

## Quarterly Issues Programs List KPGR 88.1 FM Pleasant Grove

November 16, 2020

KPGR serves our listeners by broadcasting Public Service Announcements daily. These announcements are produced by a variety of providers. Students are also involved in the production of public service announcements.

KPGR broadcasts our sporting events over the air as a service to our listeners. This quarter we broadcast every football game along with 5 soccer games, and 4 volleyball games.

KPGR is working with local musicians to promote the local music scene. We have had multiple artists live on the show via Microsoft Teams and two in person with Covid Safety Precautions in place.

KPGR plays a regular rotation of locally produced and recorded music. This quarter the band Segó sat down and talked with students about the music industry and the process of getting music heard by a large audience.

KPGR DJ's have produced live stream videos for the public for High School sports and Disc Jockeys have announced the live stream location on air.
