Airing Week: 1-2-17 to 1-8-17

Welcome to another episode of YCN Sports Talk. I'm your host Andrew Zurheide thanks for tuning in. Well this week we have some more high school basketball action for you as we'll be featuring a division three boys game over in Vermont. And a bit later we'll be checking out the mid season top 5 plays from boys and girls basketball so far. Let's start off this week's show by checking out the Thetford Panthers boys basketball team as they hosted the Windsor Yellow Jackets. Thetford came into the game with a 1 and 3 record while Windsor also came in with just one win at 1 and 4. Let's now check out how the game went and we'll see who was able to get their second win of the relatively young season.

PKG 6:10

Seven of the nine Thetford players who played scored at least two points so the Panthers have a good amount of depth with multiple players eager for their chance to make a difference. We're gonna take a break but when YCN Sports Wrap returns we'll be bringing you an interview with the Thetford boys head coach to hear what he had to say about his team's nail biting victory. That's when we come back.

Hey welcome back to YCN Sports Wrap thanks for keeping it right here. Well after the Thetford Panthers boys basketball team narrowly beat the Windsor Yellow Jackets, we caught up with Thetford's head coach Jason Gray to hear what he had to say about his team's second win of the year. Let's listen in.

PKG 3:27

Thanks for talking with us coach and congrats to you and your team on a very exciting victory. We're gonna take a short break but when YCN Sports Wrap returns we'll have a top 5 best of plays from the boys basketball season so far. We'll be right back.

PKG 2:47

Lot's of impressive plays so far this basketball season and I'm sure we'll be seeing more soon. Well we're gonna take a short break but when YCN Sports Wrap returns we'll be checking out the top 5 plays of the year so far for girls basketball. Don't go anywhere.

A weekly profile and roundup of Boys & Girls High School Sports in our region

Airs: Friday 7:00pm, Saturdays at 5:00pm, RT: 30m

1-9-17 to 1-15-17

Intro: Welcome to another episode of YCN Sports Wrap. I'm your host Andrew Zurheide thanks for tuning in. Well this week we highlights from both basketball and hockey as we recently caught up with the Hanover girls hockey team and the Lebanon and Merrimack Valley boys basketball teams. Let's start off with some Marauders hockey as the girls took on the Beekmantown Eagles, a school from northern New York, last Friday. This Hanover program has won seven straight division 1 championships and they came into this game with a record of 2 and 1. The Marauders did lose a number of key seniors to graduation this year but they still look like the favorites to win it all once again in 2017. So now let's check out the game and see who came out on top.

PKG 4:32

Outro: The Marauders and Eagles will face off again on January 16th but this time Hanover will be playing away. It should be another great matchup. We're gonna take a short break but when YCN Sports Wrap returns we'll be listening to what the Hanover girls hockey head coach John Dodds had to say about his team close win. That's when we come back.

Intro: Welcome back to YCN Sports Talk. Well after the Hanover Marauders girls hockey team managed to sneak by Beekmantown, we caught up their head coach John Dodds to see what he had to say about his team's victory. Let's listen in.

PKG 3:51

Outro: Thanks for talking with us coach and congrats to you and your team on the win. We'll be keeping an eye on this Marauder team going forward and into the playoffs as they're expected to once again be division 1 champions. Well we're gonna take a quick break but when YCN Sports Wrap returns we'll be checking out some boys basketball as the Lebanon Raiders traveled to take on the Merrimack Valley Pride earlier this week. We'll be right back.

Intro: Welcome back to YCN Sports Wrap. Thanks for keeping it right here. Well last Tuesday, the Lebanon Raiders boys basketball team traveled to Penacook, New Hampshire to take on the Merrimack Valley Pride. Lebanon came in with an overall record of 6 and 0 while Merrimack Valley held a record of 1 and 4. Let's now see how the game went and who came out on top.

PKG 4:33

Outro: KJ Matte is expected to have another x-ray on his foot at the beginning of February but many fear he could still miss the rest of the season. But this Raider team is undefeated and still looks very strong even without who some call the best player in the state. I can't even imagine what this Leb team would look like with a healthy KJ. Well we're gonna take a short break but when YCN Sports Wrap returns we'll be checking out some more boys basketball. But this time it's the Mount Royal Academy Knights hosting the Concord Christian Academy Kingsmen. We'll be right back.

Intro: Hey welcome back thanks for staying with us. Well last Wednesday night, the Mount Royal Knights boys basketball team hosted the Concord Christian Academy Kingsmen in a division four matchup. This is Mount Royal's first year competing at the varsity level for basketball in the NHIAA since the school was established in 1994. Over the past 5 years, Mount Royal has competed at the JV level but as the school continued to increase enrollment they felt it was time to go full on varsity to give their student athletes a chance to grow. So far it's been a successful transition with both the girls and boys team currently holding a records of 2 and 3. So now without further ado, let's see how the male Knights fared against the Kingsmen.

PKG 3:29

Outro: Of course Mount Royal would love for their boys and girls teams to do well this year but ultimately making a smooth transition to the varsity level has been their main focus. We're gonna take a short break but when YCN Sports Wrap returns we'll be checking out what Matt McMenaman, Mount Royals head coach had to say about his team's win over the Kingsmen. We'll be right back.

