Sounds good! We can make either day work since as your students will soon see, we never run out of material.

Hi Tom,

Thank you for this!

Let's plan on Tuesday, July 25th. Is it possible to keep Thursday July 27th as a back-up (in the event something like big breaking news gets in the way of the original day)?

I will have a total of 18 students, plus another teacher.

We are looking forward to this field trip. Again, thank you for making it possible!

Sincerely,

Kristyn Hartman

Hello to you!

I'm fine with the plan as presented. You pick the day. Let's figure on 1030am arrival, view the 11 from the control room/set and then at 11:30 everyone can wander up to the 4<sup>th</sup> floor conference room for Q&A with TBD CBS folks?

Tom

Hi Tom,

Nice speaking with you yesterday!

I'm super excited about showing my students the "current events factory!"

Here are the details:

I will be teaching a summer session course at Saint Ignatius College Prep about how today's current events become tomorrow's history. My students are 6th, 7th and 8th graders, part of what we call our Junior Wolfpack.

The goal is to give them a behind-the-curtain look at news production.

I'm hoping we can schedule the tour for the last week of the course - the week of July 24th.

Monday, Tuesday or Wednesday that week would be great.

Please let me know if that fits in with your schedule...

Sincerely,

Kristyn

**Subject:** Kenebrew career day

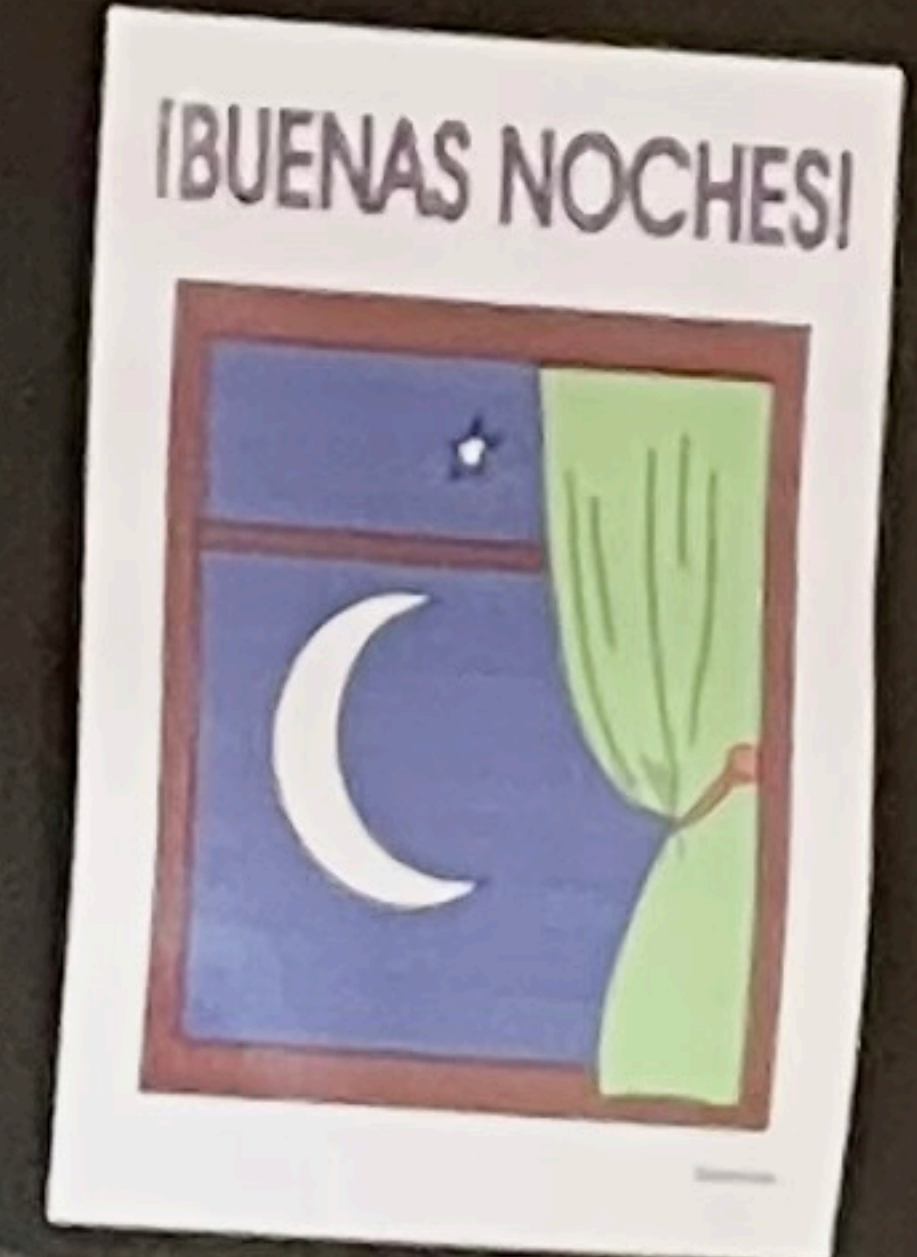

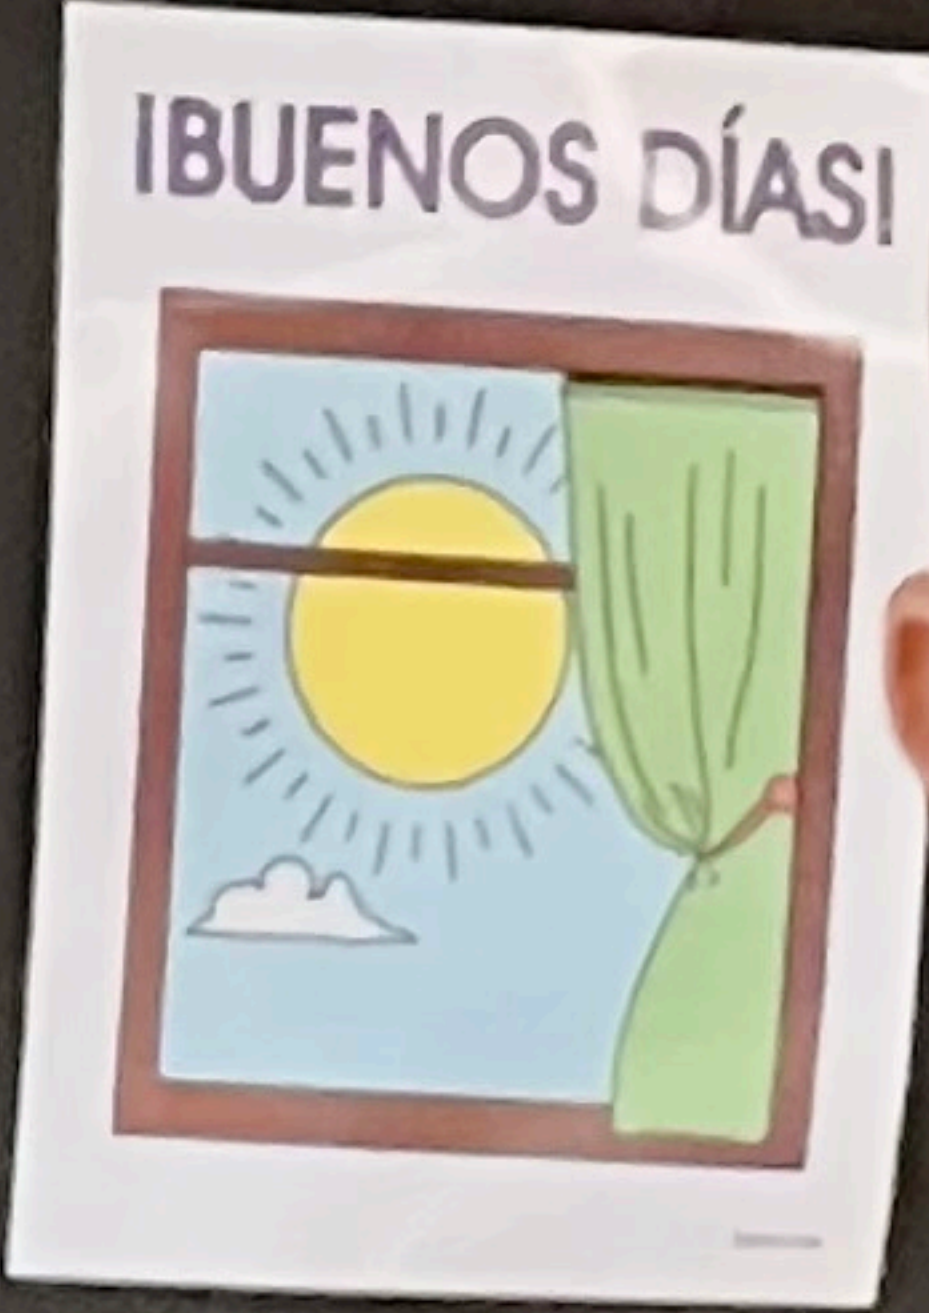

