

Hi! Jack, Leslie, & the wonderful
people at Enterncom Seattle,
It's so wonderful that you are
taking time out of your monthly
meetings to hear from local nonprofits,
and I was honored to be invited,
as a rep from YouthCare. You all
have been great partners in support of
our community's most vulnerable youth &
people - some of whom are listeners &
hear your support & for taking action to
address the tough issue of youth
 homelessness in our community. Mainly, YouthCare
