**Re: Children's Programming Certification**

Dear Nisha:

This letter is in connection with the Children's Television Act of 1990 and the requirement under FCC regulations that cable television systems maintain records sufficient to determine whether they are in compliance with the commercial content restrictions of the Act for "children's programming" which is defined as "programs originally produced and broadcast primarily for an audience of children 12 years old and younger."

As requested, this will confirm that for the first quarter of 2019, Game Show Network, LLC certifies that the GSN Network is in compliance with the commercial content restrictions of the Act.

To whom it is concerned:

This letter is in response to your request regarding Newsmax Closed Captioning requirements.

Newsmax Broadcasting currently meets requirements set by the FCC requirement of Closed Captioning (See 47 C.F.R. § 79.1). Newsmax uses a service by EEG called Lexi, which is a cloud based system that translates the speech to text, then sends it to an EEG encoder model HD 490, which embeds the captioning into our broadcast stream that is then distributed to our linear and digital partners.

Additionally Newsmax Broadcasting is not an over-the-air broadcaster so the Children's TV Act does not apply.

Included is a letter regarding Newsmax "Calm Act" compliance.

Should you have any questions or need further assistance please feel free to contact me directly.

Sincerely,

Michael Clemente

**Certification of Compliance: FCC Children's Television Requirements**  
**January 1, 2019 through March 31, 2019**

On behalf of the Trinity Christian Center of Santa Ana, Inc., d/b/a Trinity Broadcasting Network (TBN), this is to certify that the program services named below comply with the FCC's children's television programming and commercial time limit obligations specified in FCC Rules 73.671 and 73.670 (47 CFR 73.671 and 73.670), respectively.

TBN is a not-for-profit, tax-exempt church corporation qualified under section 501(c)(3) of the Internal Revenue Code (26 USC 501(c)(3)). During the period of time covered by this certification, TBN did not air more than 10.5 minutes of commercial matter per hour during children's programming on weekends, or more than 12 minutes of commercial matter per hour on weekdays.

The following children's programs aired during the period of time covered by this certification:

The Story Keepers  
Pahappahoey Island  
RocKids TV  
Auto-B-Good  
Hermie and Friends  
VeggieTales

Monster Truck Adventures  
Gina D's Kids Club  
Superbook

\* As specified in Children's Television Obligations Of Digital Television Broadcasters, FCC 04-221 (¶24), "digital broadcasters [are permitted] to air all of their additional [three (3) hours of] digital [children's] core programming, beyond the three (3) hour baseline on the main digital program stream, on one free digital video channel or distribute it across multiple free digital video channels, at their discretion, as long as the stream/s on which the core programming is aired has comparable carriage on multichannel video programming distributors ("MVPDs")." Accordingly, the combined JUCE and SMILE program service has a core block of children's programming of a minimum of nine (9) hours per week. Three (3) hours of that block provide compliance with FCC Rule 73.671 for the TBN Enlace service, and three (3) additional hours provide compliance for the Hillsong Channel service. In addition, the TBN service provides a Saturday core block of a minimum of three (3) hours children's programming and the TBN Salsa service, broadcast in January and February, 2019, provided a Saturday core block of a minimum of four (4) hours of children's programming. Starting March 1, 2019 TBN Salsa was replaced by the TBN HD simulcast providing a Saturday core block of a minimum of three (3) hours children's programming.