Intro: Welcome back thanks for sticking with us. Well after the Mount Royal Academy Knights easily beat the Concord Christian Academy Kingsmen, we caught up with the Knights head coach Matt McMenaman. He gave us his thoughts about the win and what his team needs to do to improve going forward.

PKG 1:43

Outro: Thanks for talking with us coach and congrats to you and your team on the win and on what has been a successful transition to the division 4 varsity level. Well that's gonna do it for this week's Sports Wrap. Be sure to tune in next time when we'll be featuring the girls basketball teams from Windsor, Vermont and Newport, New Hampshire. We'll also have the Fall Mountain boys taking on the tough Stevens Cardinals. And don't forget to tune into YCN Sports Talk on Wednesday nights at 7:30, hosted by Jeremy Stout. As always I'm your host Andrew Zurheide. Have a great week and stay warm everyone.

1-16-17 to 1-22-17

Intro: Welcome to another episode of YCN Sports Wrap. I'm your host Andrew Zurheide, thanks for tuning in. Well this week we have some more high school basketball action as we'll be covering girls teams from Windsor and Newport as well as from Kearsarge and Hopkinton. Let's first start off with the girls game between the Windsor Yellow Jackets and the Newport Tigers. The Jacks came into this matchup tied for first place in division 3 with a record of 7 and 1 while the Tigers held a record of 2 and 5. Let's now see who was able to get the win during this out of conference matchup.

PKG 4:43

Outro: Last year the Yellow Jackets were ranked 8th going into the playoffs. They lost in the quarterfinals to the eventual champions but this time around, Windsor has a much more balanced team with many contributing freshman. Look for the Yellow Jackets to be in the top 5 come playoff time. We're gonna take a quick break but when YCN Sports Wrap returns we'll be checking out what Windsor's head coach had to say about his team's win over Newport. We'll be right back.

Intro: Welcome back thanks for staying with YCN Sports Wrap. Well after the Windsor Yellowjackets girls basketball team was able to pull out a win against the Newport Tigers, we caught up with Windsor's head coach Bruce MacKay to get his thoughts on the victory. Let's listen in.

PKG 1:58

Outro: Thanks for talking with us coach and congrats to you and your team on a great 8 and 1 start to the season. We're gonna take a quick break but when YCN Sports Wrap returns we'll have some more girls basketball action but this time we'll be featuring the Kearsarge Cougars traveling to take on the Hopkinton Hawks. We'll be right back.

Intro: Welcome back to YCN Sports Wrap thanks for staying with us. Well last Wednesday night the undefeated Kearsarge Cougars girls basketball team traveled to take on the 3 and 6 Hopkinton Hawks. Obviously the Cougars were the heavy favorites going in but you can't count anyone out in this wide open New Hampshire division three. Let's now see if the Hawks were able to take down the 9 and 0 Cougars.

PKG 4:09

Outro: Kearsarge's 39 points was a season low as they had scored 41 or more in their previous 9 games. We're gonna take a quick break but when YCN Sports Wrap returns,

we'll take a look at what Cougars head coach Keith Roberts had to say about his team win over Hopkinton. We'll be right back.

Intro: Hey welcome back to YCN Sports Wrap. Well after the Kearsarge Cougars girls basketball team barely was able to hold on and beat Hopkinton, we caught up Kearsarge's head coach Keith Roberts to get his thoughts on the game. Let's listen in.

PKG 2:15

Outro: Thanks for speaking with us coach and congrats to you and your team ob just being able to sneak away with the win. We're gonna take a quick commercial break but when YCN Sports Wrap returns we'll be checking out some boys basketball. This time it's the Hillsboro-Deering Hillcats traveling to take on the strong Kearsarge Cougars. We'll be right back.

Intro: Welcome back to YCN Sports Wrap thanks for sticking with us. Let's now make a transition from girls basketball to boys as we'll check out the Hillsboro-Deering Hillcats traveling to take on the strong Kearsarge Cougars. The Hillcats came into this matchup winless at 0 and 6 while the Cougars held a strong record of 6 and 2. Kearsarge was the heavy favorite but just like we saw with the girls, nothing is guaranteed in division three. So without further ado let's check out the game and see who came out on top.

PKG 4:58

Outro: This Kearsarge team has now won 6th straight but they'll have their hands full over the second half of the season when they take on Stevens, Hopkinton, Monadnock and Merrimack Valley. Well that's gonna do it for this week's Sports Wrap. Be sure to tune in next time on Friday at 7:30 when we'll be featuring the boys basketball teams from Windsor and Bellows Falls, as well as the girls teams from Lebanon and Goffstown. And be sure to check out YCN Sports Talk with Jeremy Stout which airs on Wednesday nights at 7:30pm. As always I'm your host Andrew Zurheide. Have a great week everyone.

1-23-17 to 1-29-17

Intro: Welcome to another episode of YCN Sports Wrap. I'm your host Andrew Zurheide thanks for tuning in. Well this week we have some more basketball action as we'll be covering the Windsor and Bellows Falls boys teams as well as the boys from Hanover and Merrimack Valley. Let's begin with the boys from Windsor traveling to take on the Bellows Falls Terriers. The Yellow Jackets came into this matchup with a record of 2 and 7 while the Terriers came in at 5 and 3. Let's check out the game to see who came out on top of this out of division matchup.

