I just got a call from Jill Sherman saying her brother Duane told her that Judge Colegrove is sponsoring a dinner event where KIDE is hosting a candidates forum. Jill said she is leery of attending this event, as what she is hearing is the perception that a candidate is co-producing the event. She requested a separate time in the KIDE studio. I assured her that KIDE and TRT are sending our invitations to all candidates for the June 1st event, and she has the right to request any other date to use KIDE as a campaign tool.

Absolutely. I'll send you a draft open invitation letter to the candidates shortly.
