Dear Affiliate Partner:

To assist you in complying with the reporting requirements for children's television and the requirement that stations air "core" children's programming, we are providing you with episode-specific descriptions (the 'NBC Kids' educational and informational programming block) as set forth in the attached Community Relations Quarterly Children's Programming Report for the 2nd quarter of 2015. The report includes information to help prepare FCC Form 398. Please note that we have not included the specific dates and times for each of the programs as that may be station-specific.

This report is divided into the following categories:

1. Educational Objectives: NBC Kids for both 2nd quarter 2015 and 3rd quarter 2015.
2. Core programming: Regularly scheduled programming furnished by the NBC Network that is specifically designed to serve the early educational and informational needs of children 16 and under. Each of these programs is identified on-air as educational and informational with the "E/I" icon, and is similarly identified to the national listing services. To assist stations with the preemption report section of FCC Form 398, we have added specific episode numbers. Please note that the age target for NBC Kids programming is identified as 2-5 years old.
3. Other programming: Programming furnished by the NBC Network that contributes to the educational and informational needs of children 16 and under, but is not specifically designed to meet the educational and informational needs of children.
4. Public service announcements targeted to children 16 and under.
5. Non-broadcast efforts that enhance the educational and informational value of NBC Network programming to children.
6. Network on-air promotional efforts, which include a schedule of NBC on-air promos for NBC Kids programming.

The regularly-scheduled children's programming and promotional content furnished to you by the NBC Network during the 2nd quarter of 2015 complied with the commercial limits of the Children's Television Act, and 47 C.F.R. §§ 73.670(a)-(d), provided that you broadcast and distributed such programming as furnished to you by NBC, and did not add any promotional or advertising content thereto other than as directed by NBC via weekly postings on APT.

If you have any questions about these reporting requirements, please feel free to call us.

**Antenna TV Network
Children's TV Commercial Compliance Certification
2ndQ 2015**

Antenna TV certifies that for the 2nd quarter of 2015, all programs produced and broadcast for children ages 12 and under were formatted for not more than 10.5 minutes per hour of commercial time, the limit for weekend telecasts. The programs were:

There were no programs designed for children twelve years old and younger scheduled for broadcast during this period.

There was no commercial time available for Antenna TV affiliates in or between these programs. Thus, the programs were formatted in compliance with the Children's Television Act of 1990 and applicable Federal Communications Commission rules. In addition, the programs as delivered are in compliance with Sections 73.670(a) through(d) of the Commission's Rules, including restrictions on host selling and displays (if any) of website addresses.