PKG 5:11

Outro: Windsor still has 10 games left to play which is more than enough time to turn their record around to hopefully sneak into the playoffs. We're gonna take a quick break but when YCN Sports Wrap returns, we'll be taking a look at what both Windsor and Bellows Falls head coaches had to say about their teams performances. We'll be right back.

Intro: Hey welcome back thanks for sticking with us. Well after the Windsor Yellow Jackets boys basketball team was able to beat the Bellows Falls Terriers, we caught up with Windsor's head coach Harry Ladue as well as Bellows Falls head coach Ryan Stoodley. Let's now listen in to hear what both coaches had to say about the game.

PKG 2:47

Outro: Thanks for talking with us coach Ladue and Stoodley. We wish you and your teams good luck for the rest of the season. We're gonna take a short break but when YCN sports wrap returns, we'll be featuring the Merrimack Valley Pride boys basketball team as they traveled to take on the Hanover Marauders. We'll be right back.

Intro: Welcome back to YCN Sports Wrap thanks for staying right here. Well last Wednesday night, the Merrimack Valley Pride boys basketball team traveled to take on the Hanover Marauders. The Pride came into the game with a record of 2 and 7 while Hanover held a record of 1 and 5. Both of these teams are relatively young with limited senior presence so both squads have been trying to test out the waters with their young roster. Let's now see who was able to outplay the other and get the win.

PKG 5:43

Outro: The Marauders hit a total of 14 three's in the game with again 9 coming from Gantrish and 2 from both Adams and Paulsen and one from Goodrich. If Hanover continues to play like they did against this Merrimack Valley team, they could be a surprise contender come playoff time. We're gonna take a short break but when YCN

Sports Wrap returns, we'll be listening to what Hanover's head coach Tim Winslow had to say about his team's hard fought victory. We'll be right back.

Intro: Hey welcome back to YCN Sports Wrap thanks for sticking with us. Well after the Hanover Marauders boys basketball team defeated the Merrimack Valley Pride, we caught up with Hanover's head coach Tim Winslow to get his take on his team's win. Let's hear what he had to say about the Marauders performance.

PKG 3:00

Outro: Thanks for talking with us coach and congrats to you and your team on the win. We wish both Merrimack Valley and Hanover good luck with the rest of their seasons. We'll be keeping a close on both teams to see if they're able to turn their seasons around and possibly even make the playoffs. Well that's gonna do it for this week's sports wrap. Be sure to tune in next week on Friday at 7:30pm when we'll be covering the boys from John Stark, Lebanon, Sunapee and Newport. As well as the girls from Mount Royal. As always I'm your host Andrew Zurheide. Stay warm and have a great week everyone.

1-30-17 to 2-5-17

Intro: Welcome to another episode of YCN Sports Wrap. I'm your host Andrew Zurheide, thanks for tuning in. This week we have some more basketball action for you as we'll be covering the boys teams from John Stark, Kearsarge and Lebanon as well as the girls from Newfound and Kearsarge. Let's begin by checking out the John Stark Generals as they traveled to take on the Lebanon Raiders. The Generals came in with a record of 5 and 4 while the Raiders held a record of 6 and 1. Let's now check out the game to see who came out on top.

PKG 5:57

Outro: Lebanon sure looks bound to make another deep run in the playoffs. We'll be keeping close eye on this Raider team during the second half of the season. We're gonna take a quick break but when YCN Sports Wrap returns, we'll be checking out what Lebanon's head coach Keith Matte had to say about his team's hard fought victory over John Stark. Don't go anywhere, we'll be right back.

Intro: Welcome back to YCN Sports Wrap thanks for staying with us. Well after the Lebanon Raiders boys basketball team beat the John Stark Generals, we caught up with Lebanon's head coach Keith Matte to get his thoughts on the win. Let's now check out what he had to say about his team matching up against the very tall Generals.

PKG 3:01

Outro: Thanks for talking with us coach and congrats to you and your team on the win. I can't imagine how good your team will look like once KJ Matte returns from a broken foot. We're gonna take a quick break but when YCN Sports Wrap returns, we'll be checking out some more boys basketball but this time it's the Cougars from Kearsarge and the Bears from Newfound. We'll be right back.

Intro: Hey welcome back to YCN Sports Wrap thanks for keeping it right here. Well last Tuesday night, the Kearsarge Cougars boys basketball team hosted the Newfound Bears. The Cougars came in as one of the top seeds in division three with a record of 8 and 2 while the Bears came in with a record of 1 and 10. Clearly Kearsarge was the favorite but stranger things have happened. Let's now see if Newfound was able to keep up with Kearsarge's high powered offense.

PKG 3:31

Outro: The two losses Kearsarge has suffered so far have come against Stevens and Hopkinton, two teams on top of division three so the Cougars are having a great season and surely will make another deep playoff run. We're gonna take a quick break but

when YCN Sports Wrap returns, we'll be changing things over to girls basketball as Newfound and Kearsarge took the floor after the boys. We'll be right back.

Intro: Welcome back to YCN Sports Wrap thanks for sticking with us. Well after the Kearsarge Cougars boys basketball team beat the Newfound Bears, the girls teams took the court. Newfound came in undefeated with a record of 13 and 0 while Kearsarge held a nearly identical record of 11 and 1, as they recently lost to division two Merrimack Valley. So if you're talking strictly division three games, both teams came in undefeated. Let's now check out the game to see who came out on top.

