<p>April is Parkinson's Awareness Month -----</p> <p>April is National Minority Health Month -----</p> <p>Improving your health in Covid era -----</p> <p>New business in Florida despite the challenges of the economy</p>	<p>Florida Exclusivo</p>	<p>Each year, 60,000 people are first diagnosed with Parkinson's disease, and more than one million Americans are currently living with this neurodegenerative disease. -----</p> <p>The motto for 2021 is "Let's work together to achieve equity in health."</p> <p>Learn more and help raise awareness about health disparities affecting minorities. -----</p> <p>Can you really walk your way to fitness? A combination of physical activity and cutting calories seems to help with weight loss more than does exercise alone. Physical activity, such as walking, is important for weight control because it helps you burn calories. If you add 30 minutes of brisk walking to your daily routine, you could burn about 150 more calories a day. -----</p> <p>As a Hispanic family amid this pandemic, and how they had the courage to open a restaurant.</p> <p>Their inspiring story</p>	<p>Leslie Ledee-Lozada, PhD., and Adolfo Diaz, BSBA, PTA., Creator of the Parkinson Foundation Helpline -----</p> <p>Mirna Chamorro Spokesperson Florida Department of Health -----</p> <p>Dr. Mairene Hernandez Chief Medical Officer for United Health Care -----</p> <p>Sandra Rivera Attorney and Entrepreneur</p>	<p>4/3/2021 6am-7am</p>	<p>1hr.</p>

<p>Myths and truth COVID-19</p> <p>-----</p> <p>Shave your head Challenge seeks to unite the public in a virtual shave of solidarity for children with cancer</p> <p>-----</p> <p>Myth and truth about diets and fasting</p>	<p>Florida Exclusivo</p>	<p>We are going to unmask the most common myths around the Coronavirus vaccine. The vaccine will give you COVID-19. The development process skipped key safety steps. An mRNA vaccine could give you COVID-19. If other people get vaccinated, I don't need to get the vaccine. When it comes to vaccine brands, one is better than others. I do not need to wear a mask or maintain safety measures after receiving the vaccine. Now that vaccines are available, we will be back to "normal" very soon.</p> <p>-----</p> <p>Be part of this challenge by shaving your head or donating your hair individually, on Wednesday, April 14. Capture the moment in a photo or video and upload it to social networks by tagging Fundación CAP.</p> <p>-----</p> <p>Are You're overwhelmed by daily decisions about what to eat, how much to eat, when to eat, and how much physical activity you need to be healthy? If so, don't be discouraged because you're not alone. With so many choices and decisions, it can be hard to know what to do and which information you can trust.</p>	<p>Dr. Victor Herrera, Associate Medical Director and Infectious Disease Specialist at AdventHealth</p> <p>-----</p> <p>Nydia Fernandez Executive director CAP Foundation</p> <p>-----</p> <p>Ximena Jimenez Nutritionist</p>	<p>4/10/2021 6am-7am</p>	<p>1 hr.</p>
