

# **QUARTERLY ISSUES REPORT**

## **3rd Quarter 2019**

### **Program Summary**

**Identify ISSUE of Community Concern:** The Church and Science

**Name of Program:** A View From the Top

**Title of Segment:** None

**Air Date and Time:** Friday July 19, 2019 11:30am

**Length of Segment:** 23:00

**Guest(s)-full name, title, organization, if applicable:**

Bishop Gregory Parkes, Bishop of the Diocese of St. Petersburg

**Description:**

The 50<sup>th</sup> anniversary of the Apollo moonwalk was last week. John Morris talks with Bishop Parkes the historical significance of this and how the church is involved with the study of planets, astronomy and science in general. They talk about the church's role over the centuries in science and what the church does today, including its role in medical advancements and ethics. In this program they also talk about the youth of our diocese participating in community service over the summer in the Good Samaritan project

**Form completed by:** John Morris

**Date:** October 3, 2019
