Sioux Empire United Way

February 26, 2019

Sunny Radio

Sioux Falls SD 57107

Dear John,

Thank you.

The words are simple, but can't be said enough to express our appreciation in your donation of in-kind media to Sioux Empire United Way.

Our role in the community is simple; we help people help our community. And while it sounds easy, it's often hard for people to understand the immeasurable impact they have on their neighbors by supporting Sioux Empire United Way.

So, thank you. Thank you for providing us the opportunity to not only share our story, but to share the story of our 40 funded agencies. Thank you for allowing us the opportunity to tell others about the importance of having quality childcare, basic nutrition, housing assistance, dementia care, and numerous other services available for everyone in the Sioux Empire.

Sioux Empire United Way was formed in 1929 when our community banded together to meet basic human needs. We are proud to carry on that tradition and appreciate this opportunity.

We have enjoyed partnering with you the past three years to share our Donate a Difference message. Thank you again!

Sincerely,

A handwritten signature in blue ink that reads "Brandi Miller".