PKG 4:52

Outro: Kearsarge's offense has taken a hit as of late. Over their first 7 games, the Cougars averaged 56 points a game. But over their last 6 contests, they've only averaged 41. They still hold a very good record of 9 and 2 but if they want to continue their dominance, they'll have to get back to their scoring ways. Were gonna take a quick break but when YCN Sports Wrap returns, we'll be checking out what Newfound's head basketball coach had to say after their win over Kearsarge. We'll be right back.

Intro: Welcome back to YCN Sports Wrap. Thanks for keeping it right here. Well after the Newfound Bears girls basketball team won a very competitive game against Kearsarge, we caught up with Newfound's head coach Karri Petersson to get their thoughts on the game. Let's listen in.

PKG 2:54

Outro: Thanks for speaking with us coach and congrats to you and the Bears on your undefeated 14 and 0 record. We'll be keeping an eye on this Newfound team going forward to see if they can finish off the season without taking a single loss. Well that's gonna do it for this week's sports wrap. Be sure to tune in next time when we'll again be featuring the boys and girls from Kearsarge as they face off against Hopkinton. We'll also be checking out teams from Mount Royal and Sunapee. And be sure to check out YCN Sports Talk with Jeremy Stout which airs on Wednesday nights. As always, I'm your host Andrew Zurheide. Have a great week everyone and GO PATS!

This week we have another basketball filled show as we'll be featuring the girls from Mount Royal, Sunapee and Mascenic. As well as the boys from Sunapee and Newport. Let's begin with the ladies from Sunapee. The Lakers came into this game with an undefeated record of 11 and 0 while Mascenic held a record of 5 and 5 but had won four straight. These Sunapee girls haven't lost a game in more than 2 and a half seasons, literally winning 61 straight including two division four state championships. Let's now see how Mascenic fared against this division four juggernaut.

PKG 6:58

Outro: Sunapee was able to win their next three games against Nute, Newport and Mount Royal to improve to 15 and 0 on the year with 65 straight victories, unbelievable. It's gonna be another exciting playoff run in 2017 for these Lady Lakers. We're gonna take a quick break but when YCN Sports Wrap returns, we'll be checking out the girls from Mount Royal as they recently faced off against Wilton-Lyndeborough. We'll be right back.

Intro: Hey welcome back to YCN Sports Wrap. Thanks for sticking with us. Well last Friday, the Mount Royal Academy Knights girls basketball team matched up against the Wilton Lyndeborough Warriors. The Knights are new to the varsity level as they have only had JV teams in past years. But Mount Royal has made a smooth transition to division four so far and came into this matchup with an overall record of 5 and 7 while the Warriors were still searching for their first win of the year. Let's now check out the game to see who came out on top.

PKG 2:44

Intro: Welcome back thanks for continuing to watch YCN Sports Wrap. Well last Monday, the male Lakers of Sunapee traveled down route 11 to take on their out of division rivals the Newport Tigers. Sunapee came in with a record of 3 and 9 while the Tigers held a record of 4 and 10. Let's now check out the game to see who came out on top.

PKG 4:15

Outro: Ethan Houde finished with a game high 19 points and Brandon Sondrini threw in 13 for Newport. The Tigers are now healthy and have looked better as of late. They still have a small chance to make one of the final spots in the division three playoffs if they keep up their winning ways. We're gonna take a quick break but when YCN Sports Wrap returns, we'll be taking a look at what Newport's head coach Greg Pickering had to say about his team's win over Sunapee. We'll be right back.

Well this week we have some more basketball action as we'll be checking out the boys teams from Windsor, Woodstock, Kearsarge and Stevens. PKG 4:52

It should be another exciting postseason run for the Cougars. **Airing Week: 2-20-17 to 2-26-17**

Intro: Hey welcome to another episode of YCN Sports Wrap. I'm your host Andrew Zurheide and this week we have another basketball filled show for you as we'll be featuring boys teams from Stevens, Newport, Mill River and Hartford. And a little later we'll be checking out the Hanover girls ice hockey team. But first, let's begin with a New Hampshire game between the Tigers of Newport and the Cardinals of Stevens. Newport came into this matchup as the underdog as the Cardinals have only lost 3 games all season with a record of 12 and 3. Let's now see if the elusive Tigers were able to cage the strong Cardinals.

PKG 3:40

Outro: Stevens ended up winning the game against Hopkinton by a score of 60 to 56. Stevens now has one more game remaining against Mascoma Valley which they are expected to win. If they do, the Cardinals will finish the regular season with a record of 15 and 3. They'll await their seed and will most likely be in the top 4 which gives them a home playoff game. We're gonna take a quick break but when YCN Sports Wrap returns we'll be taking a look at what interim head coach Doug Beaupre had to say about his team's win over the Tigers. We'll be right back.

Intro: Welcome back to YCN Sports Wrap thanks for sticking with us. Well after the Stevens boys basketball team beat up on the Newport Tigers, we caught up with their interim head coach Doug Beaupre to get his thoughts on the game. Let's take a look.

