Free to the public -

September is Library Card Sign-up Month, a time when the American Library Association (ALA) and libraries nationwide join together to remind parents, caregivers and students that signing up for a library card is the first step towards academic achievement and lifelong learning.

The staff and board of trustees of your library, Jerseyville Public Library, want to remind City residents that you pay to maintain (and prosper) your Library; so, why not take advantage of what it has to offer? Those who do not live in the City may purchase a card at the average cost to City residents, \$155, per household, per year. That is just \$12.92 a month!

If you have never had a card, "Giddy up to your library partner" and staff will give you a tour to show you what you have been missing. If you have an expired card, now is the time to renew. New members and renewed will be included in a drawing for prizes as well anyone who brings in new members. The drawings will take place at a Welcome Party.

Jerseyville Public Library activities for Sign-Up Month include *Toy Story* themed crafts at the kids' craft table all month.

On Saturday, September 7, 10:00 am the Lego Club, ages Pre-K - Grade 8, will be making *Toy Story* themed creations or children may design their own. Legos are provided.

On Saturday, September 21, 1:00 - 3:00 pm, teens and tweens are invited to create Frankentoys. Just like Sid from *Toy Story*, participants will use broken toy pieces to make their own Frankentoys. Toys will be provided to design their creations but participants may bring toys from home if they wish.

We will top off Library Card Sign-Up Month with a celebration of new members Welcome Party. Everyone is invited to an evening with refreshments, drawings and the showing of *Toy Story 3*, on Monday, September 30 at 6:00 pm.
