Dear John:

It is that time of year again. While we already have a new deal in hand, we need to send this letter in case our current contract would become breach in any way. Additionally, we are including a letter from the ABC television network giving us non-duplication protection in our DMA.

I will be following up with you in a short period of time to discuss.

If you have any questions prior to my call, please feel free to contact me at (843) 849-2500.

Best regards,

Suzanne McNay Teagle
President & General Manager