PKG 3:33

Outro: Thanks for speaking with us coach and nice job filling in for Coach Baird-Torney while he's away. The Cardinals are expected to be a top 4 team once the playoff seedings are set. We'll be keeping a close on Stevens and we expect another memorable playoff run. We're gonna take a quick commercial break but when YCN Sports Wrap returns, we'll be taking a look at another boys basketball game. But this time it's from over in Vermont as Mill River traveled to face off against Hartford. That's all when we come back.

Intro: Hey welcome back to YCN Sports Wrap thanks for keeping it right here. Well last Tuesday night, the Mill River Minutemen traveled to take on the Hartford Hurricanes. Mill River came in with the number 1 seed with an overall record of 17 and 1 while the Hurricanes came in at 8 and 9. It was going to be a tough task for Hartford but hopefully the Canes could at least make it a competitive game. Let's now check out some of the action to see who came out on top.

PKG 4:49

Outro: Mill River improved to 18 and 1 while the Canes fell to 8 and 10. The Minutemen await their VPA playoff seeding and will most likely either be the number 1 or 2 seed while the Hurricanes need some help from other teams if they hope to sneak into the playoffs. We're gonna take a quick commercial break but when YCN Sports Wrap returns, we'll be taking a look at what Mill River's head coach had to say about his team's win over Hartford. We'll be right back.

Intro: Hey welcome back to YCN Sports Wrap thanks for sticking with us. Well after the Mill River Minutemen were able to hang on and beat the Hartford Hurricanes, we caught up with Mill River's head coach Jack Rogers to get his take on the game. Let's listen in.

PKG 2:29

Outro: Thanks for talking with us coach and congrats to you and your team on the win and for having a very successful season. We're gonna take a quick break but when YCN Sports Wrap returns, we'll be switching sports over to ice hockey as the Marauders of Hanover hosted the combined squad between Bishop Brady, Trinity and Manchester West. That's when we come back. Don't go anywhere.

Intro: Hey welcome back to YCN Sports Wrap. Let's now change sports over to girls ice hockey. The very dominant Hanover Marauders held their senior night against the joint team of Bishop Brady, Trinity and Manchester West, also known as Brinity West. Hanover came in with a very impressive NHIAA record of 13 and 1 while Bishop Brady Trinity West held a record of 8 and 6. The Marauders we're clearly the favorites but Hanover was coming off of their first loss to a New Hampshire team since 2012. Let's now hit the ice to see who was able to get the win.

PKG 6:28

Outro: Congrats to Hanover on another successful regular season and we wish all seniors good luck going forward. We'll be keeping a close eye on this hockey teams as they advance through the playoffs. Well that's gonna do it for this week's Sports Wrap. Be sure to tune in next time when we'll be featuring some playoff basketball with the lady Lakers from Sunapee. **Airing Week: 2-27-17 to 3-5-17**

Intro: Welcome to another episode of YCN Sports Wrap. I'm your host Andrew Zurheide thanks for tuning in. This week we finally have some playoff basketball action as we'll be featuring the girls teams from Sunapee, Woodsville, and Littleton. So first, let's check out the quarter-final game between the Lakers of Sunapee and the Woodsville Engineers. Sunapee came in as the heavy favorite with the number 1 seed still not having lost in nearly 3 seasons as Woodsville came in ranked 8th overall. Let's now check out the game to see who was able to advance into the semi-finals.

PKG 5:53

Outro: Sunapee continues to dominate game after game. The one team who presented Sunapee with the most trouble this year was the Newport Tigers but they play in a higher division. And Sunapee still beat them by 17 points. It looks like the Lakers will once again be headed to the division four finals. We're gonna take a quick commercial break but when YCN Sports Wrap returns we'll be checking out what Sunapee head coach Tim LaTorra had to say about his team advancing into the semi-finals. We'll be right back.

Intro: Hey welcome back to YCN Sports Wrap. Thanks for staying with us. Well after the Sunapee Lakers girls basketball team was able to easily beat the Woodsville Engineers, we caught up with Sunapee's head coach Tim LaTorra to get his take on the game. Let's listen in.

PKG 2:36

Outro: Thanks for talking with us coach and congrats to you and your team on winning your 70th straight game and once again advancing into the semi-finals. We're gonna take a quick commercial break but when YCN Sports Wrap returns, we'll be moving on to the D-4 semis but instead of focusing on Sunapee, we're gonna take a brief look at the result from the other game between third seeded Hinsdale and second seeded Colebrook. We'll be right back.

Intro: Hey welcome back to YCN Sports Wrap thanks for keeping it right here. Well last Thursday night, the girls basketball division four semifinal games between Hinsdale and Colebrook, and Sunapee and Littleton, took place. After Colebrook was able to beat Hinsdale 47 to 38, we caught up with their head coach Steve Cass to get his thoughts on the game. And we also learned what he thinks his team needs to do to match up against their more than likely championship opponent Sunapee.

PKG 1:47

Outro: Thanks for talking with us coach and congrats to you and your team on advancing into the championship. If Sunapee also advances, it sure will be a tough task to beat a team that hasn't lost in nearly 3 seasons. We're gonna take a quick commercial break but when YCN Sports Wrap returns we'll be checking out the other semi-final matchup between Sunapee and Littleton. We'll be right back.

