A downtown void of music, plays, and performance, lifeless streets in the evenings, ghosts of historic and palatial theater spaces long gone. Thankfully, the vision and passion of a few stubborn visionaries have both preserved and persevered to allow a flourishing arts community to thrive. The future is bright as our cultural heritage marks time while surging forward. To discuss CAPA's 50 years in Columbus, we welcome Chad Whittington (President and CEO at CAPA), Michael Coleman (Former Mayor of Columbus), Larry Fisher (Co-Founder of CAPA), and host Mary Yost (Editorial Page Editor at The Columbus Dispatch).

We look forward to welcoming Jack Marchbanks, Ph.D., the new Director of the Ohio Department of Transportation. Marchbanks will discuss the most pressing transportation needs and opportunities facing the state, including first and last mile mobility, infrastructure issues, and on-going funding. 5/10/2019	Columbus Metropolitan Club-Ohio's Education Funding Rubik's Cube	52	8:30 PM	22.6	It is an accepted fact that school funding in the State of Ohio is as debated as it is confounding. Questions surrounding its equity, not to mention is constitutionality, have been plaguing the state for almost two decades. Up until last week, it seemed that a new bipartisan approach was going to be implemented, but has now been held up for further refinement. To understand the murky waters of educational funding, we welcome Howard Fleeter (Owner of Fleeter & Associates), Melissa Cropper (President of the Ohio Federation of Teachers), Tracy Nájera (Executive Director of the Children's Defense Fund), and host Jim Siegel (Ohio Statehouse reporter at The Columbus Dispatch).

5/24/2019	Columbus Metropolitan Club- Criminal Sentence Reform Part 1	51	9:00 PM	22.6	Prison populations are exploding. Overcrowded prisons lead to concerns about safety and human rights, not to mention the tremendous financial burden. Alongside this, we see an increase in drug-related incarcerations, especially those fueled by the opioid epidemic, which raises the perpetual discussion of the values of incarceration versus treatment. And of course, there is the age-old question about rehabilitation, post-prison life, and reintegration into society. We dive into the deep end of this discussion by inviting three men who have made it a professional priority to reform criminal sentencing: Larry Obhof (State Senator for District 22 and President of the Senate), Ron O'Brien (Franklin County Prosecutor), Zach Klein (Columbus City Attorney), and host Karen Kasler (Bureau Chief of the Statehouse News Bureau).
5/25/2019	Missing	30	10:30 AM	22.5	Missing highlights missing persons from around the country and offers tips and suggestions to young people to help avoid being abducted by strangers
5/31/2019	Columbus Metropolitan Club- Ethics, Cost, and Comfort at the End of Life	52	9:00 PM	22.6	It's a fact, there is an end of life for all of us. And, of course, we all want to ensure that we, and our loved ones, die in the most dignified, humane, and comfortable circumstances. For most people in developed countries, palliative care and hospice ensure that these goals are achieved. But, when you strip away these desires, concerns can be raised. The incredible expense. The lingering, sometimes protracted, decline. The emotional and psychological strain on the dying and their family members. And then there are the sensitive questions of "how long should you keep someone going?" and "what about euthanasia?" Our panel will feature Ryan Nash, MD, MA (Director of The Ohio State University Center for Bioethics and Director of Division of Bioethics, Department of Biomedical Education and Anatomy), Robert Rivas (General Counsel for the Final Exit Network), and host Jo Ingles (Reporter at The Statehouse News Bureau).

6/7/2019	Columbus Metropolitan Club- Criminal Sentence	53	9:00 PM	22.6	We are splitting this important topic into two separate forums. On May 22, we explored criminal sentence reform from the lawmaker's perspective. On June 5, the view will be from
6/8/2019	Missing	30	10:30 AM	22.5	Missing highlights missing persons from around the country and offers tips and suggestions to young people to help avoid being abducted by strangers

6/14/2019	Columbus Metropolitan Club- The Power of Diversity	55	9:00 PM	22.6	Studies indicate that organizations with diverse leadership and staff are more innovative and successful. Central Ohio has a rapidly increasing, diverse population so business, government and nonprofits should adapt appropriately. How can we build a thriving civic culture where varied perspectives come together to empower a shared community and, how do we thoughtfully become more inclusive of groups who have not traditionally had a seat at the table? Featuring AJ Casey (Executive Director of Stonewall Columbus), Jackie Merkle (Supervisor of Equity and Inclusion at Olentangy Local Schools), Kevin Boyce (Franklin County Commissioner), and Nichole Barnes Marshall (Vice President and Chief Diversity and Inclusion Officer at L Brands).
6/14/2019	Columbus Rotary	29	12:00 PM	22.6	Rusty Orben, Resident Vice President of CSX. CSX - How Tomorrow Moves.
6/15/2019	Missing	30	10:30 AM	22.5	Missing highlights missing persons from around the country and offers tips and suggestions to young people to help avoid being abducted by strangers
6/21/2019	Columbus Metropolitan Club- Sports Gambling, in Ohio?	59	8:30 PM	22.6	Sports gambling is hugely popular throughout the world with an estimated \$250 billion in bets made annually. The US already accounts for \$40 billion. However, it was only legal in the US in the state of Nevada – until May 2018 when the US Supreme Court made it permissible for individual states to pass their own laws surrounding sports gambling. With the proposal of House Bill 194 and Senate Bill 111 Ohio became one of 29 states with pending legislation to permit sports betting. While the economic potential is enormous (consider the tax revenue), there are many concerns. Gambling addiction, regulatory questions, and the effect it has on teams, individual players (professional and amateur), and sports leagues leaves some people wondering if it's all too good to be true. Our panel will feature David Greenspan (State Representative from the 16th District), one of the primary sponsors of HB 194, as well as Nicole Metzgar-Schall (Corporate Counsel at Sportradar) and host Doug Buchanan (Editor in Chief at Columbus Business First).
6/21/2019	Columbus Rotary	36	12:00 PM	22.6	Kathryn Sullivan - Bring your graduate to Rotary. Former NASA Astronaut. Reflections from Sea and Space Frontiers.
6/22/2019	Missing	30	10:30 AM	22.5	Missing highlights missing persons from around the country and offers tips and suggestions to young people to help avoid being abducted by strangers

6/28/2019	Columbus Metropolitan Club- Redistricting Ohio	54	8:30 PM	22.6	On May 3, the US District Court for the Southern District of Ohio ruled that Ohio's congressional districts, signed into law in 2011, constitute an "unconstitutional partisan gerrymander under the First and Fourteenth Amendments." The ruling required that the state must redraw district lines by June 14, but that order has been delayed. Ohio is one of several states to have its districts ruled unconstitutional while the US Supreme Court considers similar Maryland and North Carolina cases. (Opinions in these cases are due in June!) Redistricting Ohio's congressional maps has enormous political consequences and we are staying ahead of this breaking news with our panel which features Freda Levenson (Legal Director of the ACLU of Ohio), Daniel P. Tokaji (Associate Dean for Faculty and Ebersold Professor of Constitutional Law at The Ohio State University Moritz College of Law), Terry Casey (Republican Strategist and Commentator), and host Mike Thompson (Chief Content Officer at WOSU).
6/29/2019	Missing	30	10:30 AM	22.5	Missing highlights missing persons from around the country and offers tips and suggestions to young people to help avoid being abducted by strangers
