ISSUES OF CONCERN TO LAUGHLIN, NV
ADDRESSED DURING 2nd QUARTER 2015
KMCC, LAUGHLIN, NV

ISSUE: NUTRITION, FOOD and HEALTHY LIVING

ZumbaThon 2015 For The American Heart Association

30- Second Announcement

Zumbathon 2015 is an event associated with the American Heart Association that promotes fitness and well-being. The community is invited to participate in exercise activities and are exposed to information for heart safety. The event took place where over 400 attendees danced and were educated in health issues. This message aired approximately 40 times during quarter.

Teach Early Campaign

15-Second Announcement

30-Second Announcement

This 30-second announcement educates the community of the prevention of domestic violence. The Teach Early spot is a montage of fathers with their sons in activities. It states the importance of communicating with their children about healthy, non-violent relationships. This message aired approximately 39 times this quarter.

Stroke FAST

30-Second Announcement

The American Heart Association's campaign of F.A.S.T educates the community to remember the signs of a sudden stroke. F.A.S.T stands for Face Drooping, Arm Weakness, Speech Difficulty and Time to Call 9-1-1. It stresses the importance of awareness of symptoms that can help save a life. This message aired approximately 35 times during the quarter.

Sober Mom and Healthier Babies

30-Second Announcement

This animated announcement is to educate the community of the problem of drug and alcohol abuse by pregnant women. Presented in Spanish, it is a montage of a pregnant woman with objects of abuse; it changes with arm reaching out for the pregnant woman and other positive images. Then offers a website and phone number where one can turn for information. This message aired approximately 38 times during the quarter.

Keeping Food Properly Cooled

15-Second Announcements

The goal of this campaign is to teach food storage safety techniques. Presented in Spanish, and produced by FoodSafety.gov, the gateway to food safety information provided by government agencies, the message provides instruction on the importance of keeping certain foods cooled and how to cool foods in storage before cooking. Messages aired throughout the broadcast day, approximately 30 times during this reporting period.

Food Safety

15-Second Announcement

(2)30-Second Announcements

The goal of this campaign is to teach food handling safety techniques. Presented in Spanish, and produced by FoodSafety.gov, the gateway to food safety information provided by government agencies, the message warns of cross contamination of certain foods and provides instruction on the importance of keeping certain foods separated during storage and cooking, using different cutting utensils in preparing chicken and carrots, for example. Messages aired throughout the broadcast day, approximately 25 times during this reporting period.

ISSUE: COMMUNITY SERVICE

Green to Grads Fundraiser

April 1st

McDonald's North Las Vegas

KMCC participated in this activity that helped to raise funds for scholarships for Southern Nevada students. Talent had to help in a McDonald's fast food establishment for a few hours. \$1 for every value meal purchased went to the Ronald McDonald House Charities of Greater Las Vegas Scholarship fund.

National Travel and Tourism Week

15-Second Announcement

May 2nd -10th

The annual salute to travel and tourism in America is celebrated by the Las Vegas Convention and Visitor Association (LVCVA) with this spot. The spots had various entertainers from the Las Vegas strip and local celebrities informing the community of the week. The LVCVA had various events throughout the week to help commemorate the celebration for those who help the local economy. This message aired approximately 25 during the quarter.

Community Calendar

60- Second Announcements

This on-going campaign provides information on local events that are free to community and are geared to community involvement. Most events are provided by non-profit organizations and encourages the community to learn about each other. These messages are updated weekly. These messages have aired approximately 100 times during the quarter.

ISSUE: ANIMAL CONSERVATION
