## **Discovery Networks, U.S. policy statement on TV Parental Guidelines**

Discovery Communications, LLC supports the goals of the inter-industry task force to provide parents with advance, cautionary program information that's simple to use, and has always been committed to offering quality non-fiction programming that educates, enlightens and informs our viewers. To that end, each of our cable networks may — at times — air documentaries that depict the consequences of violence through the use of graphic images, which underscore the seriousness of the acts committed. While we believe that such content is neither gratuitous nor without social context, Discovery Communications, LLC historically has pro-actively included advisories in programs that contain violence, nudity, objectionable language and other adult themes.

Discovery Networks, U.S., including Discovery Channel, TLC, and Animal Planet will participate in the voluntary ratings program and expects to continue to rate programs that we determine are not subject to the news/news magazine exemption.

The Hub, which is distributed by Discovery Communications, LLC, is equally committed to voluntarily rating its programming.

Oprah Winfrey Network, which is distributed by Discovery Communications, LLC, is equally committed to voluntarily rating its programming.
