captions as expected. In addition, station personnel are working with the programming provider to determine whether additional steps can be taken to prevent similar issues from occurring in the future.

Cox Media Group takes great pride in serving the Orlando market and provides local viewers with closed captioning information that fulfills its obligations under the FCC's rules. As part of its ongoing dialogue with the community, Cox Media Group provides several approaches by which Ms. [redacted] and other viewers can share their questions or concerns about the WFTV(TV) closed captioning service. A viewer can report any closed captioning problems by sending a message to the station's Technical Hotline mailbox at [captioning.complaint@wftv.com](mailto:captioning.complaint@wftv.com). In addition, viewers can contact WFTV(TV) by telephone for assistance with closed captioning. A station representative responds to any and all viewer closed captioning comments or complaints within one business day of receipt.

If Ms. [redacted] has any further questions or concerns, we urge her to contact the station directly so Cox Media Group's engineers can help to troubleshoot any additional issues Mr. [redacted] may be experiencing.
