To Whom It May Concern:

The purpose of this letter is to provide television stations with certified documentation that VT Entertainment, the producer and owner of *Jack Hanna's Animal Adventures*, designs the programs to educate and inform children 13 to 16 years of age.

All *Jack Hanna's Animal Adventures* live action television programs are designed to meet the educational and informational needs of children.

In all programs cameras follow Jack as he spends time with nature's creatures across the continents. Jack interacts with people that are knowledgeable about animals and their habitats, and educates as he travels the globe. Each program is designed to reveal the world in a way that presents positive role models and pro-social values within an environmentally responsible universe.

In order for parents, children, and listing services to clearly identify the programs as ones that fulfill the FCC description of a program that meets kids' educational television needs, the beginning of each program includes a 15 second video billboard with the recommended rating TV-G and the E/I rating is displayed throughout the entire program.

Sincerely,

Kathryn Deyerle
President
