WLTG STATION UPDATES SINCE 2018 HURRICANE, AND PUBLIC AFFAIRS PROGRAMS AIRED APRIL, MAY & JUNE 2023

Prepared By: A.D.Whitehurst

On 10/10/2018 Bay County Florida was ravaged and many homes and businesses completely destroyed by Hurricane Michael.

Everyone was affected in some way. Our company, Hour Group Broadcasting, Inc (dba) WLTG RADIO was not spared. We lost one tower and of course power, satellite, phone and internet service.

Because of the tremendous damage, access to the transmitter site was almost impossible. However, on 11/19/18 we were back on the air with (STA) of IKW. Our problem of access to the transmitter was limited to foot travel most of the time, and phone and internet were not available.

In an effort to air some kind of programming, we decided to air loop programming from the transmitter site. This enabled WLTG listeners to enjoy music, psa's and Public Affairs programming 24/7. Our normal PSA and Public Affairs programming offered more diversified subject matter because access was more available before Hurricane Michael, however, the loop programming offered Public Affairs, every hour 24/7 and more.

We were able to resume more normal broadcast operations in January 2019. In March 2020 a construction permit was issued to WLTG-AM for the purpose of constructing new transmitting equipment at Upper Grand Lagoon, FL. That construction has been completed and became operational under the new permit at the new licensed location at 2415 Laurie Avenue, Panama City Beach, Florida in early September 2020.

During the first week of September, 2020 WLTG-AM began broadcasting from its newly licensed facility at 2415 Laurie Avenue Upper Grand Lagoon, Florida, under its new corporate name Laurie Broadcasting, Inc.

On September 26, 2020 WLTG/Laurie Broadcasting entered into a Time Brokerage Agreement with Gold Standard Broadcasting of Panama City, Florida. Under this agreement Gold Standard Broadcasting provides all programming on WLTG-AM.

In July 2021 WLTG/Laurie Broadcasting terminated the Time Brokerage Agreement with Gold Standard Broadcasting and entered a new Time Brokerage Agreement with Faith Radio Network based in Tallahassee, Florida. Under this agreement Faith Radio Network provides all programming on WLTG-AM.

During the third quarter of 2021 WLTG-AM, under a Time Brokerage Agreement with Faith Radio Network, became the first local area station to broadcast Christian programming and music 24 hours a day in Spanish! The local Latin community and area churches that minister to them are very excited about it! The 2nd Quarter 2023 Issues & Programs list is attached.
