## FCC PRE-FILING ANNOUNCEMENT

On February 27, 1996, KSSI was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until December 1, 1997.

Our license will expire on December 1, 1997. We must file an application for license renewal with the FCC on August 1, 1997. When filed, a copy of this application will be available for public inspection during our regular business hours. It contains information concerning this station's performance during the last 1 year and 10 months.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether this station has operated in the public interest should file comments and petitions with the Commission by November 1, 1997.

Further information concerning the Commission's broadcast license renewal process is available at 701-C Inyokern Road or may be obtained from the FCC, Washington, D.C. 20554.