Intro: Hey welcome back to YCN Sports Wrap. Well last Thursday night, the Sunapee Lakers faced off against the Crusaders from Littleton during the NHIAA division four girls basketball semi-finals. Sunapee came in as the clear favorite with an undefeated record while Littleton came in with a record of 15 and 3. This was a rematch from last years finals when the Lakers were able to overcome a 20 plus point deficit to win the game by just four. The Crusaders are hoping for some revenge but they'll have to beat a team that literally hasn't lost in nearly 3 years. Let's now check out some of the game to see who's moving on to the championship.

PKG 6:18

Outro: Sunapee beat Colebrook during the regular season 67 to 44 so the Lakers will go into Saturday's championship matchup as the clear cut favorites to win it all once again. We're gonna take a quick commercial break but when YCN Sports Wrap returns, we'll again be checking out what Sunapee's head coach Tim LaTorra had to say about his team advancing into the championship for the fourth straight year. We'll be right back.

Intro: Hey welcome back to YCN Sports Wrap, thanks for sticking with us. Well after the Sunapee Lakers girls basketball team beat the Littleton Crusaders and won their 71st straight game AND advanced into the division four championship for the fourth straight year, we again caught up with their head coach Tim LaTorra to hear what he had to say about his team's big semifinal victory. Let's listen in.

PKG 3:03

Outro: Thanks for talking with us coach. It goes without saying that Sunapee is the best team in division four and will most likely be bringing home another championship trophy on Saturday. Well that's gonna do it for this week Sports Wrap. Be sure to tune in next week when we'll be featuring the championship matchup between Sunapee and Colebrook. We'll also be moving to division 2 with a potential rivalry semi final matchup between the Hanover Marauders and the Lebanon Raiders. **Airing Week: 3-06-17 to 3-12-17**

Intro: Hey welcome to a very special basketball playoff edition episode of YCN Sports Wrap. I'm your host Andrew Zurheide, thanks for tuning in. This week we'll only be focusing on the girls basketball team from Sunapee, New Hampshire as we'll be chronicling the Lady Lakers ride throughout the playoffs and to their third straight undefeated division four state championship.

But first off let's take a brief look at Sunapee's regular season. The Lakers came into the year on a 48 game winning streak, having last lost to Hinsdale in the 2014 finals. And this season, their dominance continued as Sunapee averaged nearly 69 points a game while allowing just 30, winning by an average of almost 40 points per contest. Their closest game of the year was against the Newport Tigers but Newport one, plays in a higher division and two, the Lakers still came out on top by nearly 20 points. Once the regular season came to a close Sunapee held an overall win streak of 70 games along with of course the number 1 seed heading into the playoffs.

In the first round the Lakers hosted the 16th seeded Mount Royal Knights, a team that is brand new to the varsity level. Sunapee had no trouble advancing with a score of 69 to 27. This put the Lakers into the quarterfinals where they faced off against the 8th seeded Woodsville Engineers. Sunapee had beaten the Engineers 66 to 27 back on January 20th. After this round, the rest of the playoffs move to a neutral location at Southern New Hampshire University so this was the last home game for 7 Sunapee seniors. Let's now take a look at the game to see if Woodsville was able to keep pace with the Lakers.

**PKG 2:23**

Intro: Hey welcome back to this special championship edition of YCN Sports Wrap featuring the Sunapee Lakers girls basketball team. Well after the Lakers beat Woodsville in the quarter-finals, they advanced into the semis where they faced off against the fourth seeded Littleton Crusaders. These two teams didn't matchup during the regular season but they do have a history of meeting in the playoffs. And just a year ago, Sunapee beat Littleton by just four points in the finals to win their second straight title. So without further ado, let's see who was able to get the W and advance into the championship.

**PKG 3:05**

Intro: Hey welcome back to this special championship edition of YCN Sports Wrap, thanks for sticking with us. Well after the Sunapee Lakers girls basketball team beat the Littleton Crusaders in the semis, they advanced into the finals where the only team standing in front of their third straight championship was the second seeded Colebrook Academy Mohawks. These two teams met during the regular season in what was one of

Sunapee's closer wins with a score of 67 to 44. Clearly the Lakers were the favorites but crazier things have happened as the Mohawks have a high scoring offense. Now without further ado, let's check out this girls basketball division four NHIAA championship game between the Lakers of Sunapee and the Mohawks of Colebrook.

PKG 5:18

Outro: Congratulations to the Sunapee Lakers and coach LaTorra on another undefeated championship season what a blast it was. We're gonna take a quick break but when YCN Sports Wrap returns we'll be taking a look at what Coach LaTorra and 6 Sunapee seniors had to say about their championship victory. We'll be right back.

Intro: Hey welcome back to this Sunapee girls basketball championship special edition of YCN Sports Wrap. Well before the commercial break we saw how the Lakers were able to take down the Colebrook Academy Mohawks in the division four finals en route to winning their third straight championship. After the win we caught up with Sunapee's head coach Tim LaTorra as well as the Lakers leading scorer and rebounder Katie Frederick to get their thoughts on the game. We also asked coach what we can expect from the Sunapee girls come the fall of 2017.