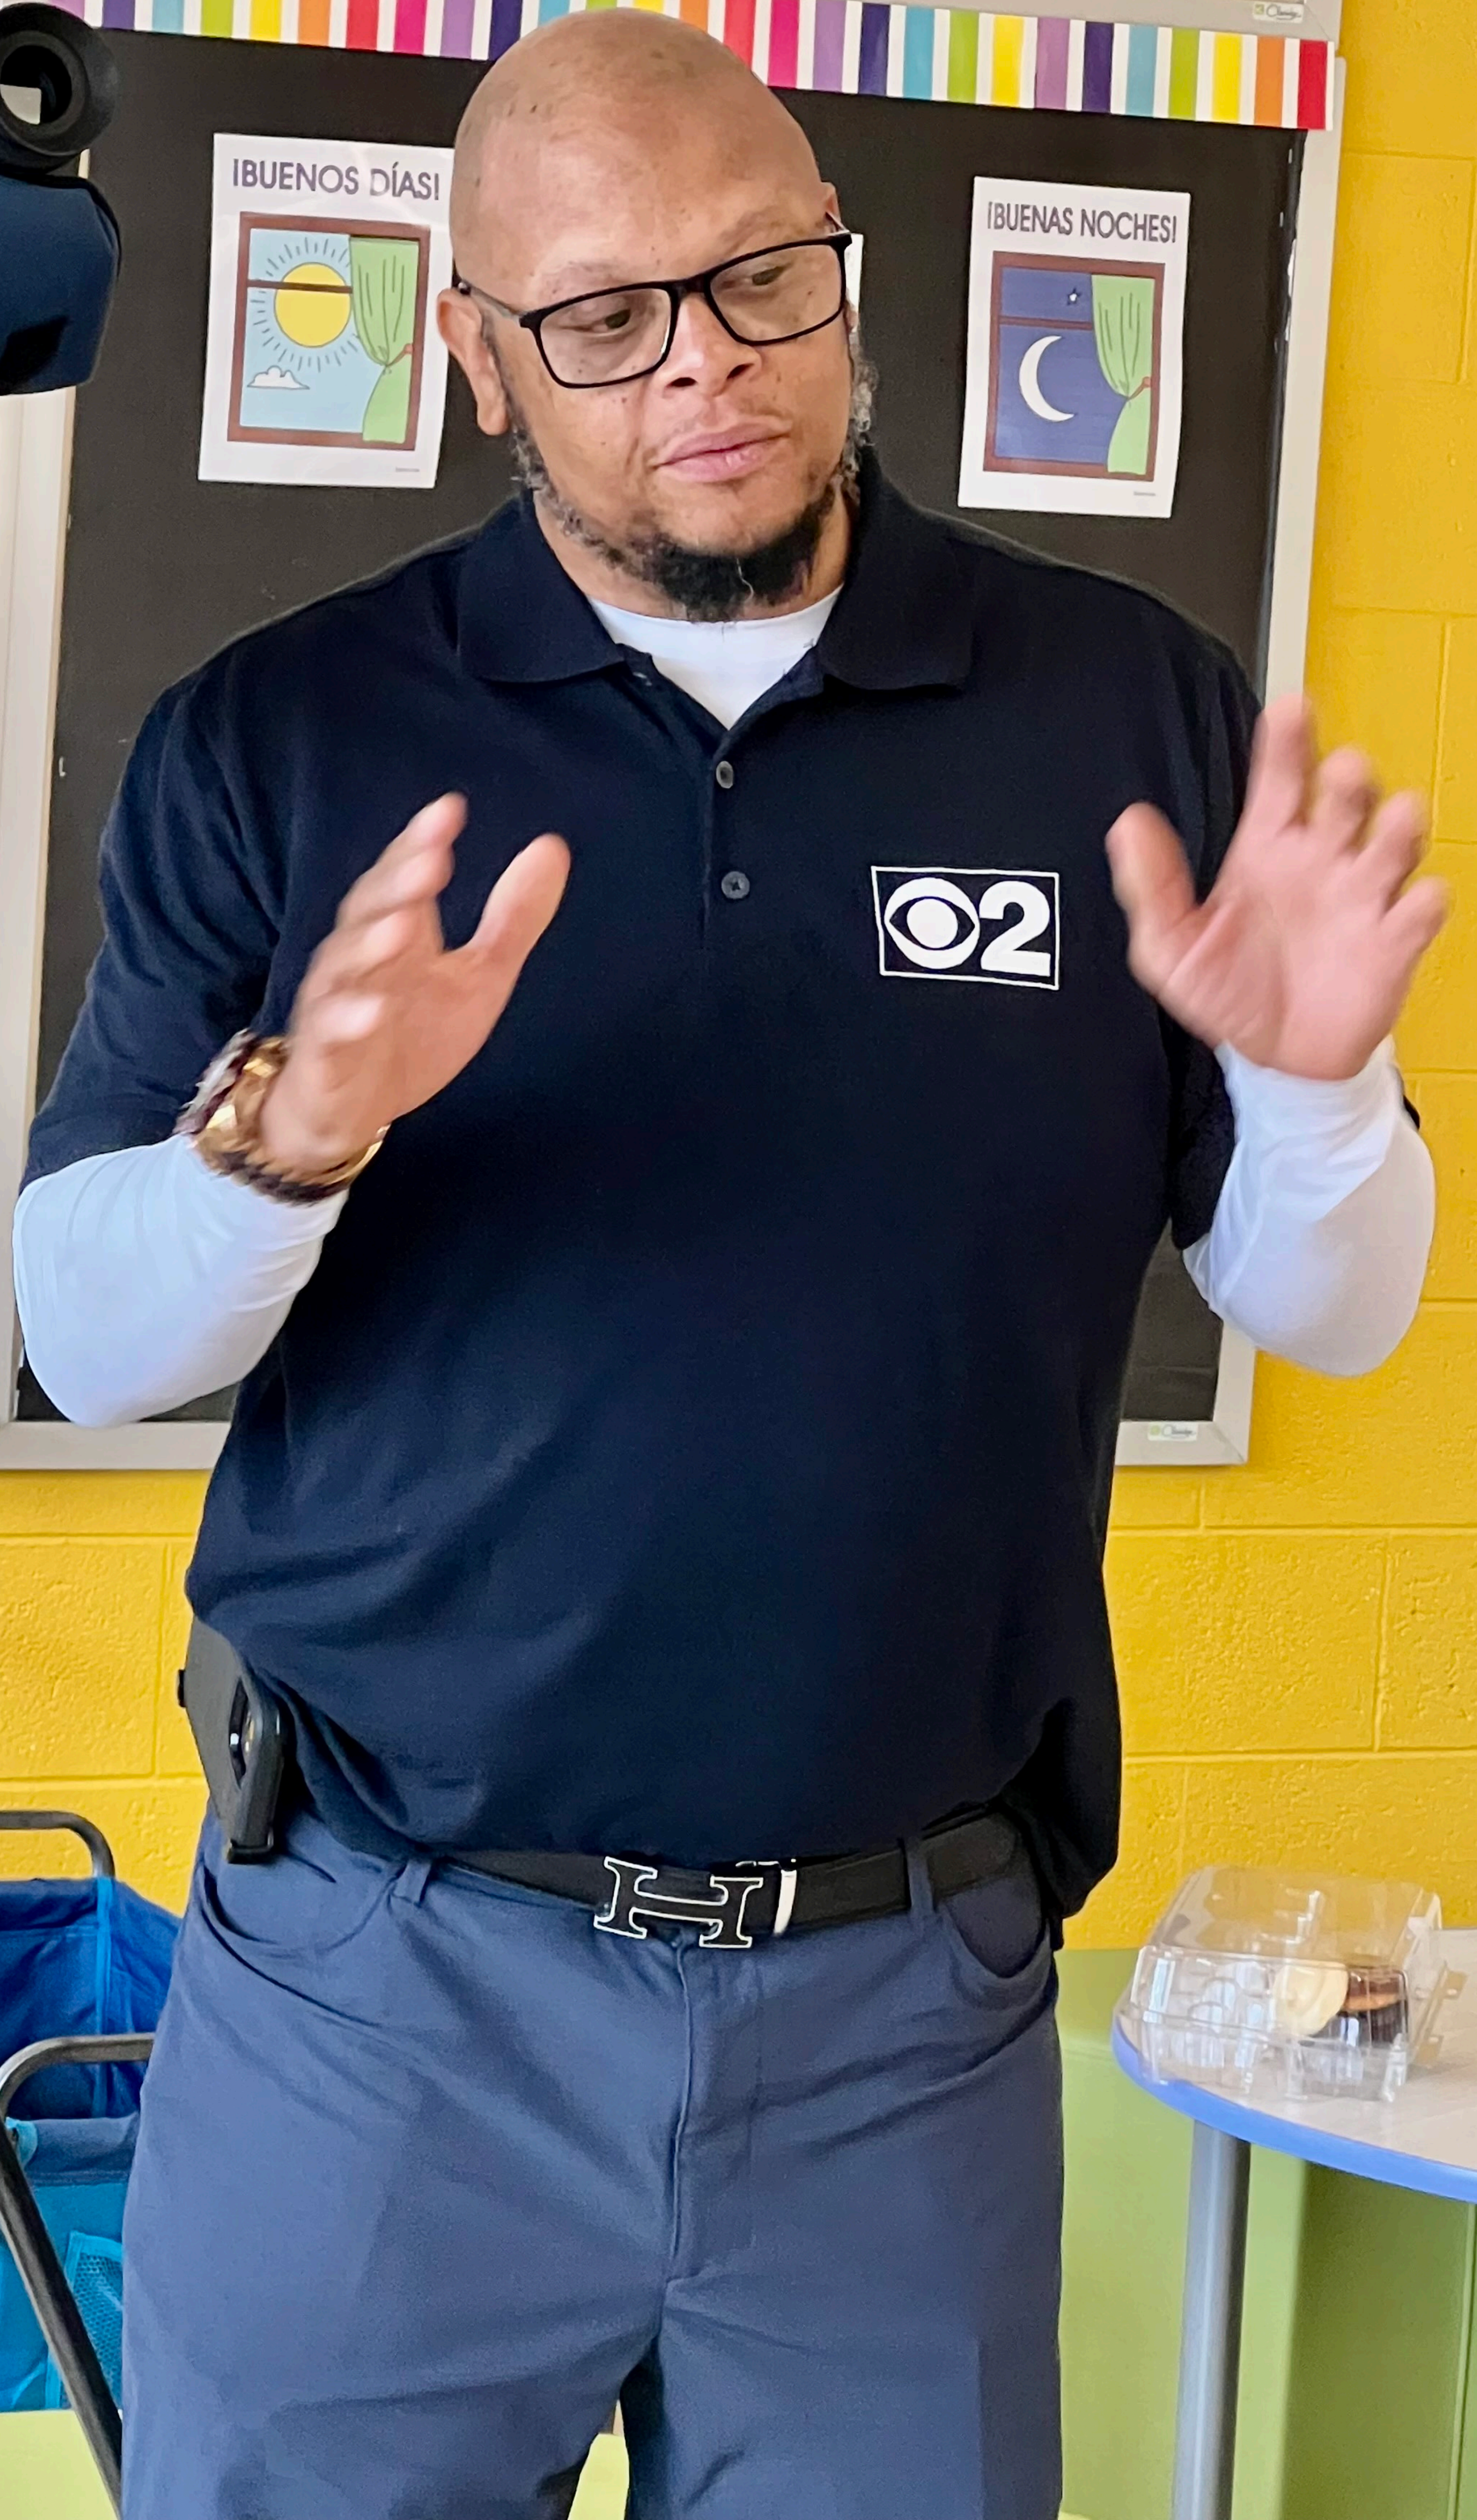

Photojournalist David Kenebrew gave a presentation today for Career Day at the Prairie Hills S.T.E.A.M. Academy in Markham.  
The principal at Prairie Hills is Gina Driskell, who is the sister of former CBS 2 Photojournalist Alif Muhammad.  
See pictures attached.  
There's also 2 VO clips that I will ingest as career day kenebrew
