**Topic:** From Values to Action: The Critical Importance of Self Reflection

**Guest:** Harry Kraemer

**Length:** 25 minutes

**Summary:** Harry M. Jansen Kraemer, Jr. is a professor of management and strategy at Northwestern University's Kellogg School of Management, where he teaches in the MBA and the Executive MBA programs. He is an executive partner with Madison Dearborn Partners, one of the largest private equity firms in the United States where he consults with CEOs and other senior executives of companies in MDP's extensive portfolio. Kraemer is the former chairman and chief executive officer of Baxter International Inc., a multi-billion-dollar global healthcare company. He was voted by the students Kellogg Professor of the Year in 2008. Harry discusses that we have way more things to do than we're ever going to get done and how we've confused activity with productivity. By taking time to think about things helps us to separate activity from productivity and what really matters.
