Preemption Announcements  
Saturday, July 6, 2019

To: General Manager / Program Director / Sales Manager / Promotion Manager / News Director / Marketing Director / TV Traffic Operations

As you know, the FCC has permitted our broadcast stations to count as "core" otherwise core children's programs that is preempted for live carriage of Network sports provided that the children's program is rescheduled for a substitute time slot with appropriate notifications of the schedule change made both on air and to program guides. The on-air notification must announce the alternate date and time when the preempted show will air and can utilize video graphics, with or without an audio complement. You may choose to make these preemption announcements during the legally required top-of-the-hour four-second station call letter/community of license identification.

Based on the contemplated schedule of children's "core" education programs and live Network sports preemptions surrounding FOX's live coverage of sports, I recommend that you make the following preemptions announcements due to FOX's live coverage of the 2019 FIFA Women's World Cup Live that will be broadcast on Saturday, 7/06/19 (modified as needed to reflect local scheduling differences):

**Saturday, July 6, 2019:**

**Mountain Time Zone**

- At 8:00AM during the 2019 FIFA Women's World Cup Live: "Outback Adventures w/Tim Faulkner can be seen later today at 3:00PM."
- At 8:30AM during the 2019 FIFA Women's World Cup Live: "Rock the Park can be seen later today at 3:30PM."

-----  
**AND**

- At the end of Outback Adventures w/Tim Faulkner (3:00PM): "Outback Adventures w/Tim Faulkner will return next Saturday, July 13<sup>th</sup> at 8:00AM."
- At the end of Rock the Park (3:30PM): "Rock the Park will return next Saturday, July 13<sup>th</sup> at 8:30AM."

Please note that when I supply these weekly rundowns of pre-emption announcements, the contents reflect the schedule for the Mountain time zone. If your station moves a pre-empted program to a time other than the scheduled time, or otherwise revises the schedule of children's educational programs, the preemption announcements must be tailored to be consistent with your station's schedule. Also, please note that this is an advisory and that your station should consult your FCC legal counsel on this and other items regarding the children's "core" educational programs.

Thank you,  
Linda Julius