PKG 3:34

Outro: Thanks for speaking with us coach and Katie and congrats to you both on your third straight championship. We're gonna take a quick commercial break but when this YCN Sports Wrap special returns we'll be hearing from some more of the seniors to get their take on the win. That's when we come back.

Intro: Hey welcome to a very special championship edition episode of YCN Sports Wrap. I'm your host Andrew Zurheide thanks for tuning in. This week the show will be all about this year's Lebanon High School girls basketball team as we'll be chronicling their ride through the playoffs and into the championship. But first off let's take a look at the beginning of the regular season for the Raiders. Lebanon started off the year on the right foot with two straight wins. But during the second victory, senior captain Meredith Melendy went down with a season ending ACL injury. This left a lot of questions for this relatively young team and many weren't sure if the Raiders could overcome such a significant loss. Their first real test came on December 21st against their rivals the Hanover Marauders, a team that made it to last years finals. Let's now take a look at that game to see if the Raiders were able to step up in place of their captain.

PKG 3:27

Outro: After this victory, Lebanon finished the regular season winning their remaining 14 games en route to an undefeated year and the overall number 1 seed heading into the playoffs. Leb scored an average of just over 51 points a game while allowing just under 30, winning by 22 points per contest. Imagine how well they would've done with a healthy Melendy. We're gonna take a quick commercial break but when YCN Sports wrap returns we'll be moving on to the playoffs as Lebanon first faced off against Goffstown in the quarter-finals. We'll be right back.

Intro: Hey welcome back to this Lebanon girls basketball special championship edition of YCN Sports Wrap. Thanks for keeping it right here. Before the break we took a look at Lebanon's dominant regular season so now let's move on to the playoffs. Lebanon's number 1 seed gave them a first round bye and first put them up against the 8th seeded Goffstown Grizzlies. Lebanon didn't have a hard time in this game winning 62 to 42 as the lady Raiders advanced into the semi finals against the tough fourth ranked Pelham Pythons. These two teams didn't matchup during the regular season but it was expected to be a very strong contest as Pelham only lost two games on the year and those were to the top ranked teams. Let's now check out the semifinals to see who's advancing into the championship.

PKG 7:02

Intro: Hey welcome back to this Lebanon girls basketball special championship edition of YCN Sports Wrap thanks for sticking with us. Intro: Hey welcome back to this Lebanon girls basketball special championship edition of YCN Sports Wrap. Well so far we've covered some of the regular season, the quarters and the semi-finals so now let's move on to the championship game. Lebanon came in with the number 1 seed and an overall undefeated record of 21 and 0. Hollis-Brookline held the 6th seed and came in with a record of 16 and 5. These two teams met on Lebanon's home court back on January 10th. The Raiders won that game easily by 17 points. But this game of course was being played back at the neutral site of Southern New Hampshire University so anything was possible. So without further ado, let's now check out who got the W and who was crowned champion of division two.

PKG 5:41

Outro: Congratulations to the Lebanon Raiders on an unforgettable championship season, it sure was a pleasure to cover this team throughout the playoffs. We're gonna take a quick commercial break but when YCN Sports Wrap returns we'll be taking a look at what Lebanon's head coach had to say about his 5th championship. We also caught up with Wright, Wolke, Wainwright, and Soule to get their take on the game and the season. We'll be right back.

Intro: Hey welcome to a very special championship edition episode of YCN Sports Wrap. I'm your host Andrew Zurheide thanks for tuning in. This week's show will be all about this year's Kearsarge Cougars boys basketball team as we'll be chronicling their ride through the playoffs and into the championship. But let's first begin by taking a brief look at the Cougars regular season.

Kearsarge started off the year with a record of 1 and 2 after Stevens and Hopkinton won close single digits matchups against the cougars. But those two teams are arguably the best in the division so the Cougars began the year with their hands full. They also started off the season with 7 straight away games. But Kearsarge would end up winning their remaining 15 contest en route to the number 1 seed and an impressive record of 16 and 2. The Cougars averaged nearly 64 points a game while allowing just 43, winning by an average of more than 20 points per contest. Taylor Mattos and Tommy Johnson also passed the 1,000th point milestone this year with Mattos getting his on February 16th and with Tommy getting his in the quarter-finals on March 4th.

So now let's move on to the playoffs. In the first round, Kearsarge easily took down the 16th seed Winnisquam by a final score of 64 to 49. The Cougars then faced a tough task in the quarter-finals against a very underrated 8th seeded Campbell. But Kearsarge had beaten them during the regular season and did so once again, winning by a score of 79 to 67. This win advanced the Cougars into the semifinals against the 5th seeded Somersworth Hilltoppers. These teams didn't play against each other during the year but both came into the matchup riding impressive win streaks so a competitive game was expected. So now let's check out the game to see who's moving on to the D3 finals.

PKG 4:30

Outro: In that fourth quarter alone, Kearsarge scored 25 points which matched the same amount the team scored during the game's first three quarters. We're gonna take a quick commercial break but when this special edition of YCN Sports Wrap returns, we'll be bringing you a postgame interview with Cougars head coach Nate Camp. We'll be right back.

We're gonna take a quick commercial break but when this special Kearsarge edition of YCN Sports Wrap returns, we'll be moving on to the championship between this Kearsarge team and the tough Stevens Cardinals. We'll be right back.

