

PROGRAMMING STATEMENT:

KNX-FM provides a news and information format to its community to license, Los Angeles, California, on a continuing basis. KNX's format deals with and is responsive to the principal issues of the community. A variety of elements including news, breaking news, public events and public service announcements of concern to the community is included in our regular programming. A sampling of the programming of significance is presented in this report. Reports, on average, run :45 to 1:00. Again, this is a sampling representing a fraction of the community responsive and public service related programming on KNX News 97.1 FM.

KNX-FM, LOS ANGELES, CALIFORNIA

QUARTERLY LISTING OF ISSUES THAT

RECEIVED PARTICULAR ATTENTION

The following is a quarterly listing of the issues, which this station has paid Particular attention to, with respect to programming during the three months preceding January 1, 2024. The programs listed, in the judgment of the licensee, represents the most significant treatment by the station of issues that were of concern in the community during the said preceding three months. This list was filed in the station's Public Inspection File pursuant to Section 73.3526 (a) (9) of the rules of the Federal Communications Commission.

Certification: On behalf of KNX-FM, I certify that a copy of the Quarterly Issues/Programs Report for the 4th Quarter of 2023 was placed in the station's Public Inspection file on Wednesday, January 10, 2023.

Julie K. Chin
KNX News Director

Note: Many of the issues are inter-related. A news story with the intent of a meeting a specific issue may affect or relate to another issue or aspect of an issue

4th QUARTER 2023 – ISSUES LIST
