WZLD-FM
QUARTERLY ISSUES/PROGRAMS LIST

ISSUES

WZLD-FM provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

Childhood Obesity - Children that are not active tend to be overweight and in cooperation with the Ad Council, we aired a series of announcements urging parents and children to spend time together in outdoor activities.

May: National Foster Care Month - Local children in need of foster care by local families is an important issue and we aired a series of announcements in cooperation of Youth Villages of Mississippi informing listeners about this important part of many local children.

Show Your Stripes Campaign - More than a million veterans are returning home over the next few years and we are leading the effort to help these men and women find jobs using their elite military training and professional skills. We aired a series of 15, 30 and 60 second announcements urging local businesses to "Hire a Vet".

Get out and Vote - May and June were months with Primary and General elections for local offices. We aired a series of 30 second announcements urging listeners to "get out and vote".

Education - We aired a series of 30 second announcements informing our young listeners about the importance of an education. We focused on high school and college entrance. Special guests included local Education Foundation Director and former local college athlete who has become successful in business.

Emergency Preparedness - Recent severe weather, such as the devastating February tornado, has local residents more concerned about the upcoming Gulf hurricane season. We aired a series of 30 second announcements urging listeners to be prepared with a severe weather family plan.
