

KTXA ISSUES/PROGRAM REPORT

APRIL 1-JUNE 30, 2019

Attached are listings of broadcasts that, in the Licensee's judgment, reflect the most significant programming treatment of ascertained issues during the preceding three months. The Licensee broadcasts a regularly scheduled local public affairs show, Plugged into DFW, Saturdays at 6:30am. The Station also runs a number of public service announcements throughout each quarter of the year.

ISSUE – Medical/Health

Airdate 4/13/19

Topic: Parkinson's Awareness Month

Host: Russ McCaskey

Guest: Dr. Nirav Pavasia, M.D., Movement Disorder Specialist with Neurology Consultants of Dallas and on the DAPS Medical Advisory Board; Mike Miles, Executive Director, Dallas Area Parkinson's Society; John Call, Parkinson's disease patient; and Wanda Call, caregiver

Synopsis: Discussion focused on the cause, diagnosis, symptoms, treatment and prognosis of Parkinson's Disease. Discussed the mission of the Dallas Area Parkinson's Society, resources that it offers to those afflicted with the disease, and the challenges that people face with this disease.

Airdate 4/20/19

Topic: "Clean and Lean" by Dr. Ian Smith

Host: Russ McCaskey

Guest: Dr. Ian Smith

Synopsis: Discussion regarding the book "Clean & Lean - 30 Days, 30 Foods, a New You" with author Dr. Ian Smith. Discussed the importance of maintaining a healthy diet, intermittent fasting, meal planning, snacking, and exercise.

Airdate 5/4/19

Topic: Stroke Awareness Month

Host: Russ McCaskey

Guest: Dr. Ishwara Sankara, Neurointensivist, Texas Health Fort Worth; Dr. Cortney Baker, Stroke survivor; James Ryan, stroke coordinator, Texas Health Fort Worth; Kristi Esposito, American Heart Association Quality & Systems Improvement Director, North Texas

Synopsis: Discussion covered signs, symptoms, prevalence, the different types of strokes, risk factors, and treatment of a stroke. Discussed the importance of receiving medical care quickly. Provided information regarding the resources available to North Texans at the American Stroke Association, and how to move forward with one's life after suffering a stroke.

Airdate 6/1/19

Topic: Alzheimer's Awareness Month

Host: Russ McCaskey

Guests: Jennifer T. Arnouville, D.O., Geriatric Medicine; Laura McEntire, LCSW, ACSW - Health Systems Director - Alzheimer's Association, Texas; Mary Jane Ashton, Caregiver and Roger Ashton, Alzheimer's Patient; Robin Gail, Author

Synopsis: Discussion on the signs, symptoms, causes, treatment and life expectancy for those living with Alzheimer's, which currently affects nearly 400,000 people in Texas alone. Featured on the show was several caregivers and a patient living with Alzheimer's. Discussed the differences between Alzheimer's and dementia. Discussed the prognosis for a cure and more effective treatment of the disease.

Airdate 6/8/19

Topic: Clean Cuisine/Multiple Sclerosis

Host: Karen Borta

Guest: Ivy Larson, Author

Synopsis: Ivy Larson shared her story of being diagnosed with MS over 22 years ago and her nutritional approach to combating this inflammatory disease. With the help of a doctor and group trials, she has created the "Clean Eating" diet based on anti-inflammatory foods packaged in their most natural and nutrient-rich state. She shared her advice on what has been effective for her.

ISSUE – Domestic/Community Issues

Airdate 4/27/19

Topic: Child Abuse Awareness Month

Host: Karen Borta

Guests: Wayne Carson, ACH Child & Family Services CEO; Wes Cunningham, Program Manager, Services to At-Risk Youth; Jenny Terry, Program Manager, Homeless Services

Synopsis: Discussion on what child abuse is, warning signs, what to do if a person suspects abuse, how to prevent it, and the resources available to the community in Fort Worth at ACH. Provided both the Texas and national number to report suspected cases of child abuse.

Airdate 5/25/19

Topic: Our Father's Children

Airdate 6/15/19

Topic: Hunger

Host: Madison Sawyer

Guest: Trisha Cunningham, President and Chief Executive Officer of the North Texas Food Bank

Synopsis: Discussion centered on what the NTFB is doing to fight hunger and food insecurity in the DFW area and ways the community can get involved to help.

Airdate 4/6/19

Topic: Project 4031

Host: Karen Borta

Guests: Kristina Robertson & Joshua Robertson, Co-Founders; Jennifer Davis & Brandin Davis, Project 4031 Recipients; Kendall Riddell, Executive Director

Synopsis: Discussion centered on the mission of Project 4031 and how they assist terminally ill children and adults with a life expectancy of 6 month or less by offering financial support or fulfilling last dreams.

ISSUE – Public/Family Safety

Airdate 6/22/19

Topic: Summer Safety Tips

Host: KTVT Meteorologist Jeff Jameson

Guests: Jesus Alderete, Senior Injury Prevention coordinator at Children's Health; Dr. Angela Bowers, Founding Physician of Southlake Dermatology; Daniel Armbruster, Corporate Spokesperson & Community Relations, AAA Texas/New Mexico; Eric & Michelle Stuyvesant, Son Almost Died in Hot Car

Synopsis: Discussion included drowning prevention, swimming pool safety, sunburn prevention, hot car death prevention and road trip safety during the summer vacation season.

ISSUE – Finance

Airdate 5/11/19

Topic: 2nd Quarter 2019 Financial Planning

Host: Russ McCaskey

Guest: Jim Lacamp, Financial Advisor

Synopsis: Discussion centered on recent volatility in the stock market due to China Tariff uncertainty; lower interest rates and its effect on the housing market; when is the right age to get their first credit card; and why women are falling behind in retirement savings and what can be done.

ISSUE – Environment, Weather & Science

Airdate 5/18/19

Topic: Sustainable Living

Host: KTVT Meteorologist Jeff Ray

Guests: Gary Cocke, Associate Director for Energy Conservation and Sustainability at The University of Texas at Dallas; Brittany Rosenberg, City of Fort Worth, Material Management Planner; Flavia Paulino, City of Fort Worth, Material Management Marketing Analyst; Val Lopez, TxDot

Synopsis: Discussion centered on ways to live more sustainably in order to reduce one's carbon footprint, the effect of wasting food on the environment, composting, and automobile emissions.

Airdate 6/29/19

Topic: Weather 101 and Science Stuff

Host: KTVT Meteorologist Jeff Ray plus KTVT Chief Meteorologist Scott Padgett and KTVT Meteorologists Jeff Jamison and Anne-Elise Parks

Synopsis: Discussion centered on how weather and science affects people in their daily life. CBS11 Meteorologist Anne-Elise Parks reports on the dangers of heat during the summer months, as heat is the #1 weather-related cause of death in the U.S. Discussion covered the issue of the DFW area growing faster than the availability of water. Jeff Ray showed how a fallen tree can cause a major pollen issue for people, as well as dry windy days. Other items to be watchful of included: mosquitoes, protection from the sun, and maintaining trees during severe weather periods.
