

Texas Association of Broadcasters

**Alternative Broadcast Inspection Program  
Certificate of Compliance**

***KORO-TV Corpus Christi***

has voluntarily participated in the Alternative Broadcast Inspection Program, a cooperative program of the Texas Association of Broadcasters and the Federal Communications Commission. Through this program, the station has successfully undergone a complete Enforcement Bureau-type inspection by an FCC-approved inspector, has been found to be in full compliance with FCC regulations and is hereby granted immunity from routine FCC inspections for a period of three years from this date.

**This Certificate of Compliance is issued April 20, 2011.**