Intro: Hey welcome back to this special championship edition of YCN Sports Wrap featuring the Kearsarge Cougars boys basketball team. Well after the Cougars beat Somersworth in the semis, Kearsarge advanced into the division three finals where they faced off against a familiar team the Stevens Cardinals. These two teams matched up twice during the regular season with the home team coming away with the win both times, splitting the series, so a competitive game was expected. Now without further ado, let's take a look at the NHIAA division three boys basketball championship game between the number 1 seed Kearsarge cougars and the third seeded Stevens Cardinals.

PKG 11:20

Outro: It truly was a championship matchup with both teams playing to the best of their abilities. You have to give Stevens credit, they played their hearts out and just came up short in what would've also been the Cardinals first boys basketball title. We're gonna take a quick commercial break but when YCN Sports Wrap returns we'll be bringing you postgame interviews with Coach Camp, Mattos, Johnson and a few other Kearsarge players to get their take on the win. We'll be right back.

**Airing Week: 3-27-17 to 3-31-17**

Intro: Hey welcome to this special championship edition of YCN Sports Wrap. I'm your host Andrew Zurheide, thanks for tuning in. This week we'll just be focusing on this year's boys basketball team from Lebanon, New Hampshire as the Raiders had a very special season making it all the way to the division 2 championship game. But first let's begin by taking a brief look at the Lebanon boys regular season and their road to the playoffs.

Lebanon began the year both on the right foot and literally the wrong foot as senior guard KJ Matte was benched after fracturing his right foot. But the Raiders managed to overcome his absence by winning their first five contests. The Raiders did however lose to a very good Hollis-Brookline team, but finished off the season with a 12 game win streak en route to a tie for the overall number 1 seed and a record of 17 and 1 heading into the playoffs. Lebanon averaged 58 points a game while allowing just over 44, winning by an average of 14 points. Led by Ryan Milliken, it truly was amazing how this team filled the void left by such a crucial player in Matte, the division 2 player of the year last season. KJ was eventually able to come back and contribute after missing the first 12 games.

Because of Lebanon's number one seed, they had a bye in the first round and first went up against 8th seeded Goffstown in the quarter-finals. The Raiders had no trouble advancing with a 62 to 42 win. This is where we'll first take a look at some playoff action in the semi-finals when Lebanon found themselves playing against a familiar opponent the fourth seeded Hollis-Brookline Cavaliers, the one team the Raiders lost to during the regular season. Let's now check out this tough matchup to see if Lebanon was able to get some revenge and advance into the finals.

PKG 4:12

Outro: What a great revenge win it was for Lebanon as the Raiders extended their winning streak to 13 games. We're gonna take a quick commercial break but when YCN Sports Wrap returns we'll taking a look at what Lebanon's head coach Keith Matte as well as a few players had to say about the game. We'll be right back.

Intro: Hey welcome back to this special Lebanon boys basketball episode of YCN Sports Wrap. So after the Raiders beat the Hollis-Brookline Cavaliers in the semi-finals we caught up with Lebanon's head coach Keith Matte to get his thoughts on the win. We also talked with Milliken, Matte and Chickering to hear what they think their team needs to do to win it all in the championship. Let's listen in.

PKG 4:26

Outro: Thanks for talking with us guys and congrats on advancing into the division two state finals for the second year in a row. We're gonna take a quick commercial break but when this YCN Sports Wrap special returns we'll be moving on to the championship between this Lebanon team and Coe-Brown. You won't wanna miss it, we'll be right back.

Intro: Hey welcome back to this special Lebanon boys basketball episode of YCN Sports Wrap. So after the Raiders managed to beat Hollis-Brookline in the semi-finals, Lebanon advanced into the division two championship for the second straight season. The only team standing in the way of the Raiders fifth state title was the third seeded Coe-Brown Northwood Bears. These two teams matched up just two and a half weeks ago back on February 27th when Lebanon won by a score of 74 to 58. And the Raiders came into the game having won 7 straight games against Coe-Brown dating back to 2011. So now without further ado, let's check out this highly anticipated division two title game between the Raiders and the Bears.

PKG 5:24

Outro: Congrats to this year's division two boys basketball champion, the Raiders of Lebanon. It was a remarkable season with no small amount of adversity. But this Raider team was able to get it done after coming up just short a year ago. We're gonna take a quick commercial break but when this YCN Sports Wrap special returns, we'll be taking a look at what coach Matte as well all 5 starters had to say about the win and how it now feels to be the first Lebanon boys basketball champs since 1998. We'll be right back.

Intro: Hey welcome back to this Lebanon boys basketball special episode of YCN Sports Wrap. Well before the break we watched the Raiders beat Coe-Brown in the D2 finals to be crowned champs for just the fifth time in Lebanon's history. After the game we caught up with coach Matte and all five of Leb's starters to hear what they had to say about the game. We also learned what it feels like to finally be champions after coming up short just a year ago. Let's listen in.

PKG 6:04

Outro: Thanks for talking with us guys and congrats to you and your team on an unforgettable championship season. Well that's gonna do it for this week's Sports Wrap. Be sure to tune in next week when we'll have another championship special for you. But this time we'll be switching sports to ice hockey as the Hanover Marauders girls team made it back to the D1 finals. As always, I'm your host Andrew Zurheide. Have a great week everyone.
