camp to hear his thoughts about his team's recent win of Newport. That's when we come back.

Hey welcome back to YCN Sports Wrap. Thanks for sticking with us. Well after the Kearsarge Cougars boys basketball team easily beat the Newport Tigers, we caught up with the Cougars head coach Nate Camp as part of our Coach's Corner segment. Coach Camp gave us his thoughts about his team first win of the year after losing a tough game to Stevens and what we can expect going forward.

PKG 2:39

This game was played last Friday and since then, as was said in the segment before, the Cougars ended up losing to a tough Hopkinton team, falling to 1 and 2. But Kearsarge will look to get back to their winning ways when they take on Campbell on January 3rd. We're going to take a quick commercial break but when YCN Sports Wrap returns we'll have some more basketball action. This time we'll be covering the Lebanon Raiders as they travel to take on their rivals, the Hanover Marauders. That's when we come back.

Welcome back thanks for keeping it right here on YCN Sports Wrap. Well on Wednesday night, the Lebanon Raiders boys basketball team traveled just a few miles to take on their rivals the Marauders of Hanover. Lebanon came in with a record of 1 and 0 while Hanover dropped their season opener to Bow and came in with a record of 0 and 1. Let's see who was able to get the W during this highly anticipated Wexler Cup matchup.

PKG 2:55

Many expected this Lebanon team to be the favorite to win the division two state title preseason. Obviously losing KJ has hurt the Raiders chances but even without him, the team still looks very strong and is still expected to be a top seed toward the end of the season. We're going to take a short commercial break but when YCN Sports Wrap returns we'll be bringing you an interview with Lebanon's head coach Keith Matte as he discussed his team's victory over Hanover. We'll be right back.

Welcome back thanks for staying with us. Well after the Lebanon Raiders boys basketball team easily beat the Hanover Marauders 63 to 36, we caught up with Lebanon's head coach Keith Matte to get his thoughts about beating their rivals with another Coach's Corner segment. Welcome to another episode of YCN Sports Wrap. I'm your host Andrew Zurheide thanks for tuning in. Well this week we'll again be focusing on local high school basketball featuring the Lebanon Raiders, Hanover Marauders, Sunapee Lakers and a northern New Hampshire school, the Colebrook Academy Mohawks. We'll start off the show by checking out the female Lebanon Raiders basketball team as they faced off against the Hanover Marauders during their annual Wexler Cup rivalry game. Lebanon came in with an undefeated record of 3 and 0 while Hanover held a record of 1 and 0. Let's now see who was able to beat their rival and remain undefeated.

Lebanon currently sits on top of division two tied with Merrimack Valley at 4 and 0. We're going to take a quick commercial break but when we come back we'll hear what Lebanon's head coach had to say about his team's heart pounding victory against Hanover as part of our coach's corner segment. We'll be right back.

Welcome back to YCN Sports Wrap, thanks for keeping it right here. Outro: Thanks for talking with us coach and congrats on your team's big Wexler Cup victory. We're going to take a short break but when YCN Sports Wrap returns we'll be checking out the boys of Sunapee as they hosted the Colebrook Academy Mohawks last Friday. We'll be right back.

Intro: Welcome back thanks for staying with YCN Sports Wrap. Well last Friday, the Sunapee Lakers boys basketball team hosted the Colebrook Academy Mohawks in a division 4 matchup. Colebrook came into the game with a record of 1 and 3 while the Lakers were still searching for their first win at 0 and 3. Let's see who was able to improve on an already less than perfect start to the season.

Outro: Keep in mind that the Lakers lost 4 of their 5 starters to graduation so this Sunapee team is definitely young and inexperienced. We're going to take a short break but when YCN Sports Wrap returns we'll be checking out the female Lakers as they also faced off against Colebrook. That's when we come back.

Intro: Hey welcome back to YCN Sports Wrap. Well before the male Lakers lost to the Colebrook Mohawks, the Sunapee girls basketball team took the court. The lady Lakers came in with an undefeated 4 and 0 record and their program still hasn't lost in more than 2 seasons, over 50 straight wins including 2 straight division four championships. Let's

now see if the 3 and 1 Mohawks were able to take down the division four powerhouse.

Outro: Sunapee's inside outside combination with Faith Larpenner and Katie Frederick makes them the clear number 1 seed and it's no surprise to most that the Lakers haven't lost a single game in more than two seasons. We're going to take short break but when YCN Sports Wrap returns we'll be checking out what the Sunapee girls basketball head coach had to say about his team's win over Colebrook. We'll be right back.

Intro: Welcome back thanks for keeping it right here. Well after the female Sunapee Lakers basketball team easily beat the Colebrook Mohawks, we spoke with their head coach Tim LaTorra to hear what he had to say about his teams win and to learn what his team needs to do to improve going forward.
