But next time on *The Alternative*, Dr. Tony Evans offers another explanation... and reveals why a crisis may be the best thing that ever happened to us. That's coming up Tuesday at [TIME] on *The Alternative with Dr. Tony Evans*, here on [STATION].

**WEDNESDAY, DECEMBER 12, 2018**

Jesus said we could do anything if we trust him enough. But Dr. Tony Evans says that can be hard when the problems and pressures of life keep piling up. Well, next time on *The Alternative*, he has some encouragement for you as he takes a look at the concept of faith. Be sure to join us Wednesday at [TIME] for *The Alternative with Dr. Tony Evans*, here on [STATION].

**THURSDAY, DECEMBER 13, 2018**

You can fill your gas tank with water, but it's not gonna get you anywhere. Next time on *The Alternative*, Dr. Tony Evans says that people make crazy choices like that every day, trying to fill the empty places inside them. Find out why only God can fill you up so you stay filled and discover how that process works when you join us Thursday at [TIME] for *The Alternative with Dr. Tony Evans*, right here on [STATION].

**FRIDAY, DECEMBER 14, 2018**

Somewhere between what we think and what we say, there's supposed to be a filter that catches harmful words before they get out. But next time on *The Alternative*, Dr. Tony Evans says that filter doesn't always work the way God wants it to and offers biblical advice on how to make it more effective. Be sure to join him Friday at [TIME] for *The Alternative with Dr. Tony Evans*, here on [STATION].
