	AUGUSTA IN REVIEW - Georgia Cancer Center	Georgia Cancer Center- Dr. Martha K. Terris, Witherington Distinguished Chair in Urology and chief of the Section of Urology at the Medical College of Georgia at Augusta University (REBROADCAST)-Dr. Terris discussed prostate cancer and its effects on family, finances, social and emotional outcomes on patients in the Augusta River Region. Prostate cancer is one of the most common types of cancer in men. Usually prostate cancer grows slowly and is initially confined to the prostate gland, where it may not cause serious harm. However, while some types of prostate cancer grow slowly and may need minimal or even no treatment, other types are aggressive and can spread quickly. We also discussed the upcoming Blue Ribbon Prostate Cancer walk happening at the Summerville AU Campus in an effort to bring more awareness to the disease.	Witherington Georgia Cancer Center		
First Tee/Fund Raising Event	AUGUSTA IN REVIEW - First Tee of Aiken	----- First Tee Of Aiken)- Heidi L. Hoffman-Executive Director-The First Tee of Aiken- discussions centered around the mission and goals and history of First Tee of Aiken- The First Tee started as a way to bring an affordable junior golf program to youth and communities that did not have them. What The First Tee soon discovered was that blending the rules of the game with life and leadership skills, kids and teens didn't just learn how to putt – they were learning important values. Also discussed sponsorship, volunteer, programs and fundraising efforts that fund the first Tee of Aiken.	Heidi L. Hoffman First Tee of Aiken	09/01/2019 07:31 AM	024:51
